[Footnote 1]: ** Chapter amended City Record June 17, 1998 eff. July 17, 1998. Chapter repealed and added City Record Oct. 10, 1995 eff. Nov. 9, 1995. Note further provisions of City Record June 17, 1998:

Effective July 1, 1997, the Hearings Bureau of the Commission on Human Rights ("Commission") was discontinued, and its adjudication function was transferred to the office of Administrative Trials and Hearings ("OATH"). The proposed amendments to the Rules of Practice of the Commission, and of OATH, are intended to facilitate that transfer without change to the substantive law applicable to those adjudications, and with the least possible change to the procedure applicable to those adjudications. The Commission's adjudications, both as previously conducted by the Hearings Bureau, and as now conducted by OATH, result in the issuance of Recommended Decisions from Administrative Law Judges to the Commission, which the Commission may adopt in full, modify or reject in full. Therefore, the Commission retains the same final role in adjudication as it

had before the transfer.

The proposed amendments would delete from the Commission's Rules of Practice, Title 47, Chapter 1, Rules of the City of New York, most rules governing pre-hearing, hearing and post-hearing procedures. Amendments currently being proposed by OATH will address the adjudication of Commission hearings before that Agency. To the extent that OATH's existing Rules of Practice, Title 48, Chapter 1, Rules of the City of New York, are substantially consistent with the Commission's existing Rules, OATH's existing Rules would be made applicable to cases referred by the Commission to OATH. To the extent that OATH's existing Rules of Practice are not substantially consistent with the Commission's existing Rules, OATH's Rules would be amended to include a new Subchapter C in Chapter 2 of Title 48 consisting of Rules necessary to conform the practice and procedure at OATH to the former practice and procedure before the Commission's Hearings Bureau. In those instances in which the Commission has judged the difference between its former practice and procedure and OATH's practice and procedure to be technical or insubstantial, these proposed amendments would make OATH's existing Rules applicable.

Some changes in procedure would be adopted by these proposed amendments. For example, by proposed Section 1-43 of Title 48, OATH would adopt for all of its cases a Rule governing subpoenas that is identical to the Commission's present Rule governing subpoenas, 47 RCNY, 1-81, except that ex parte applications for issuance of subpoenas would not be permitted. In addition, the time for taking an interlocutory appeal from a Decision or Order of the Administrative Law Judge would be reduced from seven days, as provided in the Commission's Existing Rules, to five days in OATH's proposed Rules. Finally, motions concerning investigative record-keeping and investigative subpoenas which were made to the Hearings Bureau under the Commission's existing Rules will be made to the Chair of the Commission under the Commission's proposed Rules, proposed 47 RCNY 1-72 and 1-73.

CHAPTER 1*1 PRACTICE AND PROCEDURE

SUBCHAPTER C WITHDRAWALS AND DISMISSALS*5

§1-22 Dismissal of Complaint.

(a) **Dismissal for administrative convenience.** The Law Enforcement Bureau may, in its discretion, dismiss a complaint for administrative convenience at any time prior to the taking of testimony at a hearing. Administrative convenience shall include, but not be limited to, the following circumstances:

(1) Law Enforcement Bureau personnel have been unable to locate the complainant after diligent efforts to do so;

(2) the complainant has repeatedly failed to appear at mutually agreed-upon appointments with the Law Enforcement Bureau or the Office of Mediation and Conflict Resolution personnel, or is unwilling to meet with the Law Enforcement Bureau or the Office of Mediation and Conflict Resolution personnel, provide requested documentation, or to attend a hearing;

(3) the complainant has repeatedly engaged in conduct which is disruptive to the orderly functioning of the Law Enforcement Bureau;

(4) where the complainant is unwilling to accept a reasonable proposed conciliation agreement;

(5) prosecution of the complaint will not serve the public interest. Without limitation, this shall include those circumstances where it is not likely that further investigation will result in a finding of probable cause or where the

passage of time or other factors have materially impaired the ability of a respondent to defend against the allegations of the complaint; and

(6) the complainant requests such dismissal, one hundred eighty days have elapsed since the filing of the complaint with the Law Enforcement Bureau, and the Law Enforcement Bureau finds (a) that the complaint has not been actively investigated and (b) that the respondent will not be unduly prejudiced thereby.

(b) **Mandatory dismissal for administrative convenience.** The Law Enforcement Bureau shall dismiss a complaint for administrative convenience at any time prior to the filing of an answer by the respondent if the complainant requests such dismissal, unless the Law Enforcement Bureau has conducted an investigation of the complaint or has engaged the parties in conciliation after the time the complaint was filed.

(c) **Dismissal because the complaint is not within the jurisdiction of the Commission.** The Law Enforcement Bureau shall dismiss a complaint in whole or in part where it concludes that the complaint or a portion thereof is not within the jurisdiction of the Commission.

(d) **Dismissal for lack of probable cause.** If, after investigation the Law Enforcement Bureau determines that probable cause does not exist to believe that the respondent has engaged or is engaging in an unlawful discriminatory practice, the Bureau shall dismiss the complaint in whole or in part as to such respondent.

(e) **Notification of dismissal.** When the Law Enforcement Bureau makes a determination pursuant to this section, it shall promptly serve each complainant, respondent, and necessary party with an order dismissing the complaint in whole or in part.

(f) **Review of order of dismissal.** A complainant or respondent aggrieved by an order of dismissal made pursuant to this section may apply to the Chair for review of such order within 30 days of the service of such order by serving a notice of application for review on all other complainants and respondents, the Law Enforcement Bureau and any necessary parties, and by filing such notice with the Office of General Counsel.

FOOTNOTES

1

[Footnote 1]: ** Chapter amended City Record June 17, 1998 eff. July 17, 1998. Chapter repealed and added City Record Oct. 10, 1995 eff. Nov. 9, 1995. Note further provisions of City Record June 17, 1998:

Effective July 1, 1997, the Hearings Bureau of the Commission on Human Rights ("Commission") was discontinued, and its adjudication function was transferred to the office of Administrative Trials and Hearings ("OATH"). The proposed amendments to the Rules of Practice of the Commission, and of OATH, are intended to facilitate that transfer without change to the substantive law applicable to those adjudications, and with the least possible change to the procedure applicable to those adjudications. The Commission's adjudications, both

as previously conducted by the Hearings Bureau, and as now conducted by OATH, result in the issuance of Recommended Decisions from Administrative Law Judges to the Commission, which the Commission may adopt in full, modify or reject in full. Therefore, the Commission retains the same final role in adjudication as it had before the transfer.

The proposed amendments would delete from the Commission's Rules of Practice, Title 47, Chapter 1, Rules of the City of New York, most rules governing pre-hearing, hearing and post-hearing procedures. Amendments currently being proposed by OATH will address the adjudication of Commission hearings before that Agency. To the extent that OATH's existing Rules of Practice, Title 48, Chapter 1, Rules of the City of New York, are substantially consistent with the Commission's existing Rules, OATH's existing Rules would be made applicable to cases referred by the Commission to OATH. To the extent that OATH's existing Rules of Practice are not substantially consistent with the Commission's existing Rules, OATH's Rules would be amended to include a new Subchapter C in Chapter 2 of Title 48 consisting of Rules necessary to conform the practice and procedure at OATH to the former practice and procedure before the Commission's Hearings Bureau. In those instances in which the Commission has judged the difference between its former practice and procedure and OATH's practice and procedure to be technical or insubstantial, these proposed amendments would make OATH's existing Rules applicable.

Some changes in procedure would be adopted by these proposed amendments. For example, by proposed Section 1-43 of Title 48, OATH would adopt for all of its cases a Rule governing subpoenas that is identical to the Commission's present Rule governing subpoenas, 47 RCNY, 1-81, except that ex parte applications for issuance of subpoenas would not be permitted. In addition, the time for taking an interlocutory appeal from a Decision or Order of the Administrative Law Judge would be reduced from seven days, as provided in the Commission's Existing Rules, to five days in OATH's proposed Rules. Finally, motions concerning investigative record-keeping and investigative subpoenas which were made to the Hearings Bureau under the Commission's existing Rules will be made to the Chair of the Commission under the Commission's proposed Rules, proposed 47 RCNY 1-72 and 1-73.

Effective July 1, 1997, the Hearings Bureau of the Commission on Human Rights ("Commission") was discontinued, and its adjudication function was transferred to the office of Administrative Trials and Hearings ("OATH"). The proposed amendments to the Rules of Practice of the Commission, and of OATH, are intended to facilitate that transfer without change to the substantive law applicable to those adjudications, and with the least possible change to the procedure applicable to those adjudications. The Commission's adjudications, both as previously conducted by the Hearings Bureau, and as now conducted by OATH, result in the issuance of Recommended Decisions from Administrative Law Judges to the Commission, which the Commission may adopt in full, modify or reject in full. Therefore, the Commission retains the same final role in adjudication as it had before the transfer.

The proposed amendments would delete from the Commission's Rules of Practice, Title 47, Chapter 1, Rules of the City of New York, most rules governing pre-hearing, hearing and post-hearing procedures. Amendments currently being proposed by OATH will address the adjudication of Commission hearings before that Agency. To the extent that OATH's existing Rules of Practice, Title 48, Chapter 1, Rules of the City of New York, are substantially consistent with the Commission's existing Rules, OATH's existing Rules would be made applicable to cases referred by the Commission to OATH. To the extent that OATH's existing Rules of Practice are not substantially consistent with the Commission's existing Rules, OATH's Rules would be amended to include a new Subchapter C in Chapter 2 of Title 48 consisting of Rules necessary to conform the practice and procedure at OATH to the former practice and procedure before the Commission's Hearings Bureau. In those instances in which the Commission has judged the difference between its former practice and procedure and OATH's practice and procedure to be technical or insubstantial, these proposed amendments would make OATH's existing Rules applicable.

Some changes in procedure would be adopted by these proposed amendments. For example, by proposed Section 1-43 of Title 48, OATH would adopt for all of its cases a Rule governing subpoenas that is identical to the Commission's present Rule governing subpoenas, 47 RCNY, 1-81, except that ex parte applications for issuance of subpoenas would not be permitted. In addition, the time for taking an interlocutory appeal from a Decision or Order of the Administrative Law Judge would be reduced from seven days, as provided in the Commission's Existing Rules, to five days in OATH's proposed Rules. Finally, motions concerning investigative record-keeping and investigative subpoenas which were made to the Hearings Bureau under the Commission's existing Rules will be made to the Chair of the Commission under the Commission's proposed Rules, proposed 47 RCNY 1-72 and 1-73.

FOOTNOTES

1

[Footnote 1]: ** Chapter amended City Record June 17, 1998 eff. July 17, 1998. Chapter repealed and added City Record Oct. 10, 1995 eff. Nov. 9, 1995. Note further provisions of City Record June 17, 1998:

Effective July 1, 1997, the Hearings Bureau of the Commission on Human Rights ("Commission") was discontinued, and its adjudication function was transferred to the office of Administrative Trials and Hearings ("OATH"). The proposed amendments to the Rules of Practice of the Commission, and of OATH, are intended to facilitate that transfer without change to the substantive law applicable to those adjudications, and with the least possible change to the procedure applicable to those adjudications. The Commission's adjudications, both as previously conducted by the Hearings Bureau, and as now conducted by OATH, result in the issuance of Recommended Decisions from Administrative Law Judges to the Commission, which the Commission may adopt in full, modify or reject in full. Therefore, the Commission retains the same final role in adjudication as it had before the transfer.

The proposed amendments would delete from the Commission's Rules of Practice, Title 47, Chapter 1, Rules of the City of New York, most rules governing pre-hearing, hearing and post-hearing procedures. Amendments currently being proposed by OATH will address the adjudication of Commission hearings before that Agency. To the extent that OATH's existing Rules of Practice, Title 48, Chapter 1, Rules of the City of New York, are substantially consistent with the Commission's existing Rules, OATH's existing Rules would be made applicable to cases referred by the Commission to OATH. To the extent that OATH's existing Rules of Practice are not substantially consistent with the Commission's existing Rules, OATH's Rules would be amended to include a new Subchapter C in Chapter 2 of Title 48 consisting of Rules necessary to conform the practice and procedure at OATH to the former practice and procedure before the Commission's Hearings Bureau. In those instances in which the Commission has judged the difference between its former practice and procedure and OATH's practice and procedure to be technical or insubstantial, these proposed amendments would make OATH's existing Rules applicable.

Some changes in procedure would be adopted by these proposed amendments. For example, by proposed Section 1-43 of Title 48, OATH would adopt for all of its cases a Rule governing subpoenas that is identical to the Commission's present Rule governing subpoenas, 47 RCNY, 1-81, except that ex parte applications for issuance of subpoenas would not be permitted. In addition, the time for taking an interlocutory appeal from a Decision or Order of the Administrative Law Judge would be reduced from seven days, as provided in the Commission's Existing Rules, to five days in OATH's proposed Rules. Finally, motions concerning investigative record-keeping and investigative subpoenas which were made to the Hearings Bureau under the Commission's existing Rules will be made to the Chair of the Commission under the Commission's proposed Rules, proposed 47 RCNY 1-72 and 1-73.

RULES OF THE CITY OF NEW YORK

Title 47 Commission on Human Rights

CHAPTER 1*1 PRACTICE AND PROCEDURE

SUBCHAPTER G ADJUDICATION PROCEDURES*9

§1-71 Referral of Complaints to OATH.

(a) When the Law Enforcement Bureau determines that a case is ready for adjudication, the Bureau shall refer the case to the Office of Administrative Trials and Hearings (OATH) pursuant to this section. Except as otherwise provided herein, OATH's rules of practice relating to hearing and pre-hearing procedures (Title 48, Rules of the City of New York, chapter 1, and chapter 2, subchapter C) are hereby adopted by the Commission as the rules of practice and the procedure of the Commission and shall apply to adjudications referred to OATH by the Commission.

(b) The Law Enforcement Bureau shall serve the Notice of Referral upon the complainant, the respondent and any necessary party and file it with the OATH. The notice shall include the last known address and telephone number of each complainant, respondent, and necessary party. The notice shall state whether the respondent has complied with the requirement of §1-14 of this Chapter and, if not, whether the Law Enforcement Bureau seeks to have respondent held in default. The notices shall inform the complainant of his or her right to intervene pursuant to OATH's rules (48 RCNY §2-25). No material relating to the investigation, the finding of probable cause, or the substance of conciliation efforts shall be filed with OATH.

HISTORICAL NOTE

DERIVATION

Section repealed and added City Record Oct. 10, 1995 eff. Nov. 9, 1995.

Section added City Record Jan. 5, 1994 eff. Feb. 4, 1994.

Opening par repealed City Record June 17, 1998 eff. July 17, 1998.

Subd. (a) added City Record June 17, 1998 eff. July 17, 1998.

Subd. (b) lettered and amended (formerly §1-72) City Record June 17, 1998 eff. July 17, 1998.

FOOTNOTES

1

[Footnote 1]: ** Chapter amended City Record June 17, 1998 eff. July 17, 1998. Chapter repealed and added City Record Oct. 10, 1995 eff. Nov. 9, 1995. Note further provisions of City Record June 17, 1998:

Effective July 1, 1997, the Hearings Bureau of the Commission on Human Rights ("Commission") was discontinued, and its adjudication function was transferred to the office of Administrative Trials and Hearings ("OATH"). The proposed amendments to the Rules of Practice of the Commission, and of OATH, are intended to facilitate that transfer without change to the substantive law applicable to those adjudications, and with the least possible change to the procedure applicable to those adjudications. The Commission's adjudications, both as previously conducted by the Hearings Bureau, and as now conducted by OATH, result in the issuance of Recommended Decisions from Administrative Law Judges to the Commission, which the Commission may adopt in full, modify or reject in full. Therefore, the Commission retains the same final role in adjudication as it had before the transfer.

The proposed amendments would delete from the Commission's Rules of Practice, Title 47, Chapter 1, Rules of the City of New York, most rules governing pre-hearing, hearing and post-hearing procedures. Amendments currently being proposed by OATH will address the adjudication of Commission hearings before that Agency. To the extent that OATH's existing Rules of Practice, Title 48, Chapter 1, Rules of the City of New York, are substantially consistent with the Commission's existing Rules, OATH's existing Rules would be made applicable to cases referred by the Commission to OATH. To the extent that OATH's existing Rules of Practice are not substantially consistent with the Commission's existing Rules, OATH's Rules would be amended to include a new Subchapter C in Chapter 2 of Title 48 consisting of Rules necessary to conform the practice and procedure at OATH to the former practice and procedure before the Commission's Hearings Bureau. In those instances in which the Commission has judged the difference between its former practice and procedure and OATH's practice and procedure to be technical or insubstantial, these proposed amendments would make OATH's existing Rules applicable.

Some changes in procedure would be adopted by these proposed amendments. For example, by proposed Section 1-43 of Title 48, OATH would adopt for all of its cases a Rule governing subpoenas that is identical to the Commission's present Rule governing subpoenas, 47 RCNY, 1-81, except that ex parte applications for issuance of subpoenas would not be permitted. In addition, the time for taking an interlocutory appeal from a Decision or Order of the Administrative Law Judge would be reduced from seven days, as provided in the Commission's Existing Rules, to five days in OATH's proposed Rules. Finally, motions concerning investigative record-keeping and investigative subpoenas which were made to the Hearings Bureau under the Commission's existing Rules will be made to the Chair of the Commission under the Commission's proposed Rules, proposed

47 RCNY 1-72 and 1-73.

47 RCNY 2-01

RULES OF THE CITY OF NEW YORK

Title 47 Commission on Human Rights

CHAPTER 2 UNLAWFUL DISCRIMINATORY PRACTICES

§2-01 Definitions.

The definitions in this section shall be used by the New York City Commission on Human Rights in determining whether an institution, club, or place of accommodation is "distinctly private" as that term is used in the New York City Human Rights Law, Administrative Code §8-101 **et seq.**

Domestic partner. The term "domestic partner" means a person who has registered a domestic partnership in accordance with applicable law with the City Clerk, or has registered such a partnership with the former City Department of Personnel pursuant to Executive Order 123 (dated August 7, 1989) during the period August 7, 1989 through January 7, 1993. (The records of domestic partnerships registered at the Department of Personnel are to be transferred to the City Clerk.)

Members. "Members" shall mean individuals belonging to any class of membership offered by the institution, club, or place of accommodation including, but not limited to, full membership, resident membership, nonresident membership, temporary membership, family membership, honorary membership, associate membership, membership limited to use of dining or athletic facilities, and membership of members' minor children or spouses or domestic partners.

Payment directly from a nonmember. "Payment directly from a nonmember" shall mean payment made to an institution, club or place of accommodation by a nonmember for expenses incurred by a member or nonmember for dues, fees, use of space, facilities, services, meals or beverages.

Payment for the furtherance of trade or business. "Payment for the furtherance of trade or business" shall mean

payment made by or on behalf of a trade or business organization, payment made by an individual from an account which the individual uses primarily for trade or business purposes, payment made by an individual who is reimbursed for the payment by the individual's employer or by a trade or business organization, or other payment made in connection with an individual's trade or business, including entertaining clients or business associates, holding meetings or other business- related events.

Payment indirectly from a nonmember. "Payment indirectly from a nonmember" shall mean payment made to a member or nonmember by another nonmember as reimbursement for payment made to an institution, club or place of accommodation for expenses incurred for dues, fees, use of space, facilities, meals or beverages.

Payment on behalf of a nonmember. "Payment on behalf of a nonmember" shall mean payment by a member or nonmember for expenses incurred for dues, fees, use of space, facilities, services, meals or beverages by or for a nonmember.

Regular meal service. "Regular meal service" shall mean the provision, either directly or under a contract with another person, of breakfast, lunch, or dinner on three or more days per week during two or more weeks per month during six or more months per year.

Regularly receives payment. An institution, club or place of "accommodation "regularly receives payment for dues, fees, use of space, facilities, services, meals or beverages directly or indirectly from or on behalf of nonmembers for the furtherance of trade or business" if it receives as many such payments during the course of a year as the number of weeks any part of which the institution, club or place of accommodation is available for use by members or non members per year.

NOTE

1. Statement of Basis and Purpose in City Record June 17, 1998:

Mayoral Executive Orders spanning the past two administrations have established several rights and procedures relative to domestic partnerships, including a procedure for City residents to register their domestic partnerships in the office of the City Clerk. Such orders have further provided, among other things, that (i) registered domestic partners are eligible for visitation rights in City hospitals and correction facilities; (ii) City employees with registered domestic partnerships are eligible for child care leave and bereavement leave on the same basis as those benefits are afforded to employees with regard to their spouses; and (iii) registered domestic partnership is evidence of the right to succession to tenancy rights in facilities operated by the New York City Housing Authority and the Department of Housing Preservation and Development. By the end of April, 1998, there were approximately 8,700 couples registered as domestic partners in New York City. More than 55 percent of those registered domestic partners who reported demographic information were heterosexual couples, and less than 45 percent were same sex couples. Almost forty percent of registered domestic partnerships have accessed City health benefits available to partners of City employees and retirees.

Consistent with the intent of such orders, and its authority pursuant to Administrative Code 8-105(11), the Commission is now acting to provide that a provision of its rules applicable to spouses should now be extended to domestic partners.

CHAPTER 2 UNLAWFUL DISCRIMINATORY PRACTICES

§2-03 Exemption of Certain Places of Public Accommodations in Relation to Sex Discrimination.

(a) Dressing rooms, toilets and shower rooms containing multiple facilities, and appurtenant rooms and facilities, and turkish baths and saunas, shall be exempt from the provisions of §8-107, Paragraph 2*1 of the Administrative Code insofar as the use of such accommodations is restricted to one sex. This exemption shall not apply to swimming pools and other facilities for swimming.

(b) Rooming houses or residence hotels in which rental is restricted to one sex shall be exempt from the provisions of §8-107, Paragraph 2* of the Administrative Code if such accommodation is regularly occupied on a permanent, as opposed to transient, basis by the majority of its guests.

(c) Lodging facilities in which the sleeping rooms and/or bathrooms are used in common, such as missions or dormitories designed for occupancy by members of the same sex, shall be exempt from the provisions of §8-107, Paragraph 2 of the Administrative Code insofar as members of one sex are excluded from such accommodations.

FOOTNOTES

1

[Footnote 1]: * Chapter 3 amended City Record Aug. 18, 1995 eff. Sept. 17, 1995. Note: Statement of Basis and Purpose-

Paragraph b of Subdivision 4 of Section 8-107 of the New York City Human Rights Law provides that the

provisions of the Human Rights Law which prohibit discrimination by a place or provider of public accommodation on the basis of a person's age shall not apply to places and providers of public accommodation where the Commission grants an exemption based on bona fide considerations of public policy. Rules were promulgated effective December 13, 1993, setting forth general exemptions applicable to all places and providers of public accommodation. These Rules also establish a procedure which permits the owner of a place or provider of public accommodation to apply to the Chairperson of the Commission for an exemption of a specific age-based restriction not covered by any of the general exemptions.

The Commission has received a number of requests by places and providers of public accommodation for exemption of age-based restrictions. Many of these requests arise from the concern on the part of the operator of a place or provider of public accommodation that the presence of children under a certain age within the facility will result in the destruction of property and or disruption of the quiet enjoyment of the services offered by the facility. The Commission has granted exemptions that fall within this category under the rubric of promoting the well-being of the public. In order to clarify the grounds upon which the Commission believes exemptions to the prohibition on age-based discrimination are appropriate, it proposes to add more specific language to Section 3-04 of the current Rule.

The statutory authority for this Rule is New York City Administrative Code, Title 8 Chapter 1, Section 8-105(11) and Section 8-107(4)(b). Persons affected will include all persons who own or operate one or more places or providers of public accommodation within the City of New York, as well as all persons who avail themselves of the goods or services offered by any such place or provider of public accommodation.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER A GENERAL MATTERS

§1-01 Definitions.

As used in this chapter:

Administrative law judge. "Administrative law judge" shall mean the person assigned to preside over a case, whether the chief administrative law judge or a person appointed by the chief administrative law judge.

Agency. "Agency" shall mean any commission, board, department, authority, office or other governmental entity authorized or required by law to refer a case to OATH, regardless of whether the agency is petitioner or respondent in such a case.

CAPA. "CAPA" shall mean the City Administrative Procedure Act, §§1041 to 1047 of the New York City Charter ("Charter").

Case. "Case" shall mean an adjudication pursuant to CAPA, §1046, referred to OATH pursuant to Charter, §1048.

Chief administrative law judge. "Chief administrative law judge" shall mean the director of OATH appointed by the mayor pursuant to Charter, §1048.

Electronic means. "Electronic means" shall mean any method of transmission of information between computers or

other machines designed for the purpose of sending and receiving such transmissions, and which allows the recipient to reproduce the information transmitted in a tangible medium of expression, e.g. facsimile transmission and email.

Filing. "Filing" shall mean submitting papers to OATH, whether in person, by mail, or by electronic means, for inclusion in the record of proceedings in a case.

Mailing. "Mailing" shall mean the deposit, in a post office or official depository under the exclusive care and custody of the United States Postal Service, of a paper enclosed in a first class postpaid wrapper, addressed to the address designated by a person for that purpose or, if none is designated, at such person's last known address.

OATH. "OATH" shall mean the Office of Administrative Trials and Hearings.

Petition. "Petition" shall mean a document, analogous to a complaint in a civil action, which states the claims to be adjudicated.

Petitioner. "Petitioner" shall mean a party asserting claims.

Respondent. "Respondent" shall mean a party against whom claims are asserted.

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER A GENERAL MATTERS

§1-03 Applicability.

This chapter applies to the conduct of all cases, including hearings, pre-hearing and post-hearing matters, except to the extent that this chapter may be superseded by CAPA or other provision of law.

HISTORICAL NOTE

Section repealed and added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

Section in original publication July 1, 1991.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Pursuant to the section and to §1049(3)(d) of the City Charter, this tribunal's rules apply to a case except to the extent that they are inconsistent with the rules of the agency that referred the case. Therefore, in a Loft Law case referred by the Loft Board, this tribunal's rules govern pre-trial discovery because the rules of the Loft Board are silent as to discovery. **Matter of Prince,** OATH Index No. 1506/95 (Aug. 4, 1995).

¶ 2. Because not all Loft Law cases are adjudicated before this tribunal, the rules of this tribunal are not applicable to a Loft Law case unless and until the case is referred here. **Matter of Ancona,** OATH Index Nos. 116/96, 621/96,

623/96 (Dec. 8, 1995).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER A GENERAL MATTERS

§1-04 Construction and Waiver.

This title shall be liberally construed to promote just and efficient adjudication of cases. This title may be waived or modified on such terms and conditions as may be determined in a particular case to be appropriate by an administrative law judge.

HISTORICAL NOTE

Section repealed and added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

Section in original publication July 1, 1991.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Absent precedent stating a standard applicable to requests for **amicus** participation in a disability discrimination case under the City Human Rights Law, reference to practice before the Commission's former tribunal is appropriate and the standard is whether, in the discretion of the presiding judge, such participation will substantially further the "just and efficient adjudication of cases." **Comm'n on Human Rights v. 325 Cooperative, Inc.,** OATH Index No. 1423/98, mem. dec. (July 16, 1998).

¶ 2. An application that respondent's wife and a friend be permitted to observe the undercover witness' testimony was denied because divulging the witness' identity would be tantamount to placing him and his family in jeopardy and would compromise ongoing police investigations. Under section 1-49, all OATH hearings are open unless legally recognized grounds exist for closure. Section 1-49 was interpreted in light of this section which gives the administrative law judge discretion to waive or modify trial rules as may be appropriate in a particular case to promote the just and fair adjudication of cases. **Dep't of Correction v. Lowndes**, OATH Index No. 1662/99 (July 29, 1999), **rev'd on other grounds**, NYC Civ. Serv. Comm'n Item No. CD00-84-R (July 24, 2000).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration

Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

§1-08 Access to Facilities and Programs by People with Disabilities.

OATH is committed to providing equal access to its facilities and programs to people with disabilities and OATH will make reasonable accommodations requested by people with disabilities. A person requesting an accommodation for purposes of participation in a case at OATH, including attendance as a member of the public, shall request such accommodation sufficiently in advance of the proceeding in which the person wishes to participate to permit a reasonable time to evaluate the request. A request for accommodation shall be submitted to OATH's office manager.

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered

and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER B RULES OF CONDUCT

§1-11 Appearances.

(a) A party may appear in person, by an attorney, or by a duly authorized representative. A person appearing for a party, including by telephone conference call, is required to file a notice of appearance with OATH. Docketing of a case by an attorney or representative of a party shall be deemed to constitute the filing of a notice of appearance by that person. The filing of any papers by an attorney or representative who has not previously appeared shall constitute the filing of a notice of appearance by that person, and shall conform to the requirements of subdivisions (b) and (d) of this section.

(b) The appearance of a member in good standing of the bar of a court of general jurisdiction of any state or territory of the United States shall be indicated by the suffix "Esq." and the designation "attorney for (petitioner or respondent)", and the appearance of any other person shall be indicated by the designation "representative for (petitioner or respondent)".

(c) Absent extraordinary circumstances, no application shall be made or argued by any attorney or other representative who has not filed a notice of appearance. Participation in a telephone conference call on behalf of a party by an attorney or representative of the party shall be deemed an appearance by the attorney or representative. Nonetheless, upon making such an appearance, the attorney or representative shall file a notice of appearance in conformity with subdivisions (b) and (d) of this section.

(d) A person may not file a notice of appearance on behalf of a party unless he or she has been retained by that party to represent the party before OATH. Filing a notice of appearance constitutes a representation that the person appearing has been so retained. Filing a notice of appearance pursuant to §1-11(a) of this subchapter constitutes a representation that the person appearing has read and is familiar with the rules of this subchapter.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. A motion to disqualify an opposing party's counsel is governed by the disciplinary rules of the Code of Professional Responsibility. An agency's attorney who will testify as a trial witness may act as counsel to the agency, and may provide administrative and supervisory support to the agency's trial counsel, but may not himself act as trial counsel. Human Resources Administration v. Man-of-Jerusalem, OATH Index No. 1021/91 (Nov. 12, 1991).

¶ 2. A party before OATH is not required to appear by an attorney. Fire Department v. Durkin, OATH Index No. 309/90 (Mar. 28, 1991).

¶ 3. Where taxicab medallion owners defaulted at license revocation hearing, an attorney retained by a taxi management company who represents that he is in the process of contacting the medallion owners to offer his services, lacks standing under paragraphs (c) and (d) of this section to file motions to vacate the medallion owners' defaults. Taxi and Limousine Commission v. West, OATH Index Nos. 1131, 1133-37/94 (Aug. 19, 1994); Taxi and Limousine Commission v. Borko, OATH Index Nos. 1117-24 (July 18, 1994).

¶ 4. Counsel must file a notice of appearance before he could appear on behalf of respondent in the proceeding. **Taxi and Limousine Comm'n v. Surinder,** OATH Index No. 825/99, letter decision dated Nov. 30, 1998.

¶ 5. Where respondent failed to appear for trial and his union-provided counsel asked for an adjournment based upon respondent's representation to a union representative that he had to leave the state to attend to a sick parent, the respondent was declared in default because he had not authorized anyone to appear on his behalf pursuant to this rule. **Health and Hospitals Corp. (Elmhurst Hospital Center) v. Mosley**, OATH Index No. 206/00 (Nov. 15, 1999).

¶ 6. Where attorney was present at the hearing to represent respondent but had not filed a notice of appearance, the attorney was not authorized to appear or seek relief in the form of an adjournment under subsection (c). **Health and Hospitals Corp. (Bellevue Hospital Center) v. Page,** OATH Index No. 1623/01 (May 9, 2001).

¶ 7. Upon respondent's failure to appear on date of scheduled hearing, union counsel had no standing to participate in the proceedings and was excused where counsel represented that respondent had failed to respond to all attempts to contact him. **Dep't of Correction v. Bomani,** OATH Index No. 1383/01 (July 20, 2001)

¶ 8. Under subsection (d) of this section union counsel had no standing to participate in the proceedings or to make an adjournment request on respondent's behalf where respondent had not given permission for counsel to represent him in the instant proceeding. **Dep't of Correction v. Chapman,** OATH Index No. 774/02 (May 6, 2002).

¶ 9. Under OATH's Rules of Practice, a party is deemed to have appeared as of the date of filing of a notice of appearance. Respondent owner was deemed to have appeared where he retained counsel well in advance of the hearing, and where counsel filed a notice of appearance and sought and obtained at least one adjournment of the proceeding. Having so appeared, respondent owner waived any objection to service of the petition. **Dep't of Buildings v. Owners, Occupants and Mortgagees of 116 East 73rd Street, Manhattan,** OATH Index No. 1807/02 (Jan. 24, 2003).

¶ 10. In a disciplinary hearing, an attorney appeared on behalf of respondent's union and requested an adjournment in order to contact respondent. The attorney lacked standing to make the request for an adjournment under this rule and respondent was found in default. **Human Resources Admin. v. Messam,** OATH Index No. 1437/03 (May 30, 2003).

¶ 11. An attorney appeared for respondent's union and represented that he had not had contact with respondent. Pursuant to this rule, a person may not appear on behalf of a party unless he or she has been retained by that party to represent that party before OATH. **Human Resources Admin. v. Crawford,** OATH Index No. 265/04 (Sept. 16, 2003).

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER B RULES OF CONDUCT

§1-12 Withdrawal and Substitution of Counsel.

(a) An attorney who has filed a notice of appearance shall not withdraw from representation without the permission of the administrative law judge, on application. Withdrawals shall not be granted unless upon consent of the client or when other cause exists as delineated in the applicable provisions of the Code of Professional Responsibility.

(b) Notices of substitution of counsel may be served and filed more than twenty days before trial without leave of the administrative law judge. Applications for later substitutions of counsel shall be granted freely absent prejudice or substantial delay of proceedings.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Absent any mandatory basis for withdrawal of counsel under the Code of Professional Responsibility, and absent any persuasive reason for the respondent's last-minute desire to replace counsel, who had represented him through 15 months of pre-trial proceedings, counsel's application for leave to withdraw was denied. Department of

Correction v. Rebecca, OATH Index No. 151/94 (Oct. 21, 1993).

¶ 2. The requirement that counsel seek leave to withdraw has several purposes, including protecting all parties' rights, monitoring and regulating the practice of the bar before the tribunal, ensuring that adjudication proceeds expeditiously and in an orderly fashion, and protecting the public interest in efficient application of this tribunal's resources. **Department of Correction v. Lewis,** OATH Index No. 1316/95 (May 31, 1995).

¶ 3. An attorney who has appeared pursuant to §1-11 of these rules may not unilaterally withdraw. However, because not all Loft Law cases are adjudicated before this tribunal, withdrawal of counsel before referral of the case to this tribunal is not governed by this tribunal's rules. **Matter of Ancona,** OATH Index Nos. 116/96, 621/96, 623/96 (Dec. 8, 1995).

¶ 4. Where counsel delayed seeking leave to withdraw from representation of the petitioner until too late for the petitioner to retain new counsel in time for trial, the motion to withdraw was denied notwithstanding fee dispute between counsel. **Matter of SMJ Management Corp.,** OATH Index No. 1505/95 (Nov. 21, 1995), **aff'd sub nom. SMJ Management Corp. v. New York City Loft Board,** Index No. 103595/96 (Sup. Ct. N.Y. Co. Feb. 6, 1997).

¶ 5. Counsel's bare statement that some other attorney, unknown to counsel, had taken over representation of the respondent, is an insufficient basis for granting leave to withdraw from representation of the respondent. **Department of Correction v. Lewis,** OATH Index No. 1316/95 (May 31, 1995).

¶ 6. Having previously appeared in the proceeding by attending the pre-trial conference, counsel must seek permission of the administrative law judge in order to withdraw from representing a party scheduled for a hearing. **Matter of Wilson,** OATH Index No. 1573/97 (Mar. 20, 1998), **aff'd,** Loft Bd. Order No. 2280 (Sept. 24, 1998).

¶ 7. Counsel for respondent sought to withdraw on the third and final day of trial based solely on respondent's desire to change counsel. In denying the motion, the administrative law judge found that a simultaneous request to adjourn the proceedings in order for new counsel to prepare demonstrated that substitution would substantially delay the proceedings. The matter had been pending for several months, and more than one month between the second and third day of trial had elapsed. No apparent reason existed that substitution could not have been made earlier so that new counsel would have been ready for the final trial date, or that respondent could have found new counsel who was available on that date. **Dep't of Sanitation v. Garcia,** OATH Index No. 1140/98 (May 1, 1998).

¶ 8. Pursuant to this rule, an attorney who has filed a notice of appearance shall not withdraw from representation without the permission of the administrative law judge, on application. At the end of a second day of trial, respondent's counsel requested the tribunal's permission to withdraw from representing respondent. The application was denied. On the third day of trial, when respondent indicated that she no longer wished that the attorney represent her, the administrative law judge relieved the attorney from representing respondent and the attorney withdrew. **Dep't of Correction v. Shepheard,** OATH Index No. 965/03 (Nov. 6, 2003).

¶ 9. Administrative law judge granted attorney's application to withdraw based on client's consent and the preliminary stage of the proceeding. **Matter of Rosario**, OATH Index No. 1692/04, mem. dec. (Aug. 31, 2004).

¶ 10. In an employee disciplinary proceeding at OATH, the union is not a party, and counsel appears as attorney for the employee. Therefore, the attorney's motion to withdraw from hearing is governed by OATH's rule of practice and the lawyer's Code of Professional Responsibility, not federal, state or local labor law. **Health & Hospitals Corp. (Harlem Hospitals Center) v. Norwood**, OATH Index No. 143/05, mem dec. (Mar. 7, 2005). ALJ rejects argument by union-retained counsel that he should have been permitted to withdraw because he was instructed by the union to withdraw from the proceeding since the employee failed to appear at the scheduled hearing and that the union, and not the employee, is his client.

¶ 11. Withdrawal of counsel granted based on irreconcilable differences between attorney and client. **13 East 17 th**

Street Tenants v. 13 East 17 th Street, LLC, OATH Index Nos. 1343/03, 1357/03 & 1358/03, mem. dec. (Apr. 29, 2005).

¶ 12. Counsel's motion to withdraw, made four days before scheduled completion date in protracted litigation, was denied. **Matter of Slotkin**, OATH Index No. 690/06 (May 29, 2007).

¶ 13. An attorney who has filed a notice of appearance may not withdraw from representation without the permission of the client or as delineated in the Code of Professional Responsibility. A motion to withdraw based on the respondent's failure to appear at the hearing and the attorney's inability to contact him was denied when the ALJ found no indication that the attorney had taken steps to avoid prejudice to the respondent, including giving due notice of her intention to withdraw. **Health & Hospitals Corp. (Lincoln Medical & Mental Health Center) v. Wolf**, OATH Index No. 2153/08 (June 3, 2008), **adopted**, Senior Assoc. Executive Director's Dec. (July 9, 2008).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial

implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

48 RCNY 1-13

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER B RULES OF CONDUCT

§1-13 Conduct; Suspension from Practice at OATH.

(a) Individuals appearing before OATH shall comply with the rules of this chapter and any other applicable rules, and shall comply with the orders and directions of the administrative law judge.

(b) Individuals appearing before OATH shall conduct themselves at all times in a dignified, orderly and decorous manner. In particular, at the hearing, all parties, their attorneys or representatives, and observers shall address themselves only to the administrative law judge, avoid colloquy and argument among themselves, and cooperate with the orderly conduct of the hearing.

(c) Attorneys and other representatives appearing before OATH shall be familiar with the rules of this title.

(d) Attorneys appearing before OATH shall conduct themselves in accordance with the canons, ethical considerations and disciplinary rules set forth in the code of professional responsibility in their representation of their clients, in their dealings with other parties, attorneys and representatives before OATH, and with OATH's administrative law judges and staff.

(e) Willful failure of any person to abide by the standards of conduct stated in paragraphs (a) through (d) of this section, may, in the discretion of the administrative law judge, be cause for the imposition of sanctions. Such sanctions

may include formal admonishment or reprimand, assessment of costs or imposition of a fine, exclusion of the offending person from the proceedings, exclusion or limitation of evidence, adverse evidentiary inference, adverse disposition of the case, in whole or in part, or other sanctions as the administrative law judge may determine to be appropriate. The imposition of sanctions may be made after a reasonable opportunity to be heard. The form of the hearing shall depend upon the nature of the conduct and the circumstances of the case.

(f) In the event that an attorney or other representative of a party persistently fails to abide by the standards of conduct stated in paragraphs (a) through (d) of this section, the chief administrative law judge may, upon notice to the attorney or representative and a reasonable opportunity to rebut the claims against him or her, suspend that attorney or representative from appearing at OATH, either for a specified period of time or indefinitely until the attorney or representative demonstrates to the satisfaction of the chief administrative law judge that the basis for the suspension no longer exists.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

NOTE

1. Statement of Basis and Purpose in City Record Oct. 19, 2005:

Pursuant to §§1043 and 1049 of the City Charter, the Chief Judge hereby amends various sections in Chapter 1 of Title 48 of the Rules of the City of New York (RCNY), the "Rules of Practice Applicable to Cases at OATH Generally," §§2-01, 2-03 and 2-07 of Subchapter A of Chapter 2 of Title 48 RCNY, "Additional Rules for Pre-qualified Vendor Appeals," repeals Subchapter B of Chapter 2 of Title 48 RCNY, "Additional Rules for Debarment Cases" and amends §3-01 of Chapter 3 of Title 48 of the RCNY, "Fitness and Discipline Hearings for OATH Employees."

Chapter 1 of Title 48 has not been changed since the last rule revision in 1998. During the ensuing years, there have been instances where OATH Administrative Law Judges have discovered that certain provisions in Chapter 1 were unclear and that practices have developed which are inconsistent with the text of the rules. The changes to Chapter 1 clarify existing rules and ensure that the text of the rules comports with the principles of good administrative trial practice. Among other things, the amendments provide for electronic filing of papers, provide procedures for requesting reasonable accommodation for people with disabilities, and provide sanctions for not complying with the standards of conduct.

The amendments to the "Additional Rules for Prequalified Vendor Appeals" clarify the method for calculating the deadline for a respondent to file an answer to the petition and reflect that an applicable Procurement Policy Board rule has been renumbered.

The "Additional Rules for Debarment Cases" are repealed due to amendments to §335 of the City Charter in 2001, which repealed provisions for OATH to hear debarment cases. The current §335 does not provide for an OATH hearing.

The amendment to the rule for "Fitness and Discipline Hearings for OATH Employees" reflects the correct charter section authorizing such proceedings.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Where counsel failed properly to move to withdraw as counsel, disregarded instructions of the administrative law judge to appear for trial as scheduled, and wrote letters to the administrative law judge that were manifestly inappropriate as a form of address by counsel to a judge, he was found to have violated paragraph (a) of this section,

was formally reprimanded, and was cautioned that future violations might result in imposition of the more severe sanctions provided by paragraph (b) of this section. **Department of Correction v. Lewis,** OATH Index No. 1316/95 (May 31, 1995).

¶ 2. Although some of the language in paragraph (a) of this section pertains to trial misconduct, the requirement of "dignified, orderly and decorous" conduct applies at all times and in all proceedings before this tribunal. Matter of Harmacol Realty Co., OATH Index No. 1975/96 (Dec. 12, 1996).

¶ 3. For failure without excuse to comply with the administrative law judge's order at the commencement of the case to submit a notice of appearance by a certain date, and failure to comply with §1-11(c) of these rules by orally arguing a motion for an adjournment of a settlement conference without having submitted a notice of appearance, counsel who had not previously been formally sanctioned was formally admonished pursuant to paragraph (a) of this section. Matter of Harmacol Realty Co., OATH Index No. 1975/96 (Dec. 12, 1996).

¶ 4. The administrative law judge cautioned attorney for failing to disclose prior adverse holdings and for repeatedly asserting issues that have been previously adjudicated. In post-trial submissions, attorney raised several defenses to the padlock law but did not disclose that a prior decision by this tribunal had considered and rejected these same legal defenses. **Dep't of Buildings v. Owners, Occupants & Mortgagees of 2377 Grand Avenue, Bronx,** OATH Index No. 1061/98 (June 12, 1998).

¶ 5. After an adjournment request was denied on the third and final day of trial, the administrative law judge instructed the parties to proceed. Counsel and respondent elected to leave the hearing, claiming they were unprepared to go forward. Pursuant to this section, the administrative law judge issued a warning to counsel for violating OATH's rules and administrative law judge's direction, as well as the applicable provision of the disciplinary rules, DR 2-110 (A)(1). **Dep't of Sanitation v. Garcia,** OATH Index No. 1140/98 (May 1, 1998).

¶ 6. Where counsel misrepresented legal precedent by inserting favorable language to his position in his brief, counsel was admonished that he would be subject to the penalties provided under this section if it occurred again. **Taxi and Limousine Commission v. Ouali,** OATH Index No. 1855/00, mem. dec. (Feb. 16, 2000).

¶ 7. Attorney is sanctioned for issuing his own subpoenas, not on notice to this tribunal or his adversary, in violation of section 1-43. **Matter of Live Centre Tenants Assoc.,** OATH Index No. 834/05, mem. dec. (Mar. 2, 2006).

¶ 8. Sanctions may be imposed pursuant to subsection (e) of this section so long as there is a willful violation of OATH's rules. **Dep't of Transportation v. Jones**, OATH Index No. 1517/07, mem. dec. (May 10, 2007).

¶ 9. The imposition of sanctions for non-compliance with discovery is not limited to the provisions of 1-33(e). Sanctions may be imposed under subsection (e) of this section for the willful failure to comply with a discovery demand. **Dep't of Transportation v. Jones**, OATH Index No. 1517/07, mem. dec. (May 10, 2007).

¶ 10. Sanctions range from admonition of counsel to dismissal of the petition. A factor to consider when assessing the sanction was whether counsel's noncompliance was malicious or due to a failure to understand her obligations. Where counsel acts maliciously or in a calculated effort to disadvantage her adversary, a severe sanction is warranted. Dismissal of the petition with prejudice is a draconian sanction, not warranted, where, as here, it was not shown that counsel's non-compliance with discovery demands was done with a malicious intent to gain an advantage. **Dep't of Transportation v. Jones**, OATH Index No. 1517/07, mem. dec. (May 10, 2007).

¶ 11. Admonition is imposed as the sanction for counsel's willful, but not malicious, failure to comply with discovery demands. **Dep't of Transportation v. Jones**, OATH Index No. 1517/07, mem. dec. (May 10, 2007).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of

OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER B RULES OF CONDUCT

§1-14 Ex Parte Communications.

(a) Except for ministerial matters, and except on consent, in an emergency, or as provided in §l-31(a), communications with the administrative law judge concerning a case shall only occur with all parties present. If an administrative law judge receives an **ex parte** communication concerning the merits of a case to which he or she is assigned, then he or she shall promptly disclose the communication by placing it on the record, in detail, including all written and oral communications and identifying all individuals with whom he or she has communicated. A party desiring to rebut the **ex parte** communication shall be allowed to do so upon request.

(b) Communications between OATH and a party docketing a case, to the extent necessary to the placement of a case on the trial calendar or conference calendar pursuant to §1-26(a), shall be deemed to be ministerial communications. Communications between OATH and a party docketing a case, to the extent necessary to a request for expedited calendaring pursuant to §1-26(c), shall be deemed to be emergency communications.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Consent by one party to an **ex parte** communication by the other party must be conveyed by the consenting party to the administrative law judge. Human Resources Administration v. Morales, OATH Index No. 306/92 (Dec. 31, 1991).

¶ 2. Counsel's submission of motion papers to this tribunal by facsimile transmission, with a copy served on the opposing party by regular mail, constituted an improper **ex parte** communication. **Health and Hospitals Corporation, Emergency Medical Service v. Hermida,** OATH Index No. 715/95 (Mar. 28, 1995).

¶ 3. Counsel's application to cancel hearing, sent by facsimile to administrative law judge, without indication that it was served on counsel's adversary, was an improper **ex parte** communication. **Human Resources Admin. v. Khoury-King,** OATH Index No. 836/99 (Dec. 2, 1998).

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-22 The Petition.

The petition shall include a short and plain statement of the matters to be adjudicated, and, where appropriate, specifically allege the incident, activity or behavior at issue as well as the date, time, and place of occurrence. The petition shall also identify the law, rule, regulation, contract provision, or policy that was allegedly violated and provide a statement of the relief requested. If the petition does not comply with this provision, the administrative law judge may direct, on the motion of a party or sua sponte, that the petitioner re-plead the petition.

HISTORICAL NOTE

Section amended City Record Aug. 19, 2009 §1, eff. Sept. 18, 2009. [See Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

NOTE

1. Statement of Basis and Purpose in City Record Aug. 19, 2009:

OATH held a public hearing on proposed amendments to its Rules of Practice on July 24, 2009. One person had submitted written comments regarding the proposed rule changes but no one testified at the hearing.

OATH has amended various sections of its Rules of Practice, found in Chapter 1 of Title 48 of the Rules of the City of New York, to make the hearing process more transparent and efficient, while continuing to provide fair and impartial treatment for parties and litigants.

Section 1-22 was amended to improve pleading practice at OATH. Pleadings are to be construed liberally. However, when a petition does not adequately place a respondent on notice of the allegations and the remedy sought or when multiple charges are written in duplicative fashion or are confusing, adjudication of the matter can be delayed or complicated. The amended rule gives the administrative law judge authority to direct the petitioner to re-plead the petition, which will allow the proceeding to go forward in an efficient manner.

Section 1-32 has been amended to permit an administrative law judge to remove a case from the calendar. The amended rule provides a tool to avoid a long or indefinite continuation of the proceedings when the parties are not ready for trial or conference. It is intended to allow the ALJ to assess the readiness of the parties for trial in a period of time that is consistent with OATH's calendar management standards.

Appropriate language assistance services are needed so that parties and witnesses whose primary language is not English can participate in conferences and trials. Interpreters are also needed to ensure that a complete and accurate hearing record is made. Section 1-44 was amended to improve the quality of language assistance services provided at OATH conferences and hearings. The old rule, which allowed for the use of a friend or relative of a witness or party to act as an interpreter, did not ensure that an accurate and reliable translation was made. In addition, the old rule placed the burden of obtaining an interpreter on the party who needs it. Because OATH has access to quality language assistance services, the amended rule makes OATH responsible for ensuring that appropriate services are provided.

The amendment of §1-49 addresses publication of OATH decisions. While there is a presumption that administrative proceedings are open to the public, various statutes and rules require that certain information remain confidential. The amended rule is intended to ensure that confidential information is not published in a decision in contravention of applicable law or rules, without departing from OATH's policy of maintaining open proceedings.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Pleadings do not serve a jurisdictional purpose in administrative proceedings, only a notice-giving function. Department of Buildings v. 2837-39 Decatur Avenue, Bronx, New York, OATH Index No. 349/94 (Jan. 10, 1994).

¶ 2. The purpose of administrative pleadings is notice, not jurisdiction, and a petition is sufficient if it affords notice of the matters to be adjudicated. Department of Buildings v. Owner, Occupants and Mortgagees of 31 West 11th Street, Apartments 6A and 6B, New York, OATH Index No. 990/94 (Aug. 26, 1994).

¶ 3. A petition need not be verified. Department of Buildings v. 232 Mount Hope Place, Bronx, New York, OATH Index No. 1207/94 (Oct. 28, 1994).

¶ 4. This section does not require any particular form of designation of parties, and does not refer to a caption. Therefore, the petition's reference to the premises in the caption and listing of the respondents below the caption is a matter purely of style, not of substance, and the listing of "occupants" rather than the names of the occupants is a reasonably precise description which the movant had no trouble recognizing as applying to her. Department of Buildings v. Owner, Occupants and Mortgagees of 31 West 11th Street, Apartments 6A and 6B, New York, OATH Index No. 990/94 (Aug. 26, 1994).

¶ 5. A petition alleging commercial use of premises in a residential zone need not plead the non-existence of a legal non-conforming use, because the doctrine of prior non-conforming use is an affirmative defense. Department of Buildings v. 232 Mount Hope Place, Bronx, New York, OATH Index No. 1207/94 (Oct. 28, 1994).

¶ 6. Where the petition erroneously alleged that the date of occurrence was one day before that stated in all other

documentation, notice to the respondent of the petitioner's claim was sufficient, and the respondent was afforded an adequate opportunity to prepare a defense. **Department of Correction v. Cross,** OATH Index No. 1109/95 (Aug. 9, 1995).

¶ 7. Although it is the better practice that the petition specify the rule allegedly violated by the respondent, failure to cite the rule is not fatal to the petition where the respondent was not prejudiced by the failure. **Health and Hospitals Corporation, Harlem Hospital v. Case,** OATH Index No. 595/95 (Apr. 6, 1995).

¶ 8. Where the petition alleged that the respondent was absent from her job, without leave, "since" a stated date, and where the trial evidence showed that the respondent's absence without leave was still ongoing as of the time of trial, the petition adequately pleaded a continuous period of absence without leave beginning on the stated date and continuing until the time of trial. **Health and Hospitals Corporation, Harlem Hospital v. Case,** OATH Index No. 595/95 (Apr. 6, 1995).

¶ 9. A petition that alleged that the respondent engaged in hugging and kissing a student over a period of several months was not inadequately specific pursuant to this section, because the petition alleged continuing conduct over the time period alleged, and because material produced to the respondent during pre-trial discovery revealed that the petitioner's evidence included an allegation that the respondent had engaged in the hugging and kissing approximately every other day during the time period at issue. Board of Education v. Blackson, OATH Index No. 1715/97 (Dec. 10, 1997).

¶ 10. As a threshold matter, the party filing a petition must possess the right to an administrative hearing pursuant to statute, rule, collective bargaining agreement or other legal provision. Petitioner, a base station licensee whose license had been suspended prior to hearing, filed a petition requesting a hearing and seeking termination of the pre-hearing suspension imposed by the Taxi and Limousine Commission. Although the petition meets the requirements of this rule-it alleges a wrong and asserts a claim to relief-the Commission's motion to dismiss was granted because there is no law or regulation which requires an administrative hearing when a licensee seeks termination of a pre-hearing suspension. **Haven Car Service Corp. v. Taxi and Limousine Comm'n,** OATH Index No. 994/98, mem. dec. (Feb. 9, 1998).

¶ 11. Under section 17-346(a) of the NYC Administrative Code, the Dangerous Dog Regulation and Protection Law, a dog previously determined to be dangerous may be immediately impounded if its owner is found in violation of a previous order of the Commissioner. Under section 17-346(b), the owner may request a hearing to determine whether the dog should be returned to his or her custody. **Dep't of Health v. Yosupov,** OATH Index No. 1551/98 (July 23, 1998).

¶ 12. In vehicle retention hearing, administrative law judge found petition, alleging vehicle is being retained for forfeiture as an instrumentality of a crime following owner/driver's arrest for reckless endangerment and reckless driving, provided sufficient notice under section 1-22, which requires only "a short and plain statement of the matters to be adjudicated." **Police Dep't v. Fung**, OATH Index No. 1195/05, mem dec. (Jan. 27, 2004).

¶ 13. Disciplinary pleadings should be designed to simply and concisely place employee on notice of what he or she has allegedly done wrong. Petitioner was criticized for confusing and verbose petition which itemized ten incidents in 28 redundant, cross-referenced paragraphs. **Admin. for Children's Services v. Papa**, OATH Index No. 1622/05 (Aug. 30, 2005), **modified on penalty**, Comm's Dec. (Oct. 21, 2005).

¶ 14. Disciplinary pleadings should be designed to simply and concisely place an employee on notice of what he or she has allegedly done wrong. Cross-referencing the paragraphs and repeating specifications numerous times under multiple charges and specifications leads to confusing and overly verbose pleadings. The better practice is to provide a single factual allegation with a citation to the agency rules alleged to have been violated. **Dep't of Homeless Services v. Aigbedion**, OATH Index No. 2340/07 (Nov. 2, 2007).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a

transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 1-23

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-23 Service of the Petition.

(a) The petitioner shall be responsible for serving the respondent with the petition. The petition shall be accompanied by a notice of the following: the respondent's right to file an answer and the deadline to do so under §1-24; the respondent's right to representation by an attorney or other representative; and the requirement that a person representing the respondent must file a notice of appearance with OATH. The notice shall include the statement that OATH's rules of practice and procedure are published in Title 48 of the Rules of the City of New York, and that copies of OATH's rules are available at OATH's offices or on OATH's website www.nyc.gov/oath.

(b) Service of the petition shall be made pursuant to statute, rule, contract, or other provision of law applicable to the type of proceeding being initiated. Absent any such applicable law, service of the petition shall be made in a manner reasonably calculated to achieve actual notice to the respondent. Service by certified mail, return receipt requested, contemporaneously with service by regular first-class mail, shall be presumed to be reasonably calculated to achieve actual notice. Appropriate proof of service shall be maintained.

(c) A copy of the petition and accompanying notices, with proof of service, shall be filed with OATH at or before the commencement of the trial.

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

Subd. (a) amended City Record Aug. 19, 2009 §2, eff. Sept. 18, 2009. [See T48 §1-22 Note 1]

CASE AND ADMINISTRATIVE NOTES

¶ 1. Where the individual respondent is sole owner of the corporate respondent, and service of the petition was made by certified mail to the individual respondent's last known residence address in New York and to the corporate respondent's address on file with the petitioner, but the petitioner subsequently learned of the individual respondent's relocation to Florida, service of the petition was inadequate because it was not reasonably calculated under all of the circumstances to give the respondents actual notice of the petition. Taxi and Limousine Commission v. Larch Cab Corp., OATH Index No. 363/94 (Nov. 29, 1993).

¶ 2. Where the petitioner-employer had no record of the respondent-employee's apartment number, but made service of the petition by posting a copy on the door of the apartment building at the respondent's last known address and mailing copies to the same address, and the petitioner made no attempt to serve the respondent at his workplace, service of the petition was not reasonably calculated to give the respondent actual notice of the petition. Human Resources Administration v. Garrido, OATH Index No. 213/94 (Sept. 14, 1993).

¶ 3. Actual notice to the respondent of the petition and the trial date, which can be inferred from the respondent's attendance with her attorney at a pre-trial conference at which the trial date was fixed, waives the defects in the petitioner's proof of service under the rules applicable to an employee disciplinary case (Personnel Director's Rules, Appendix A to 59 RCNY). Human Resources Administration v. Rice, OATH Index No. 455/93 (Mar. 1, 1993).

¶ 4. Service of the petition, like the content of the petition, is concerned primarily with fair notice. Department of Buildings v. Owner, Occupants and Mortgagees of 31 West 11th Street, Apartments 6A and 6B, New York, OATH Index No. 990/94 (Aug. 26, 1994).

¶ 5. In an employee disciplinary case, service of the petition by attempted personal service and certified mail to the respondent's last known address was adequate, where it appeared that the address was no longer the employee's residence, but the employing agency had no information regarding a new address. Department of Correction v. Echevarria, OATH Index No. 957/94 (May 19, 1994).

¶ 6. Strict adherence to rules regulating service is not required when actual notice of the petition is given to the respondent. Board of Education v. Earl, OATH Index No. 494/95 (Nov. 28, 1994).

¶ 7. Actual notice of the petition waives technical defects in the manner of service. Department of Buildings v. Owner, Occupants and Mortgagees of 31 West 11th Street, Apartments 6A and 6B, New York, OATH Index No. 990/94 (Aug. 26, 1994).

¶ 8. Given actual notice of the petition, technical defects in service are not jurisdictional. Department of Buildings v. Bellman, OATH Index No. 1100/93 (Apr. 11, 1994).

¶ 9. Notice of petition stating that the respondent may answer within the time provided by this section, rather than stating the date, could be improved, but is sufficient. Department of Buildings v. Owner, Occupants and Mortgagees of 31 West 11th Street, Apartments 6A and 6B, New York, OATH Index No. 990/94 (Aug. 26, 1994).

¶ 10. Although the better practice would be for the notice of petition to refer to §1-24, and to state the deadline for submission of an answer, reference to this section was adequate. Department of Buildings v. 2837-39 Decatur Avenue, Bronx, New York, OATH Index No. 349/94 (Jan. 10, 1994).

¶ 11. Under paragraph (b) and (c) of this rule, written proof of service must be maintained by the petitioner, and filed before trial. Also, where the petitioner's counsel has additional information that shows that the respondent received actual notice of the petition and trial, the better practice is for counsel to prepare an affidavit to relate that information. Board of Education v. Earl, OATH Index No. 494/95 (Nov. 28, 1994).

¶ 12. The Civil Practice Law and Rules does not apply to administrative proceedings, and therefore the CPLR does not govern service of the petition. **Department of Buildings v. Owner, Occupants and Mortgagees of 845 Walton Avenue, Bronx, New York,** OATH Index No. 234/95 (Jan. 19, 1995).

¶ 13. Service of the petition in administrative adjudication is for purposes of notice, not jurisdiction, and therefore, where the respondent receives actual notice of the petition, technical defects in service are disregarded. **Department of Buildings v. Owner, Occupants and Mortgagees of 845 Walton Avenue, Bronx, New York,** OATH Index No. 234/95 (Jan. 19, 1995).

¶ 14. An inference that the respondent had actual notice of the petition and of the trial date was based on evidence that, in seeking to retain counsel, the respondent told two different attorneys of the trial date and time. **Taxi and Limousine Commission v. Min,** OATH Index No. 669/96 (Nov. 13, 1995).

¶ 15. Because the rules of the City Personnel Director (appendix A to title 55, RCNY) apply to the Board of Education, those rules, not paragraph (b) of this section, govern the means of service of a petition in an employee disciplinary case brought by the Board of Education. Board of Education v. Roman, OATH Index No. 1555/97 (Sept. 30, 1997).

¶ 16. Where an employee was required by the employer's rules of conduct to keep his current address on file with the employer, service of notice of employee disciplinary proceedings by mail to the employee's address of record was sufficient service pursuant to paragraph (b) of this section. Health and Hospitals Corporation, Jacobi Medical Center v. Williams, OATH Index No. 282/97 (Oct. 30, 1996).

¶ 17. Where the statute of limitations on service of employee disciplinary charges expired the day before personal service was effected, but the respondent had intentionally evaded attempts at service of employee disciplinary charges during the three days before expiration of the statute of limitations, the respondent was estopped from asserting a statute of limitations defense. Board of Education v. Roman, OATH Index No. 1555/97 (Sept. 30, 1997).

¶ 18. The notices that must accompany service of the petition pursuant to paragraph (a) of this section are required for service of the original petition, but are not required for service of amendments to the petition. Transit Authority v. Smallwood, OATH Index No. 442/96 (Aug. 8, 1997).

¶ 19. Service of petition and notice of hearing by regular and certified mail to respondent's last known address was reasonably calculated to give actual notice to respondent, even in the face of information showing the address might no longer be valid, where respondent did not satisfy its obligation to inform the contracting agency or the Comptroller that it was moving. **Office of the Comptroller v. Goliath Allied Corp.,** OATH Index No. 1650/98 (July 10, 1998).

¶ 20. The administrative law judge found service at a foreign address provided by respondent was sufficient to give respondent actual notice of the proceeding. Inasmuch as respondent reported that he would be residing at a foreign address, personal service at his local address was unnecessary. **Dep't of Environmental Protection v. Zaza,** OATH Index No. 516/99 (Oct. 16, 1998).

¶ 21. Service of the petition provided respondent with actual notice of the proceeding since he appeared at the informal conference. Service of the notice of hearing sent to an address provided by respondent at the informal conference, was reasonably calculated to give respondent actual notice of the hearing where mail sent to respondent's address of record had been returned undelivered. **Dep't of Homeless Services v. Harrison,** OATH Index No. 396/98 (Dec. 19, 1997).

¶ 22. Service to respondent's last known address was reasonably calculated to achieve actual notice and was legally sufficient, whether or not actual notice was achieved. **Dep't of Finance v. Stevens**, OATH Index No. 1294/99 (Feb. 26, 1999).

¶ 23. Indication on personnel papers that respondent's absence was originally due to "incarceration" raised question of whether proper service of charges was made. Evidence showed that personal service on admitted relative of respondent at last known address was accomplished prior to hearing. Administrative law judge determined that service was sufficient to afford respondent opportunity to communicate with counsel or the agency prior to date of hearing. **Human Resources Admin. v. Hartley**, OATH Index No. 1829/99 (June 9, 1999).

¶ 24. Petitioner, following original default hearing, discovered additional address for respondent in agency files and moved to re-open. Administrative law judge allowed additional service of notice of petition and hearing and new hearing date. Agency provided proper proof of service on three addresses known for respondent. Upon failure of respondent to appear, administrative law judge was satisfied notice was proper and record was closed. **Human Resources Admin. v. Pancham,** OATH Index No. 965/00 (Mar. 21, 2000).

¶ 25. Respondent was properly served with the notice of hearing and charges when they were handed to her, even though she refused to sign an acknowledgment. **Dep't of Transportation v. Deloach,** OATH Index No. 2287/00 (Oct. 18, 2000).

¶ 26. Upon respondent's failure to appear at the hearing, affidavits demonstrating that the required documents were sent by regular and certified mail to respondent's address of record and an unsuccessful attempt at personal service were reasonably calculated to achieve actual notice to respondent. **Administration for Children's Services v. Esonwune,** OATH Index No. 240/01 (Jan. 10, 2001).

¶ 27. In a zoning violation proceeding, the commercial occupant, the mortgagees of record, one mortgagor of record and a taxpayer of record made no appearance and were declared in default upon showing of proper service of notice of the hearing and petition pursuant to this section. Testimony, photographs, reports and other documentary evidence established an illegal use of a portion of the first floor of the building for a commercial barber shop. **Dep't of Buildings v. Owners, Occupants, and Mortgagees of 86 West 183rd Street, Bronx,** OATH Index No. 595/01 (Apr. 9, 2001).

¶ 28. Where owner and occupant made no appearance in a zoning violation proceeding, they were declared in default upon a showing of proper service of notice of the hearing and petition under this section. **Dep't of Buildings v. Owners, Occupants, and Mortgagees of 304 Echo Place, Bronx,** OATH Index No. 1534/01 (June 11, 2001).

¶ 29. Proof of service on respondents established their default under this section. Testimony, photographs, reports and other documentary evidence established illegal use of premises as an auto repair, auto storage and salvage facility in violation of zoning resolution. **Dep't of Buildings v. 111-64 166th Street, Queens,** OATH Index No. 1735/01 (June 6, 2001).

¶ 30. A letter informing respondent of the date, time and place of the hearing that was served at respondent's last known address of record established jurisdictional prerequisite for finding respondent in default. **Dep't of Correction v. Bomani,** OATH Index No. 1383/01 (July 20, 2001).

¶ 31. Refusal to accept service did not bar a finding of personal service where investigator handed the notice to respondent, who reviewed the papers, but would not accept them. **Dep't of Correction v. Johnson,** OATH Index No. 1992/01 (Aug. 16, 2001).

¶ 32. Owner and occupants were served either personally or by affixing the notice of petition at the premises. Each of the owners and occupants were further served by mailing a copy of the petition and notice of hearing to the premises. Mortgagor and mortgagee were served by mail at addresses of record. Service was found to be sufficient to establish the

jurisdictional prerequisites for finding respondents in default. **Dep't of Buildings v. Owners, Occupants and Mortgagees of 1410-1414 Vyse Avenue, Bronx,** OATH Index No. 699/02 (June 20, 2002).

¶ 33. Attempted personal service of charges at respondent's home address held sufficient, even where agency employees may have been aware of respondent's temporary absence from residence due to an in-patient rehabilitation program. **Fire Dep't v. Reinhard**, OATH Index No. 647/05 (Oct. 21, 2004).

¶ 34. Charges dismissed without prejudice when petitioner did not follow up its attempted personal service of the charges and notice of the hearing by registered mail. The ALJ required proof of service by registered mail and rejected petitioner's argument that returned mail gave constructive notice of respondent's change of address. **Dep't of Transportation v. Salib**, OATH Index No. 891/08 (Dec. 14, 2007).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-24 Answer.

The respondent may serve and file an answer to the petition within eight days of service of the petition if service was personal, or within thirteen days of service of the petition if service was by mail, unless a different time is fixed by the administrative law judge. In the discretion of the administrative law judge, the respondent may be required to serve and file an answer. Failure to file an answer where required, may result in sanctions, including those specified in §1-33(e).

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-25 Amendment of Pleadings.

Amendments of pleadings shall be made as promptly as possible. If a pleading is to be amended less that twenty-five days before the commencement of the hearing, amendment may be made only on consent of the parties or by leave of the administrative law judge on motion.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Applications to amend petitions are to be freely granted absent irremediable prejudiace; disposition of related claims in a single proceeding is vastly preferable to disposing of them piecemeal. Department of Correction v. Rebecca, OATH Index No. 151/94 (Sept. 17, 1993).

¶ 2. In a disability proceeding pursuant to Civil Service Law §71, amendment of petition, three weeks before trial, to allege unfitness due to an injury subsequent to the injury alleged in the original petition would not prejudice the respondent's ability to prepare for trial and explore pretrial settlement options. Department of Correction v. Rebecca,

OATH Index No. 151/94 (Sept. 17, 1993).

¶ 3. Where petition alleged that the respondent refused to submit to drug testing "on or about March 24, 1994," "at the 110 Pct.," but the trial evidence showed that the refusal occurred on March 23, 1994, at the 112th Precinct, motion to amend the petition accordingly was granted, given fair notice to the respondent of the events at issue, the insignificance of the precinct number, and the petition's use of the "on or about" formulation. Department of Correction v. Tirado, OATH Index No. 1213/94 (Aug. 17, 1994).

¶ 4. Where the petition alleged that the respondent "did kick and/or strike with a nightstick" but the trial evidence showed that the respondent punched the complainant, and where post-trial amendment of the petition to conform to the proof would not surprise or prejudice the respondent, such amendment was granted. **Police Department v. Coll,** OATH Index Nos. 245/95, 252/95 (Feb. 16, 1995).

¶ 5. Where the petition alleged that the respondent improperly locked inmates into their cells, but the trial evidence showed that the respondent ordered the lock-in but that the lock-in was never completed, the petition was amended after trial to conform to the proof. **Department of Correction v. Aikman,** OATH Index No. 267/96 (Nov. 24, 1995).

¶ 6. Although the petitioner gave no reason for presentation of a motion to amend the petition as late as the day of trial, the motion was granted where the respondent was unable, both before and after trial, to articulate any prejudice that accrued to the respondent by virtue of either the proposed amendment or the lateness of the motion to amend. **Matter of Zabari,** OATH Index No. 419/96 (Oct. 16, 1995), **aff'd sub nom. Zabari v. New York City Loft Board,** Index No. 107964/96 (Sup. Ct. N.Y. Co. Feb. 11, 1997).

¶ 7. Where a landlord's petition for a six-month extension of time to comply with the Loft Law was not answered by any tenant, the landlord's pre-trial motion to amend the petition to seek a one-year extension was granted on the condition that the petitioner serve the motion to amend on the tenants, who were given 30 days to answer the motion. **Matter of Pittis,** OATH Index No. 1197/95 (Aug. 14, 1995).

¶ 8. In a case that had been pending for several months, a motion made only days before trial to amend the petition to add a charge to the 30 charges in the original petition was denied on the ground that the new charge would protract the trial beyond the two days allotted for the trial of the original 30 charges. **Board of Education v. Drakeford,** OATH Index No. 1406/95 (Nov. 29, 1995).

¶ 9. A motion to conform the petition to the proof at trial must be denied where the respondent did not have fair notice of the new claim to be added and an opportunity to fully litigate it, and special care must be taken where the respondent did not appear for trial and litigate the issues. Department of Correction v. Griffith, OATH Index No. 925/96 (Dec. 23, 1996), modified as to penalty, Comm'r Decision (Feb. 18, 1997).

¶ 10. Where the original petition charged that the respondent had committed employee misconduct by the publication of magazines containing nude pictures of the respondent, but the trial evidence included no proof that the respondent was responsible for the publication of the magazines, a motion to conform the petition to the proof was granted to amend the petition to allege that the respondent committed misconduct by posing nude for pictures she knew or reasonably should have known would be published. Department of Correction v. Griffith, OATH Index No. 925/96 (Dec. 23, 1996), modified as to penalty, Comm'r Decision (Feb. 18, 1997).

¶ 11. The petitioner's motion to amend the petition at the commencement of trial to allege a new theory of liability was granted on the condition that petitioner agree to an adjournment of the trial. When petitioner elected to proceed to trial as scheduled, the motion to amend was denied. Department of Correction v. Boyce, OATH Index No. 789/97 (July 9, 1997).

¶ 12. Where the petition alleged misconduct on September 23, 1995, but the evidence pertained to September 3, 1995, and where it was clear that the respondent fully understood which date was at issue and was able to defend the

charge in spite of the error, the administrative law judge in rendering the report and recommendation deemed the petition to be amended to conform to the proof. Health and Hospitals Corporation/North Central Bronx Hospital v. Cross, OATH Index No. 315/97 (Jan. 27, 1997).

¶ 13. An amended petition pursuant to this section need not be served with the notices required upon service of the original petition pursuant to §1-23(a) of this chapter. Transit Authority v. Smallwood, OATH Index No. 442/96 (Aug. 8, 1997).

¶ 14. Where a proposed amendment to the petition pertained to the same incident as the original petition, and the amendment posed no irremediable prejudice to the respondent's defense, the amendment related back to the original petition and was not time-barred. Police Department v. Zisel, OATH Index No. 389/97 (Mar. 7, 1997), modified as to penalty, Comm'r Decision (Sept. 23, 1997).

¶ 15. Petitioner commenced prevailing wage proceeding against company A as the subcontractor on a city school construction project. Petitioner sought to amend its original petition in order to seek relief against company A as the prime contractor. The administrative law judge granted petitioner's application to amend where the relief sought against company A as the prime contractor was not substantially different from the relief sought when the proceeding was commenced against A as the subcontractor. **Office of the Comptroller v. Aim Construction Corp.,** OATH Index No. 1221/98 (May 18, 1998).

¶ 16. Agency permitted to proceed on amended charges, served two weeks prior to the trial by certified mail where service was acknowledged, uncontested and the amendment was a minor modification to the original charges. **Triborough Bridge and Tunnel Auth. v. Leibowitz,** OATH Index No. 1080/98 (July 24, 1998).

¶ 17. Administrative law judge granted application made at trial to amend the charge to allege continuing unauthorized absence (AWOL) through date of the hearing, as established by the evidence. Respondent was properly notified as to the essence of the charged misconduct, long term AWOL, and no prejudice would inure to respondent in circumstances, despite default nature of the proceeding. **Dep't of Correction v. Ottle,** OATH Index No. 485/99 (Dec. 1, 1998).

¶ 18. Administrative law judge permitted petitioner to conform the charges and specifications to the proof presented at the hearing where the original charge gave an incorrect date, petitioner presented a witness who established that the mistake was the result of a typographical error and respondent failed to demonstrate the change was prejudicial. **Dep't of Transportation v. McKoy,** OATH Index No. 199/98 (Jan. 9, 1998), **app. withdrawn,** NYC Civ. Serv. Comm'n Item No. CD 99-2-W (Feb. 12, 1999).

¶ 19. Building owner filed an application with the Loft Board seeking an extension of then existing legalization deadlines. While the application was pending, the legislature added new legalization deadlines, but Loft Board continued to process the application as one for a "retroactive extension" of the pre-existing deadlines. Amendment of the application was permitted to add a request for an extension of the new deadline to obtain a building permit. **Matter of Ken-Zen Institute, Ltd.,** OATH Index No. 897/98 (Feb. 24, 1998), **aff'd in part,** Loft Bd. Order No. 2235 (Mar. 24, 1998).

¶ 20. Agency's day of trial motion to amend the charges was denied where the new charges were never served on respondent. **Triborough Bridge and Tunnel Auth. v. Leibowitz,** OATH Index No. 1080/98 (July 24, 1998).

¶ 21. Pursuant to the relation back doctrine, petitioner was allowed to substitute amended charge, which referred to the complainant, for timely served original charge, which referred to the complainant's mother, since the amendment relates to the same events, involving the same officer and the same complainant on the same night in front of the same witnesses as the original charge. **Police Dep't v. Booth,** OATH Index No. 1208/98 (Aug. 18, 1998).

¶ 22. Petitioner's motion made at the close of the hearing to conform the charges to the proof to include charge of

disrespectful conduct, which occurred on the day after the date of the charged incident, was granted because the events of the second day were fully litigated at the hearing. Respondent had the opportunity to cross-examine petitioner's witness regarding this conduct and respondent was previously on notice of both dates involved in this matter. **Dep't of Correction v. Bovell**, OATH Index No. 1910/99 (Aug. 13, 1999).

¶ 23. Where first two specifications alleged the wrong date for the incident, it was appropriate to conform the charge to the proof where no one was prejudiced by the inaccuracy, and respondent and all other witnesses were aware of the incident charged. **Dep't of Correction v. Sostre-Valentin**, OATH Index No. 1923/99 (Sept. 22, 1999).

¶ 24. Charge of directing abusive language towards the passenger (35 RCNY § 2-60(a)) was conformed to proof of discourtesy (35 RCNY § 2-42). Administrative law judge credited the passenger's testimony that respondent had told her to shut up when she gave him her desired route. Administrative law judge found that the language used by respondent did not rise to the level of a 2-60(a) violation, because that rule addresses physical force and abuse. Nevertheless, the administrative law judge found that respondent's conduct amounted to a clear act of discourtesy, in violation of 2-42. **Taxi and Limousine Comm'n v. Ahmed**, OATH Index No. 1790/99 (May 3, 1999).

¶ 25. Agency served a new charge by electronic facsimile upon employee's attorney, without serving the employee himself. Although Personnel Director's rule 6.4.3 requires personal service of disciplinary charges on the employee, the rule has not been held to require personal service of amendments to charges, made after the employee has already been personally served with the initial charges and counsel had already appeared in the case. Under these circumstances, the administrative law judge found that there was no prejudice to respondent, that he had a fair opportunity to litigate the issue of the bribe, and that the motion to amend should therefore be granted. **Dep't of Sanitation v. Vaughan,**, OATH Index No. 2234/99 (Feb. 15, 2000), **aff'd,** NYC Civ. Serv. Comm'n Item No. CD00-100-SA (Nov. 15, 2000).

¶ 26. Park worker was charged with using or being under the influence of a controlled substance while on duty; proof established respondent's urine tested positive for cocaine metabolite. Held, test result, without more, did not establish that worker was under the influence of an illegal drug at work; Administrative law judge conforms charge to the proof that respondent's urine tested positive for cocaine metabolite. **Dep't of Parks and Recreation v. Nappa,** OATH Index No. 306/00 (Jan. 25, 2000), **modified on findings, aff'd on penalty,** Comm'r Dec. (Feb. 9, 2000).

¶ 27. Respondent moved to dismiss amended charge added after the eighteen-month limitations period provided in Civil Service Law § 75(4). Administrative law judge found that charge, as amended, should be allowed as the added specification arose out of the exact incident described in the original specification, in accordance with the relation-back doctrine of the New York Civil Practice Law and Rules and this tribunal's precedent, **citing** CPLR § 203(f); **Dep't of Correction v. Lee and Potter,** OATH Index Nos. 284-85/88 (Dec. 2, 1988). Here, the facts were the same, no new witnesses were asked for, no identified witnesses were unavailable, and respondent had ample time to prepare his defense. The issues were fully litigated at the hearing. **Police Dep't v. Strom,** OATH Index No. 546/00 (July 20, 2000).

¶ 28. A motion to amend a Human Rights complaint was granted to add one respondent and to delete two respondents on the basis of matters learned through discovery. Pursuant to 47 RCNY § 1-13 and this section, applications to amend pleadings shall be made as promptly as possible. **Silva v. Gitto,** OATH Index No. 263/01, mem. dec. (Jan. 18, 2001).

¶ 29. Petitioner was permitted to amend its charges as of right under this section against respondents after the statute of limitations had run because amendments did not so substantially alter the nature of the misconduct previously noticed to respondents as to have created new charges which should be time-barred. **Dep't of Correction v. Travers,** OATH Index Nos. 2499-02/00 (Feb. 28, 2001).

¶ 30. A motion to amend charges to include four and one-half year old conduct was denied where eighteen-month statute of limitations for service of disciplinary charges had long since passed, and where conduct was separate and distinct from other charge and where conduct was not unknown or actively concealed from petitioner. **Dep't of**

Correction v. Wilder, OATH Index No. 1636/00 (June 20, 2001).

¶ 31. Under this section, if amendment is sought less than twenty-five days before the commencement of the hearing, amendment may be made only on consent of the parties or by leave of the administrative law judge on motion. Administrative law judge denied motion to expand charges because it was made on the day of trial without any prior notice to respondent's counsel or to the tribunal. **Dep't of Correction v. Barnwell,** OATH Index No. 733/02 (Apr. 24, 2002).

¶ 32. Amendment of charges was timely where amendment was sought twenty-five days before trial and thus, did not require the permission of the administrative law judge under this section. **Dep't of Correction v. Battle,** OATH Index No. 1052/02 (Nov. 12, 2002).

¶ 33. At the commencement of trial, petitioner made a motion to amend charges to include that respondent submitted a false and misleading report regarding an incident of disrespect towards a supervisor. Because no explanation was provided why the charges could not have been amended in a timely manner, and given that amendment was substantial in nature, and would likely exacerbate any penalty, the administrative law judge denied the motion. **Dep't of Correction v. James,** OATH Index No. 1453/03 (July 29, 2003).

¶ 34. Counsel's insertion of allegation into her closing memorandum does not constitute a motion to amend the pleadings. Further, it would be unfair to amend the petition **suasponte** at such a late stage. **Dep't of Housing Preservation & Development v. Scharf**, OATH Index No. 2062/07 (Mar. 31, 2008).

¶ 35. In a license revocation hearing where a driver was charged with punching another driver in the face, ALJ denied request that she conform the petition to the proof that the driver had violated Commission rule when he grabbed and pulled another driver from his cab. **Taxi & Limousine Comm'n v. Sobczak**, OATH Index No. 1691//08 (Apr. 7, 2008), **modified on penalty**, Comm'r/Chair's Decision (May 9, 2008).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and

re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 1-26

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-26 Docketing the Case.

(a) A case shall be docketed by filing with OATH a completed intake sheet and either a petition or a written application for relief. Parties are encouraged to docket cases by electronic means. When a case is docketed, OATH shall place it on the trial calendar, the conference calendar, or on open status. Absent prejudice, cases involving the same respondent or respondents shall be scheduled for joint trials or conferences, as shall cases alleging different respondents' involvement in the same incident or incidents.

(b) When a case is docketed, it shall be given an index number and assigned to an administrative law judge. Assignments shall be made and changed in the discretion of the chief administrative law judge or his or her designee, and motions concerning such assignments shall not be entertained except pursuant to §1-27.

(c) OATH may determine that the case is not ready for trial or conference and may adjourn the trial or conference, or may remove the case from the trial or conference calendar and place it on open status. In addition, OATH may determine that the case should proceed on an expedited basis, and may direct expedited procedures, including expedited pre-trial and post-trial procedures, shortened notice periods, and/or expedited calendaring.

(d) The party docketing a case may do so **ex parte.** If the case is placed on the conference calendar or the trial calendar rather than on open status, the party may at the time of docketing also select a trial date and/or conference date

ex parte. However, OATH encourages selection of trial and conference dates by all parties jointly. In the event that a party selects a trial date or a conference date **ex parte,** that party shall serve the notice of conference or trial required by §1-28, within one business day of selecting that date. Whenever practicable, such notice shall be served by personal delivery or electronic means.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. When a petitioner selects a trial date **ex parte** upon docketing the case at OATH, the petitioner must serve notice of trial within one business day of selecting that date. However, absent prejudice to the respondent, the appropriate remedy was an admonishment of petitioner's counsel, not removal of the case from the trial calendar. New York City Transit Authority v. Brady, OATH Index No. 959/93 (Aug. 13, 1993).

¶ 2. In an employee disciplinary case, the agency's trial scheduling was ex parte notwithstanding the agency's consultations about available dates with the law firm representing the employee's union, because the employee had not yet retained the law firm, and because the law firm was not a party to either the telephone call or the written submission by which the agency subsequently docketed the case and scheduled the trial. Department of Correction v. Brown, OATH Index No. 1208/94 (Aug. 11, 1994).

¶ 3. Where trial is calendared by the petitioner ex parte, notice of trial must be served within one business day. In an employee disciplinary case, notice of the trial date given to the law firm representing the employee's union was courteous but inadequate where the employee had not yet retained the law firm. However, because the employee did not show that he was prejudiced by his imprompt receipt of notice of the trial date, the remedy for late notice was not an adjournment of trial, but an admonishment of petitioner's counsel. Department of Correction v. Brown, OATH Index No. 1208/94 (Aug. 11, 1994).

¶ 4. Although the petitioner failed to serve the respondent with notice of trial within one business day of the **ex parte** selection of the trial date as required by paragraph (d) of this section, no sanction was imposed on the petitioner, and the petitioner was permitted to proceed to trial in the respondent's absence, because the circumstances indicated that the respondent did not wish to defend the employee disciplinary charges against him and did not wish to retain his employment. Department of Correction v. Boyce, OATH Index No. 1227/97 (Apr. 29, 1997).

¶ 5. Where the case was docketed by one party **ex parte,** but trial was not scheduled at the time of docketing pursuant to paragraph (d) of this section, subsequent scheduling of trial may not be done by **ex parte** communication with the Calendar Unit but must be done by conference call to the administrative trial judge assigned to the case. Department of Health v. Protzel, OATH Index No. 613/98 (Dec. 10, 1997).

¶ 6. With its base station license pre-suspended by the Taxi and Limousine Commission, the licensee filed a petition with OATH, asking that a hearing on the underlying charges be scheduled. Although this rule permits the docketing of a matter by motion, since the Commission's rules expressly give the Commission discretion to defer a base license revocation proceeding until a reasonable time after the final disposition of related criminal charges, the motion to have a hearing scheduled must be denied. **Haven Car Service Corp. v. Taxi and Limousine Comm'n,** OATH Index No. 994/98, mem. dec. (Feb. 9, 1998).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 1-27

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-27 Disqualification of Administrative Law Judges.

(a) A motion for disqualification of an administrative law judge shall be addressed to that administrative law judge, shall be accompanied by a statement of the reasons for such application, and shall be made as soon as practicable after a party has reasonable cause to believe that grounds for disqualification exist.

(b) The administrative law judge shall be disqualified for bias, prejudice, interest, or any other cause for which a judge may be disqualified in accordance with §14 of the Judiciary Law. In addition, an administrative law judge may, **sua sponte** or on motion of any party, withdraw from any case, where in the administrative law judge's discretion, his/her ability to provide a fair and impartial adjudication might reasonably be questioned.

(c) If the administrative law judge determines that his or her disqualification or withdrawal is warranted on grounds that apply to all of the existing administrative law judges, the administrative law judge shall state that determination, and the reasons for that determination, in writing or orally on the record, and may recommend to the chief administrative law judge that the case be assigned to a special administrative law judge to be appointed temporarily by the chief administrative law judge. The chief administrative law judge shall either accept that recommendation, or, upon a determination and reasons stated in writing or orally on the record, reject that recommendation. A special administrative law judge shall have all of the authority granted to administrative law judges under this title.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Where two OATH judges will be material witnesses at trial, they are disqualified from presiding at trial due to their extra-record knowledge of the facts in issue, and other OATH judges are disqualified because their collegial relationship with the two witnesses could lead a reasonable person to question their impartiality. In such a case, the chief administrative law judge will appoint a special administrative law judge to preside. Human Resources Administration v. Man-of-Jerusalem, OATH Index No. 1021/91 (Sept. 6, 1991).

¶ 2. The fact that the administrative law judge ruled against the clients of an attorney in his three prior cases of a particular type does not demonstrate that the judge is biased against the attorney and his clients in the present case of the same type; nor would any reasonably objective observer so conclude. Police Department v. Lowe, OATH Index Nos. 923-24/94 (Oct. 21, 1993).

¶ 3. The respondent's post-trial application for recusal of the administrative law judge, alleging bias by the judge and an improper post-trial ex parte communication between the administrative law judge and the petitioner, was denied. The administrative law judge's initial reluctance to allow the requested time for the respondent's post-trial submission did not demonstrate bias against the respondent. The ex parte communication was inadvertent, occurring when the administrative law judge, rather than her secretary, answered a telephone call, and the respondent demonstrated no resulting prejudice. Department of Buildings v. Bellman, OATH Index No. 1100/93 (Apr. 11, 1994).

¶ 4. A loft tenant filed a challenge to her owner's rent increase application some three months after the deadline. Administrative law judge reviewed a prior challenge on the same matter included in the Loft Board file and, in a notice sent to the tenant, requested submissions on the apparent untimeliness of her challenge and also on prior stipulations settling the rent issue. The tenant filed a motion to disqualify the presiding administrative law judge and all other OATH administrative law judges, arguing that the judge's review of these files was improper because it was **ex parte** and constituted advocacy for the owner. Administrative law judge denied the motion finding that it lacked any legal or factual basis. **Matter of Breson Corp**., OATH Index No. 1758/99, mem. dec. (May 14, 1999).

¶ 5. Where the ALJ is not a party, has not been counsel to a party, and has no interest in or any relations to a party to the proceeding, there is no basis for mandatory recusal under Section 14 of the Judiciary Law. The rulings and conduct that respondent attributed to bias reflect the discretion inherent in the tribunal, and the attempt to conduct proceedings in a fair, balanced, and efficient manner. Motion to recuse ALJ on the ground of alleged bias denied. **Dep't of Housing Preservation and Development v. 331 W 22nd Street, LLC**, OATH Index No. 912/06, mem. dec. (May 15, 2006).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH

generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-28 Notice of Conference of Trial.

(a) When a case is placed on either the trial calendar or the conference calendar, and within the time provided in §1-26(d), if applicable, the party that placed the case on the calendar shall serve each other party with notice of the following: the date, time and place of the hearing or conference; each party's right to representation by an attorney or other representative at the hearing or conference; the requirement that a person representing a party at the hearing or conference must file a notice of appearance with OATH prior to the hearing or conference; and, in a notice of a hearing served by the petitioner, the fact that failure of the respondent or an authorized representative of the respondent to appear at the hearing may result in a declaration of default, and a waiver of the right to a hearing or other disposition against the respondent. The notice may be served personally or by mail, and appropriate proof of service shall be maintained. A copy of the notice of conference, with proof of service, shall be filed with OATH at or before the commencement of the conference. A copy of the notice of trial, with proof of service, shall be filed with OATH at or before the commencement of the trial.

(b) When multiple petitions against a single respondent, or petitions against multiple respondents, are placed on the calendar or calendar conference for joint trial or conference pursuant to §1-26(a), notice of trial or notice of conference pursuant to this section shall include notice of such joinder.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Service of notice of trial on the respondent must be made in a manner that is reasonably calculated to apprise the respondent of the trial date. Human Resources Administration v. Aiken, OATH Index No. 855/93 (Sept. 16, 1993).

¶ 2. Service of notice of trial by mail to the respondent's address of record was inadequate where the respondent had advised the petitioner at a pre-trial conference of her new address. Human Resources Administration v. Aiken, OATH Index No. 855/93 (Sept. 16, 1993).

¶ 3. Notice of trial may be served by mail pursuant to this section. Therefore, petitioner's motion for leave to serve notice of hearing by mail was dismissed as unnecessary. Board of Education v. Murphy, OATH Index No. 1432/97 (Oct. 7, 1997).

¶ 4. Where an employee advised his employer of an address change after the commencement of an employee disciplinary case against him, the employer's service of notice of the hearing by mail to the employee's former address was inadequate pursuant to this section, because the notices were returned undelivered and the employee failed to appear for trial. Department of Homeless Services v. Harrison, OATH Index No. 396/98 (Dec. 19, 1997).

¶ 5. Service of notice of trial by mail to the address given by an employee after commencement of employee disciplinary charges against him was reasonably calculated to achieve actual notice and was therefore sufficient service pursuant to this section. Department of Homeless Services v. Harrison, OATH Index No. 396/98 (Dec. 19, 1997).

¶ 6. Where the trial date was selected by the attorneys for both parties following a pre-trial conference, the respondent's counsel was obligated to inform his client of the trial schedule, and the petitioner bore no obligation pursuant to this rule to notify the respondent of the trial. Department of Correction v. Bazemore, OATH Index No. 475/97 (July 9, 1997).

¶ 7. Upon respondent's failure to appear for a hearing, petitioner established that respondent had been properly served with the notice of hearing on two sets of the charges, but not the third. **Dep't of Correction v. Floyd**, OATH Index No. 1052/99 (Mar. 23, 1999).

¶ 8. Upon setting of hearing date at prior conference, attorney was obligated to inform client of the trial schedule. **Admin. for Children's Services v. Lopez,**, OATH Index No. 198/00 (Feb. 22, 2000).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-30 Conduct of Conferences.

(a) All parties are required to attend conferences as scheduled unless timely application is made to the administrative law judge. Participants shall be prompt and prepared to begin on time. No particular format for conducting the conference is required. The structure of the conference may be tailored to the circumstances of the particular case. The administrative law judge may propose mediation and, where the parties consent, may refer the parties to the Center for Mediation Services or other qualified mediators. In the discretion of the administrative law judge, conferences may be conducted by telephone.

(b) At the conference, all parties must be fully prepared to discuss all aspects of the case, including the formulation and simplification of issues, the possibility of obtaining admissions or stipulations of fact and of admissibility or authenticity of documents, the order of proof and of witnesses, discovery issues, legal issues, pre-hearing applications, scheduling, and settlement of the case.

(c) In the event that the case is not settled at the conference, outstanding pre-trial matters, including discovery issues, shall be raised during the conference. In the event that the case is not settled at the conference, a trial date may be set, if such a date has not already been set. The parties shall be expected to know their availability and the availability of their witnesses for trial.

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-31 Settlement Conferences and Agreements.

(a) If settlement is to be discussed at the conference, each party shall have an individual possessing authority to settle the matter either present at the conference or readily accessible. A settlement conference shall be conducted by an administrative law judge or other individual designated by the chief administrative law judge, other than the administrative law judge assigned to hear the case. During settlement discussions, upon notice to the parties, the administrative law judge or other person conducting the conference may confer with each party and/or representative separately.

(b) All settlement offers, whether or not made at a conference, shall be confidential and shall be inadmissible at trial of any case. Administrative law judges shall not be called to testify in any proceeding concerning statements made at a settlement conference.

(c) A settlement shall be reduced to writing, or, in the discretion of the administrative law judge, placed on the record. In the event that a settlement is reached other than at a conference, OATH shall be notified immediately pursuant to §1-32(f). Copies of all written settlement agreements shall be sent promptly to OATH.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Petitioner failed to demonstrate that it met the requirements under OATH's rules to participate in the settlement conference process in good faith where prior precedent suggested that penalties far more minimal than what petitioner offered would be appropriate in the circumstances, assuming the charge was proved. Application to restore case to trial calendar was granted where no benefit could come from delaying trial any further. **Fire Dep't v. O'Brien,** OATH Index No. 1308/98, mem. dec. (June 16, 1998).

¶ 2. A motion to call an administrative law judge as a witness with regard to the authenticity of a document that respondent provided to petitioner during a settlement conference was denied. Under this rule, conference judges cannot be directed to testify about representations made during private conference. **Dep't of Buildings v. Goldberg,** OATH Index No. 652/03, mem. dec. (Jan. 9, 2003).

¶ 3. Landlord's request to introduce at hearing testimony concerning alleged monetary demand made by tenants to landlord during conference was denied as subsection (b) of this section makes settlement offers made during case conferences confidential. **Dep't of Housing Preservation & Development v. Bryant**, OATH Index No. 149/07 (Jan. 5, 2007).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23,

2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 1-32

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-32 Adjournments.

(a) Applications for adjournments of conferences or hearings shall be governed by this section and by §1-34 or §1-50. Conversion of a trial date to a conference date, or from conference to trial, shall be deemed to be an adjournment.

(b) Applications to adjourn conferences or hearings shall be made to the assigned administrative law judge as soon as the need for the adjournment becomes apparent. Applications for adjournments are addressed to the discretion of the administrative law judge, and shall be granted only for good cause. Although consent of all parties to a request for an adjournment shall be a factor in favor of granting the request, such consent shall not by itself constitute good cause for an adjournment. Delay in seeking an adjournment shall militate against grant of the request.

(c) If a party selects a trial or conference date without consulting with or obtaining the consent of another party pursuant to §1-26(d), an application for an adjournment of such date by that other party, especially if such application is based upon a scheduling conflict, shall be decided with due regard to the **ex parte** nature of the case scheduling.

(d) Counsel shall file an affirmation of actual engagement prior to a ruling on an adjournment sought on that basis. Such affirmation shall state the name and nature of the conflicting matter, the court or tribunal hearing the matter, the judge before whom it is scheduled, the date that the conflicting engagement became known to counsel, and the date, time, place and approximate duration of the engagement.

(e) Approved adjournments, other than adjournments granted on the record, shall be promptly confirmed in writing by the applicant, to all parties and to the administrative law judge.

(f) Withdrawal of a case from the calendar by the petitioner shall not be subject to the "good cause" requirement of subdivision (b) of this section. However, such withdrawal, other than pursuant to settlement agreement or other final disposition of the case, shall be permitted only upon application to the administrative law judge, who may grant or deny the application, either in full or upon stated terms and conditions.

(g) If an administrative law judge determines that a case is not ready for trial or conference and that an adjournment is inappropriate, the judge may remove the case from the calendar. Unless otherwise directed by the administrative law judge, the case will be administratively closed if the parties do not restore the matter to the calendar within 30 days.

(h) At the discretion of the administrative law judge, a grant of an adjournment may be conditioned upon the imposition of costs for travel, lost earnings and witness fees, which may be assessed against the party causing the need for an adjournment.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

Subd. (g) added City Record Aug. 19, 2009 §3, eff. Sept. 18, 2009. [See T48 §1-22 Note 1]

CASE AND ADMINISTRATIVE NOTES

¶ 1. Last-minute adjournment requests are heavily disfavored. Department of Correction v. Vassel, OATH Index No. 267/93 (Nov. 18, 1992).

¶ 2. Conflict between counsel's vacation and trial is not good cause for adjournment of trial, notwithstanding consent of adversary, because counsel consented to the trial date, and because counsel belongs to a 16-attorney firm which can supply substitute trial counsel. Department of Correction v. Taylor, OATH Index No. 205/94 (Sept. 2, 1993).

¶ 3. Amendment of petition three weeks before trial is not good cause for adjournment of trial, because the respondent has adequate time for trial preparation and exploration of pre-trial settlement. Department of Correction v. Rebecca, OATH Index No. 151/94 (Sept. 17, 1993).

¶ 4. Where counsel had represented the respondent for at least 15 months, through various pre-trial proceedings at the agency and then at OATH, the respondent's desire to discharge counsel on the day of trial, without any persuasive reason to change counsel, was not good cause for an adjournment of trial. Department of Correction v. Rebecca, OATH Index No. 151/94 (Oct. 21, 1993).

¶ 5. Neither the pendency of a criminal case against the respondent corporation related to the administrative case against the respondent, nor the possibility that ongoing plea negotiations in the criminal case might resolve the issues in the administrative case constitutes good cause for an indefinite adjournment of the administrative trial. In addition, the fact that defense of the administrative case while criminal charges are pending would require a principal of the respondent to choose between testifying and compromising her privilege against self-incrimination in the criminal case, and not testifying and thereby subjecting the respondent to a negative inference, does not constitute good cause for an indefinite adjournment of the administrative trial. Comptroller v. BQE Contracting Corp., OATH Index No. 1046/93 (Sept. 3, 1993).

¶ 6. An adjournment application must be directed to the Administrative Law Judge, not to a calendar unit clerk.

Transit Authority v. Sayad, OATH Index No. 1026/94 (June 8, 1994).

¶ 7. An adjournment may only be granted by an Administrative Law Judge, not by unilateral action of one party or by consent of all parties. Department of Correction v. Kilcullen, OATH Index No. 528/95 (Oct. 19, 1994).

¶ 8. Adjournment of conferences is subject to the provisions of this section. Department of Correction v. Kilcullen, OATH Index No. 528/95 (Oct. 19, 1994).

¶ 9. Where the respondent sought to change attorneys on the evening before trial, no satisfactory reason for the delay in changing counsel was given, and the new attorney was unable to appear for trial as scheduled but the former attorney was ready and able to proceed, adjournment was denied. Department of Correction v. Tirado, OATH Index No. 1213/94 (Aug. 17, 1994).

¶ 10. In a proceeding on an agency's petition to place an employee on involuntary disability leave, the employee's application for a second adjournment of trial was denied, where the employee had been on paid sick leave for four years, and continued health insurance was available to the employee, at his expense, pending disposition of his disability retirement application. Department of Correction v. Norris, OATH Index No. 1099/94 (Aug. 10, 1994).

¶ 11. In an employee disciplinary proceeding based upon citizens' complaints against two employees, the employing agency's application for an adjournment of trial was denied, where the application was made on the day of trial, trial had been adjourned four times before, the agency acknowledged that the charges were not grave, the long pendency of the charges was impeding the employees' careers, and the complaining citizens' repeated failure to appear for scheduled trial dates indicated a disinterest in proceeding that would not likely be remedied by grant of an adjournment. Police Department v. Nation, OATH Index Nos. 1004-05/94 (Nov. 30, 1994).

¶ 12. An application for an indefinite stay of proceedings on a petition alleging illegal commercial use of premises in a residential zone was denied. The movant alleged that he was seeking an amended certificate of occupancy, but did not show that grant of an amendment was likely, would be accomplished reasonably soon, or would legalize the use of the apartments placed at issue by the petition. Department of Buildings v. Owner, Occupants and Mortgagees of 31 West 11th Street, Apartments 6A and 6B, New York, OATH Index No. 990/94 (Aug. 26, 1994).

¶ 13. Where the petitioner's case was based on the complaint of an out-of-state witness who twice failed to appear for scheduled trial dates, and the petitioner had no other evidence to support the petition, the petitioner's application for withdrawal of the case from the calendar pursuant to paragraph (f) of this section, and for dismissal of the petition, was granted. Police Department v. Tallarine, OATH Index No. 191/95 (Sept. 8, 1994).

¶ 14. Like an application for an adjournment (delay in the commencement of trial), an application for a continuance (delay after commencement of trial) may be granted only upon a showing of good cause. Where an application for a continuance is based on the need for additional time to obtain evidence, an element of good cause must be that he applicant could not reasonably have anticipated the need for the evidence which necessitates the continuance. Department of Correction v. Jewell, OATH Index No. 260/94 (Feb. 14, 1994).

¶ 15. Adjournment of trial was granted, where the motion for an adjournment was supported by medical documentation indicating that the movant would require bed rest after delivery of a baby, until four days after the previously scheduled trial date. **Human Resources Administration v. Brown,** OATH Index No. 1557/95 (Dec. 1, 1995).

¶ 16. The respondent's motion for a trial adjournment, made the day before trial, was denied where the case had been pending for six months, and the case had been marked off the calendar twice due to settlements on which the respondent had reneged. **Taxi and Limousine Commission v. Vedrine,** OATH Index No. 1001/95 (Sept. 7, 1995).

¶ 17. In an involuntary disability leave case against an employee pursuant to §71 of the Civil Service Law, the

respondent's motion for an adjournment of trial until disposition of his disability retirement application was denied, because the respondent's concession that he was disabled and unable to work vitiated his entitlement to a hearing, and the respondent's desire to remain on the public payroll pending his anticipated disability retirement did not constitute "good cause" for an adjournment. **Department of Correction v. Iannicelli,** OATH Index No. 1429/95, May 24, 1995).

¶ 18. Where a contractor debarment petition pursuant to §335 of the City Charter was based on the criminal conviction of the individual respondent, who controlled the corporate respondents, neither the individual respondent's incarceration and inability personally to attend trial nor the pendency of an appeal from his conviction constituted "good cause" for a trial adjournment. It is relevant to the assessment of "good cause" that debarment cases are to be adjudicated "as expeditiously as possible" under §7-08(d)(5) of the Procurement Policy Board rules (title 9, Rules of the City of New York). **Department of Housing Preservation and Development v. Afro Contracting Corp.,** OATH Index No. 1519/95 (June 27, 1995).

¶ 19. The respondent's motion for an indefinite adjournment of trial due to the respondent's pregnancy, or, in the alternative, for a two- or three-month adjournment, was denied, although an adjournment of 12 days was granted, where the motion was supported by medical documentation indicating that the respondent would require bed rest after delivery of her baby, until four days after the previously scheduled trial date. **Human Resources Administration v. Brown,** OATH Index No. 1557/95 (Dec. 1, 1995).

¶ 20. The respondent's motion for an adjournment of trial pending disposition of his motion to dismiss the petition on various jurisdictional grounds was denied, because the respondent is not entitled to a ruling on jurisdictional objections before proceeding to trial on the merits. **Department of Correction v. Mercer,** OATH Index No. 1638/95 (Sept. 13, 1995).

¶ 21. The respondent's motion for an adjournment of trial, to permit the respondent to move in court for a stay of proceedings in this tribunal, was denied where the issue that the respondent wished to have adjudicated in court could be asserted as a defense to the petition in this tribunal. **Department of Correction v. Malloy,** OATH Index No. 1405/95 (May 22, 1995).

¶ 22. Disposition of a petitioner's motion to withdraw the petition is committed to the discretion of the administrative law judge, pursuant to paragraph (f) of this section. Relevant factors include whether the respondents had asserted counterclaims or other rights, how far the adjudication had progressed, and whether the petition clearly lacked merit. For a petition that was found clearly lacking in merit, withdrawal without prejudice was denied, and the petition was dismissed with prejudice. For a petition against which a counterclaim had been asserted, and adjudication of which had progressed nearly to trial, withdrawal was allowed without prejudice, on conditions intended to protect the respondent from prejudice. Finally, a petition which was not clearly without merit and which had not progressed nearly to trial, withdrawal without prejudice was allowed without conditions. **Matter of Ancona,** OATH Index Nos. 116/96, 621/96, 623/96 (Dec. 8, 1995).

¶ 23. Where an adjournment of a pre-trial conference is sought on the ground of unavailability of counsel, the showing of good cause necessary to the grant of the adjournment pursuant to paragraph (b) of this section must include a showing that no other attorney can cover either the pre-trial conference or the conflicting engagement, and a showing that the attorney's acceptance of the latter-scheduled engagement was not readily avoidable. Matter of Phillips, OATH Index No. 1651/96 (Apr. 24, 1996).

¶ 24. Where the respondent, an employee of the petitioner's, called in sick on the day of trial pursuant to the petitioner's employee procedures, that call did not constitute a request for an adjournment, which, pursuant to paragraph (b) of this section, may be obtained only by motion to the administrative law judge. Department of Correction v. Kelly, OATH Index No. 1228/97 (May 16, 1997).

¶ 25. Where the respondents did not ask the petitioner to produce two of the petitioner's employees as trial

witnesses for the respondents until the day before trial, and the petitioner was unable on short notice to arrange for the attendance of those witnesses, the respondents' request for a continuance for an additional opportunity to call those witnesses was denied for lack of good cause pursuant to paragraph (b) of this section. Police Department v. Horgan, OATH Index Nos. 443/97, 446/97 (Feb. 4, 1997).

¶ 26. Counsel's need for additional time to arrange for the attendance of witnesses, due to counsel's failure to prepare for trial until the day before trial because of a heavy caseload, was not good cause for a trial continuance pursuant to paragraph (b) of this section. Police Department v. Horgan, OATH Index Nos. 443/97, 446/97 (Feb. 4, 1997).

¶ 27. The degree of need for an adjournment that is required to constitute good cause pursuant to paragraph (b) of this section can only increase as the case ages and the number of adjournments granted grows. Police Department v. Starr, OATH Index No. 1414/97 (Dec. 2, 1997).

¶ 28. Where trial was continued for more than seven weeks following the presentation of the petitioner's case, and the continuance date was then adjourned for more than two weeks, the respondent's request for an adjournment three days before the resumption of trial, on the ground that the respondent wanted to retain new counsel, was denied pursuant to paragraph (b) of this section. Transit Authority v. Merrit, OATH Index No. 963/97 (Oct. 30, 1997).

¶ 29. Speculation by the respondent's counsel that the respondent had failed to appear for trial for medical reasons, without any medical documentation or other specific information, did not constitute good cause for an adjournment pursuant to paragraph (b) of this section. Health and Hospitals Corporation, Woodhull Medical & Mental Health Center v. Pratt, OATH Index No. 818/97 (Feb. 19, 1997).

¶ 30. The respondent's motion for an adjournment, made pursuant to paragraph (b) of this section on the morning of trial, was denied where two witnesses had traveled from Georgia to attend trial. Police Department v. Carfora, OATH Index No. 621/97 (June 16, 1997).

¶ 31. Where trial was adjourned during a telephone conference call with counsel for both sides, the fact that neither the petitioner nor the respondent's counsel notified the respondent of the adjourn date, and therefore the respondent did not appear for trial, did not constitute good cause for an adjournment pursuant to paragraph (b) of this section. Police Department v. Carfora, OATH Index No. 621/97 (June 16, 1997).

¶ 32. Paragraph (f) of this section provides that a petitioner may withdraw a case from the calendar unilaterally, if the withdrawal is with prejudice, but that withdrawal of a case from the calendar without prejudice may be effected only by motion. Matter of Gala, OATH Index No. 582/97 (Dec. 9, 1996).

¶ 33. One of the factors informing the discretion of the administrative law judge in determining whether to allow withdrawal without prejudice pursuant to paragraph (f) of this section is the merit of the application. Withdrawal of a petition that has no substantial likelihood of success should be with prejudice. Matter of Gala, OATH Index No. 582/97 (Dec. 9, 1996).

¶ 34. The authority of the administrative law judge pursuant to paragraph (f) of this section to impose conditions on a petitioner's withdrawal of a case without prejudice does not apply to withdrawal with prejudice. Loft Board v. Tekosky, OATH Index No. 470/97 (Apr. 18, 1997).

¶ 35. A petitioner has the right to withdraw a case with prejudice pursuant to paragraph (f) of this section, without the consent of the respondent or the permission of the administrative law judge, and OATH did not have the authority to retain jurisdiction over issues subsidiary to the withdrawn petition. Teachers' Retirement System v. Barrett, OATH Index No. 1135/97 (Nov. 18, 1997).

¶ 36. Where the petitioner's withdrawal of the case from the calendar pursuant to paragraph (f) of this section was

done unilaterally, not by motion, and where both parties at the time of the withdrawal regarded that withdrawal as a final disposition of the case, the withdrawal constituted a final disposition of the case, and OATH did not have jurisdiction to consider the respondent's motion to restore the case to the trial calendar. Human Resources Administration v. Lampart, OATH Index No. 309/97 (Dec. 2, 1997).

¶ 37. A tenant, who was not a party to a proceeding brought by the Loft Board against a landlord, has no standing to object to the Loft Board's request to withdraw the case pursuant to paragraph (f) of this section. Loft Board v. Tekosky, OATH Index No. 470/97 (Apr. 18, 1997).

¶ 38. Where the petitioner obtained a trial adjournment due to the unavailability of its principal witness, and where the petitioner on the adjourn date sought to withdraw the case without prejudice due to the witness's non-cooperation, the request was granted without prejudice pursuant to paragraph (f) of this section, over the respondent's objection that withdrawal should be with prejudice, on the condition that the case may be restored to the calendar only upon written application to the administrative law judge, on a showing that the witness will cooperate and appear for trial, including an affidavit to that effect by the witness. Jacobi Medical Center v. Arceo, OATH Index No. 161/97 (Nov. 12, 1996).

¶ 39. Applications for adjournments are addressed to the discretion of the administrative law judge and shall be granted only for good cause. Parties may not agree to adjourn a matter without making an application to the administrative law judge. **Taxi and Limousine Comm'n v. Surinder,** OATH Index No. 825/99, letter to parties (Nov. 30, 1998).

¶ 40. Good cause for granting adjournment was lacking where the doctor's notes submitted by respondent failed to provide a medical reason, either psychological or physiological, that he could not attend the OATH hearing. **Triborough Bridge and Tunnel Auth. v. Leibowitz,** OATH Index No. 1080/98 (July 24, 1998).

¶ 41. Good cause for granting adjournment was lacking where there was no basis to conclude that further attempts to locate the Department's complaining witness would be successful, and the first adjournment was marked final against the Department. **Police Dep't v. Bowser,** OATH Index No. 1694/98 (Aug. 24, 1998).

¶ 42. Adjournment denied where trial was continued for a month following the presentation of petitioner's case, where the matter had been pending for several months, and where respondent's request for an adjournment was made on the third day of trial, so that respondent's newly retained counsel would need more time to prepare for trial. **Dep't of Sanitation v. Garcia,** OATH Index No. 1140/98 (May 1, 1998).

¶ 43. Non-appearance of petitioner's attorney did not constitute good cause for an adjournment where petitioner had ample notice that her attorney would not appear unless she paid his retainer, but failed to do so. Nor did she show good cause to adjourn continued date, selected by her, based on her claim that she assumed that her recently retained attorney, whose name she could not recall, obtained an adjournment to an unspecified date. **Matter of Wilson,** OATH Index No. 1573/97 (Mar. 20, 1998), **aff'd,** Loft Bd. Order No. 2280 (Sept. 24, 1998).

¶ 44. Under paragraph (f) of this rule, a party may withdraw a case from the calendar without making an application to the administrative law judge if the withdrawal is pursuant to a settlement agreement or other final disposition of the case. Petitioner placed its employee on pre-hearing involuntary leave pursuant to section 72 of the Civil Service Law. Prior to trial, petitioner restored the employee to duty and withdrew the case from the calendar. The employee made an application to the administrative law judge seeking back pay and restoration of leave credits expended during the period of pre-hearing involuntary leave. The administrative law judge denied the application, ruling that petitioner had the right to withdraw the case with prejudice, without the consent of the employee or the permission of the administrative law judge, and OATH did not have the authority to retain jurisdiction over issues subsidiary to the withdrawn petition. **Teachers' Retirement System v. Barrett,** OATH Index No. 1135/97 (Nov. 18, 1997), **rev'd and remanded sub nom. Barrett v. Miller,** 179 Misc. 2d 24, 682 N.Y.S.2d 552 (Sup. Ct. N.Y. Co. 1998). On appeal, the court found that the employee's claims to entitlement to back pay and restoration of leave credits

were not finally disposed of within the meaning of paragraph (f) when petitioner withdrew the matter from the calendar and the court remanded the matter to OATH to determine those issues.

¶ 45. In a zoning violation proceeding, the owner of premises appeared and argued that an indefinite stay should be granted based on his submission of an application to the Board of Standards and Appeals for re-zoning. Administrative law judge denied the application, noting that the matter had already been adjourned three times before for that purpose to no avail. Commissioner adopted the administrative law judge's reasons for denying the adjournment request. In addition, the Commissioner noted that an owner who commences an illegal commercial use of a residentially zoned premises should not be entitled to wait until he is caught, then delay enforcement action by filing a re-zoning application with the City Planning Commission. Commissioner further noted that statutory discretion to order closure of a premises lies with the Buildings Department Commissioner under section 26-127.2(b), (d) of the Administrative Code, not OATH and the adjournments were therefor improvident. **Dep't of Buildings v. 100 Post Avenue, New York**, OATH Index No. 1402/99 (Sept. 29, 1999).

¶ 46. Where respondent failed to appear for trial and his attorney asked for an adjournment based upon respondent's representation to a union representative that he had to leave the state to attend to a sick parent, the respondent was declared in default because respondent had not authorized anyone to appear on his behalf pursuant to section 1-11. Pursuant to this rule, the administrative law judge denied the request for an adjournment because respondent did not provide sufficient information to warrant one, but he left record open for two weeks to permit respondent to submit explanation for his failure to appear. **Health and Hospitals Corp. (Elmhurst Hospital Center) v. Mosley**, OATH Index No. 206/00 (Nov. 15, 1999).

¶ 47. A loft tenant's request to withdraw her challenge to a rent increase indicated that she wished to preserve a right to continue to contest the accuracy of the owner's application at some future time before another forum. The tenant was permitted to submit a letter withdrawing her challenge "with the understanding that the owner's rent increase application would be deemed granted," but, absent such a submission, her withdrawal request was denied. **Matter of Breson Corp.**, OATH Index No. 1758/99, mem. dec. (May 14, 1999).

¶ 48. Agency advocate moved to dismiss the charges because he was unable to produce complaining witnesses for trial. Administrative law judge denied the motion, as it was totally within agency's discretion to discontinue the case without need for a ruling on such a motion. Administrative law judge ordered agency to proceed to trial. **Police Dep't v. Elcock**, OATH Index No. 1890/99 (May 26, 1999).

¶ 49. Commission's unilateral withdrawal of pending case without prejudice not permitted. Administrative law judge found that OATH rule 2-26, which applies only to Human Rights cases, incorporated by reference OATH rule 1-32(f), which requires permission from an administrative law judge before a matter can be withdrawn without prejudice when it is not a final disposition of the case. Sound reasons of calendar control support an interpretation of the rule to require permission of an administrative law judge before a case can be withdrawn without prejudice. **Blueweiss v. Metropolitan Life Insurance Co.**, OATH Index No. 852/99, mem. dec. (Mar. 29, 1999).

¶ 50. Disciplinary case against police officer had been adjourned three times and marked final. On the fourth trial date, petitioner withdrew the matter when the complainant did not appear on time. Petitioner's subsequent motion to vacate the "dismissal" of the charges was denied because the charges had been withdrawn by petitioner, and not dismissed by the judge. Administrative law judge advised petitioner it could make an application to restore the case to the calendar and petitioner did so two months later. Administrative law judge denied the motion to restore, based upon petitioner's unexplained delay in bringing the application and because petitioner's unilateral withdrawal was with prejudice pursuant to paragraph (f) of this rule. Further, to permit petitioner to restore the matter would render ineffective the administrative law judge's decision to mark the matter final. **Police Dep't v. Ortega**, OATH Index No. 580/99 (Aug. 6, 1999).

¶ 51. Administrative law judge denied petitioner's adjournment request where complainant and witnesses failed to

appear on scheduled trial date despite prior notice and having been subpoenaed, the case was three and a half years old and involved minor discourtesy charges, there had been previous adjournments either due to petitioner's witnesses' inability to appear or petitioner's failure to properly order respondents in for trial, and the trial date had been marked final by this tribunal two dates prior to date at issue. **Police Dep't v. Sanchez & Trinidad,** OATH Index Nos. 548-49/00 (Feb. 16, 2000).

¶ 52. Administrative law judge denied continuance to bring in respondent's partner, who was unable to appear due to illness, based on counsel's failure to know whether the potential witness could offer anything probative to the proceeding. **Dep't of Sanitation v. Branch,** OATH Index No. 169/01 (Dec. 6, 2000).

¶ 53. Adjournment application denied where occupant of the premises appeared and represented that an application for a zoning variance was pending before the Board of Standards and Appeals and a hearing on that application had been scheduled. Statutory discretion to order closure of a premises lies with the Commissioner of the Department of Buildings. **See** Admin. Code § 26-127.2(b), (d); **Dep't of Buildings v. Owners, Occupants and Mortgagees of 20 West 190th Street, Bronx,** OATH Index No. 843/00 (Mar. 8, 2000).

¶ 54. Motion to adjourn disciplinary hearing pending resolution of criminal charges is denied. Long standing precedent holds that an employee's constitutional right against self-incrimination is not violated by going forward with the administrative disciplinary proceeding. **Human Resources Admin. v. Rickenbacker-Miller,** OATH Index No. 603/01 (Dec. 12, 2000).

¶ 55. Administrative law judge denied attorney's adjournment request the day before a scheduled license revocation hearing due to its similarity to a previous adjournment request and was suggestive of deceptive delaying tactics. **Dep't of Buildings v. Banton,** OATH Index No. 2124/00 (Sept. 18, 2000).

¶ 56. On day of the scheduled hearing, attorney's office informed the tribunal that respondent's attorney would be one hour late. Administrative law judge held that the request to postpone the hearing did not meet the tribunal's standards for an adjournment request. The hearing proceeded in the form of an inquest. **Admin. for Children's Services v. Lopez,** OATH Index No. 198/00 (Feb. 22, 2000).

¶ 57. Respondent, a correction officer, sought an adjournment of her disciplinary hearing due to the pendency of a criminal proceeding. Respondent argued that she should not be forced to choose between remaining silent at her disciplinary hearing, at the risk of losing her job, or testifying at that hearing at the risk of incriminating herself in the criminal proceeding. The ALJ denied the adjournment request, noting that it was not unconstitutionally impermissible to require a defendant to go forward in a civil or administrative proceeding despite the pendency of criminal charges, and further, that the conduct at issue in the disciplinary proceedings predated and was unrelated to the subsequent criminal charges. **Dep't of Correction v. Dasque,** OATH Index No. 1270/01, mem. dec. (July 26, 2001).

¶ 58. Owner's request for an adjournment at time of trial, so he would have additional time to obtain a building permit, was denied. Adjournment of trial may be granted only upon a showing of good cause by the party seeking the adjournment. Here, the owner had already had months to obtain the permit but failed to get it. **Matter of Buchen,** OATH Index Nos. 1132/98 & 105/99 (Mar. 21, 2002), **aff'd,** Loft Bd. Order No. 2725 (Apr. 18, 2002).

¶ 59. Administrative law judge denied counsel's motion for an adjournment of the hearing, after the tribunal delayed the start of the hearing by three hours in order to give respondent an opportunity to appear and to give counsel an opportunity to locate him and determine why he was not present. **Dep't of Correction v. Jones,** OATH Index No. 1400/02 (July 10, 2002).

¶ 60. Pursuant to subsection (f) of this section, administrative law judge denied petitioner's request to withdraw Loft Law coverage application without prejudice made on the eve of trial as unfairly prejudicial to the opposing party. **Matter of Munzer,** OATH Index Nos. 2109-10/01 (May 13, 2002), **aff'd,** Loft Bd. Order No. 2743 (June 25, 2002).

¶ 61. Respondents requested an adjournment of trial date, claiming that they would not have sufficient time to obtain complainant's medical records or their own financial records to prove undue hardship. The request failed to establish the requisite good cause for an adjournment under this rule. Respondents inexplicably waited six weeks before moving to order the complainant to provide medical records. With regard to the financial records, respondents' claim was without merit given judge's scheduling order establishing discovery timeline and trial date. **Comm'n on Human Rights v. Woodycrest Realty, LLC,** OATH Index No. 779/03, mem. dec. (May 1, 2003).

¶ 62. Pursuant to this rule, adjournments may be granted only for good cause shown. Respondent requested an adjournment because of an expected arbitration proceeding on a related grievance. The administrative law judge denied the adjournment for lack of good cause where the arbitration proceeding was not imminent, where the cited Department directive did not have any applicability to OATH conferences, and where respondent would not be prejudiced by proceeding with a disciplinary hearing. **Dep't of Correction v. Chalmers,** OATH Index No. 413/04, mem. dec. (Nov. 6, 2003).

¶ 63. Adjournment request based on pending arbitration proceeding was denied where arbitration was not imminent and where movant could not show prejudice would result. **Dep't of Correction v. Crenshaw,** OATH Index No. 172/04, mem. dec. (Nov. 18, 2003).

¶ 64. Alleged flaws in the attempted personal service of charges was not found to be a basis for adjourning a disciplinary hearing where the charges were served at respondent's home, despite petitioner's possible awareness of respondent's temporary absence from residence due to an in-patient rehabilitation program. **Fire Dep't v. Reinhard**, OATH Index No. 647/05 (Oct. 21, 2004).

¶ 65. Department rule giving firefighter thirty days to request a drug test retest was found not to be a valid basis to grant an adjournment where respondent had not submitted the form required to authorize the retest and he had submitted his retirement application which was to become effective two weeks after the scheduled hearing. **Fire Dep't v. Rinehard**, OATH Index No. 647/05 (Oct. 21, 2004).

¶ 66. Motion for adjournment, made on the day of trial, to retain new counsel was denied, where counsel of record had appeared for respondent at a pre-trial conference and stated that he was prepared to go forward with the trial. **Dep't of Correction v. Cortes**, OATH Index No. 1230/06 (June 16, 2006).

¶ 67. License revocation hearing was adjourned to give respondent, a for-hire driver, an opportunity to secure counsel. Section 100.3 (A)(8) of the Rules of Conduct for Administrative Law Judges directs judges take steps to ensure that unrepresented parties have the opportunity to have his or her case fully heard. Among the steps the judge took was to give respondent time to secure counsel, obtain a translator for the hearing, and permit continued cross-examination of the complaining witness after respondent hired an attorney. **Taxi & Limousine Comm'n v. Martinez**, OATH Index No. 1183/07 (Apr. 11, 2007).

¶ 68. Application for a continuance, like an application for an adjournment, may only be granted on a showing of good cause. Request for a open-ended or prolonged continuance on the third day of hearing was denied where the party's explanation for her absence-that she had a gravely ill relative and "other factors in her life"-were vague and unsubstantiated. **Dep't of Finance v. Zindel**, OATH Index No. 1310/07 (June 22, 2007).

¶ 69. ALJ denied motions to stay civil service disciplinary hearing while related criminal charges were pending. Going forward with disciplinary trial does not unlawfully impinge on employee's Fifth Amendment right to remain silent. **Dep't of Environmental Protection v. Rodriguez**, OATH Index No. 1438/08 (Apr. 29, 2008), **modified on penalty**, Comm'r Dec. (May 15, 2008); **Dep't of Environmental Protection v. Bellach**, OATH Index No. 1574/08 (Apr. 30, 2008).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of

OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 1-33

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-33 Discovery.

(a) Requests for production of documents, for identification of trial witnesses, and for inspection of real evidence to be introduced at the hearing may be directed by any party to any other party without leave of the administrative law judge.

(b) Depositions shall only be taken upon motion for good cause shown. Other discovery devices, including interrogatories, shall not be permitted except upon agreement among the parties or upon motion for good cause shown. Demands for bills of particulars shall be deemed to be interrogatories. Resort to such extraordinary discovery devices shall not generally be cause for adjournment of a conference or hearing.

(c) Discovery shall be requested and completed promptly, so that each party may reasonably prepare for trial. A demand for identification of witnesses, for production of documents, or for inspection of real evidence to be introduced at trial shall be made not less than twenty days before trial, or not less than twenty-five days if service of the demand is by mail. An answer to a discovery request shall be made within fifteen days of receipt of the request, or within ten days if service of the answer is by mail. An objection to a discovery request shall be made as promptly as possible, but in any event within the time for an answer to that request. Different times may be fixed by consent of the parties, or by the administrative law judge for good cause. Notwithstanding the foregoing time periods, where the notice of the hearing is served less than twenty-five days in advance of trial, discovery shall proceed as quickly as possible, and time periods

may be fixed by consent of the parties or by the administrative law judge.

(d) Any discovery dispute shall be presented to the assigned administrative law judge sufficiently in advance of the hearing to allow a timely determination. Discovery motions are addressed to the discretion of the administrative law judge. The timeliness of discovery requests and responses, and of discovery-related motions, the complexity of the case, the need for the requested discovery, and the relative resources of the parties shall be among the factors in the administrative law judge's exercise of discretion.

(e) In ruling upon a discovery motion, the judge may deny the motion, order compliance with a discovery request, order other discovery, or take other appropriate action. The administrative law judge may grant or deny discovery upon specified conditions, including payment by one party to another of stated expenses of the discovery. Failure to comply with an order compelling discovery may result in imposition of appropriate sanctions upon the disobedient party, attorney or representative, such as the sanctions set forth in §1-13(e), the preclusion of witnesses or evidence, drawing of adverse inferences, or, under exceptional circumstances, removal of the case from the calendar, dismissal of the case, or declaration of default.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Although the parties may consent to alter the discovery deadlines set by these rules, such consent may not be inferred from a failure to object by the party receiving the discovery request. Fire Department v. James, OATH Index No. 1187/90 (Oct. 17, 1990), **modified as to penalty,** Comm'r Decision (Dec. 13, 1990).

¶ 2. Interrogatories are an extraordinary discovery device, and therefore the "good cause" standard for leave to propound interrogatories is stricter than the "material and necessary" standard applicable to discovery devices available as of right. Human Resources Administration v. Man-of-Jerusalem, OATH Index No. 790/91 (Nov. 12, 1991).

¶ 3. Although only willful noncompliance with orders compelling discovery may result in the more extreme sanctions, such as dismissal of the case, persistently negligent noncompliance with such orders may result in imposition of lesser sanctions. Where the respondent's delays in obtaining discovery from the petitioner were aggravated by the respondent's counsel's refusal to comply with discovery orders, and where the respondent was ultimately not prejudiced by the petitioner's noncompliance with discovery orders, the respondent's application for preclusion of evidence was denied, and the sanction imposed on the petitioner's counsel was a formal admonishment. Board of Eduction v. Butler, OATH Index No. 554/93 (May 24, 1993).

¶ 4. The trade secrets privilege is qualified, not absolute, and, where documents containing trade secrets are sufficiently important to a party's case, disclosure to that party can be compelled upon the condition that the party agree to maintain the confidentiality of the documents. Department of Correction v. Carlton, OATH Index No. 329/94 (Apr. 15, 1994).

¶ 5. In general, discovery is far less extensive in administrative adjudication than in modern civil litigation, and the administrative law judge is vested by this section with broad discretion in overseeing discovery. Matter of Prince, OATH Index No. 1506/95 (Aug. 18, 1995).

¶ 6. Where the information available without the benefit of discovery is inadequate to trial preparation on critical factual issues, discovery is essential. Matter of Prince, OATH Index No. 1506/95 (Aug. 4, 1995).

¶ 7. The benefits of discovery-for instance, in shaping or limiting the issues for trial-should outweigh the costs, burdens, and time associated with the discovery, and the timeliness of a request for discovery is also relevant. Matter of Prince, OATH Index No. 1506/95 (Sept. 12, 1995).

¶ 8. A motion to compel disclosure of certain facts, arguments and other information was construed to be a motion for leave to submit interrogatories pursuant to this section, and, because the proposed interrogatories were not included with the motion papers, the motion was denied. Matter of Prince, OATH Index No. 1506/95 (Sept. 12, 1995).

¶ 9. Where the respondent moved to compel discovery sought in support of an affirmative defense, the administrative law judge, in considering the motion to compel, ruled that the affirmative defense did not lie and therefore denied the motion to compel. Department of Health v. Protzel, OATH Index No. 613/98 (Dec. 10, 1997).

¶ 10. The respondent's discovery request, that the petitioner produce copies of OATH's decisions in cases brought by the petitioner in comparable cases, constituted a request for legal research of material which is available to each party at OATH's offices. Therefore, the respondent's motion to compel the petitioner to answer the discovery request was denied. Department of Health v. Protzel, OATH Index No. 613/98 (Dec. 10, 1997).

¶ 11. After the petitioner failed to produce documents requested in discovery by the respondent and failed to comply with two successive orders compelling such production, the case was marked off the calendar without prejudice to restoration upon a showing that the petitioner had complied with the respondent's discovery demands. When the petitioner moved a year later to restore the case to the calendar, but the petitioner failed to prove full compliance with the respondent's discovery demand, the motion to restore was denied and the case was dismissed with prejudice. Transit Authority v. Villa, OATH Index No. 668/95 (Apr. 15, 1996).

¶ 12. As a general matter, paragraph (e) of this section requires a two-step process: upon one party's failure to make discovery, the requesting party must move for and obtain an order compelling discovery, and only upon failure to comply with such an order may sanctions be imposed. Matter of Seyfried, OATH Index No. 127/97 (Jan. 3, 1997), reversed in part and remanded on other grounds, Loft Bd. Order No. 2083 (Mar. 20, 1997).

¶ 13. Although the respondent's counsel was negligent in failing to respond timely to a discovery request, the petitioners' request for discovery sanctions pursuant to paragraph (e) of this section was denied because the respondent's counsel provided the discovery promptly upon receipt of the petitioners' motion to compel. Matter of Seyfried, OATH Index No. 127/97 (Jan. 3, 1997), reversed in part and remanded on other grounds, Loft Bd. Order No. 2083 (Mar. 20, 1997).

¶ 14. Applicability of the public interest privilege to the investigatory files of a governmental agency was determined by an **in camera** inspection of the files in question. Board of Education v. Roman, OATH Index No. 1555/97 (Sept. 30, 1997).

¶ 15. The public interest privilege is a qualified privilege, and it precluded disclosure to the respondent in an employee disciplinary case of documents pertaining to a continuing investigation of an unrelated matter involving the same respondent, and documents containing private information implicating witnesses' privacy concerns, but did not preclude disclosure of documents summarizing investigatory interviews with witnesses, provided that witnesses' addresses and dates of birth were redacted. Board of Education v. Roman, OATH Index No. 1555/97 (Sept. 30, 1997).

¶ 16. Respondent allegedly used the Office of the Sheriff to carry on the practice of law on behalf of private clients, in violation of the Conflicts of Interest Law. After respondent made a blanket claim of attorney-client privilege in response to petitioner's document request, the administrative law judge directed production of documents for **in camera** review accompanied by a list of the documents and an itemized description of the basis of the claim of the attorney-client privilege. Respondent's refusal to cooperate by providing identifying information about the documents contained in the files produced for **in camera** review, despite repeated instruction, requires that the documents sought in discovery, as to which no privilege has been established by respondent, and as to which none is apparent, be released to

petitioner. Administrative law judge orders production of documents which, on their face, might be confidential attorney-client communications, but which also refer to fees collected by respondent during the relevant period, be produced in redacted form, showing date, author, matter, addressee(s), typist initials, letterhead and the reference to fees collected by respondent or assessed by respondent. **Conflicts of Interest Bd. v. Katsorhis,** OATH Index No. 1531/97, mem. dec. (Sept. 25, 1997), **aff'd in part, modified on other grounds,** Conflicts of Interest Bd. Case No. 94-351 (Sept. 17, 1998).

¶ 17. Bills of particulars are extraordinary discovery devices that are not allowable absent agreement among the parties or upon motion for good cause shown. Consent to use this device did not excuse petitioner from making a complete response to the demand. **Dep't of Correction v. Altreche,** OATH Index Nos. 1377-78/98, 1384-86/98, 492/99, mem. dec. (Sept. 22, 1998).

¶ 18. Extensive production demands made only days before the hearing are untimely pursuant to this rule. **Taxi and Limousine Comm'n v. Haven Car Service,** OATH Index No. 652/99 (Jan. 22, 1999).

¶ 19. Respondent's request for voluminous document production was made less than 20 days before trial, without consent of petitioner and without leave of the administrative law judge, and was returnable on the day of trial. Upon petitioner's failure to comply, respondent moved to preclude evidence on the charges related to the document request. Preclusion was denied but a continuance was allowed to enable respondent to review the documents. **Human Resources Admin. v. Dimps,** OATH Index No. 939/98 (Apr. 3, 1998), **aff'd,** NYC Civ. Serv. Comm'n CD 99-90-SA (Aug. 31, 1999).

¶ 20. No sanctions imposed where party from whom discovery material was sought was not in possession of the material and where the discovery request was untimely. No adverse inference or missing evidence inference was warranted where it was not clear that the evidence in question ever existed or that it was being purposefully withheld. **Taxi and Limousine Comm'n v. Haven Car Service,** OATH Index No. 652/99 (Jan. 22, 1999).

¶ 21. Parties voluntarily engaged in extraordinary discovery device by service and response to bill of particulars; respondent claimed inadequate compliance with demand and moved for preclusion of evidence at trial. Petitioner provided sufficient information in its subsequent response to respondent's motion to preclude, thereby putting respondent on notice of the charges against him. Administrative law judge denied the motion holding that preclusion is only appropriate where the party fails to comply with discovery order. **Dep't of Correction v. Altreche,** OATH Index Nos. 1377-78/98, 1384-86/98, 492/99, mem. dec. (Sept. 22, 1998); **Human Resources Admin. v. Dimps,** OATH Index No. 939/98 (Apr. 3, 1998), **aff'd,** NYC Civ. Serv. Comm'n CD 99-90-SA (Aug. 31, 1999).

¶ 22. Administrative law judge declines respondent's request that judge should draw a negative inference against the agency for failing to produce a document sought by respondent in discovery. The fact that a record cannot be found, absent some indication that non-production is purposeful, is insufficient reason for any sanction to be imposed. Discovery sanctions are available only if willful or "persistently negligent" noncompliance with discovery obligations is shown. **Dep't of Sanitation v. McCutchen**, OATH Index No. 1728/99 (Jan. 25, 1999), **aff'd**, NYC Civ. Serv. Comm'n Item No. CD00-102-SA (Nov. 15, 2000).

¶ 23. Extensive discovery demand, made only days before the scheduled hearing, was untimely under this section. Administrative law judge denied respondent's request that he draw an adverse inference against petitioner based upon petitioner's failure to produce documents sought by respondent in discovery. A missing evidence inference is available, not when a party merely fails to produce some evidence, but when there is a basis to believe that the party in possession of the evidence, knows it to be unfavorable, and has therefore chosen not to produce it. Here respondent failed to make such a showing. **Taxi and Limousine Comm'n v. Haven Car Service**, OATH Index No. 652/99 (Jan. 22, 1999).

¶ 24. Administrative law judge denies respondent's motion to take interrogatories in a Loft Board overcharge proceeding where all issues would be more expeditiously resolved at a prompt trial, thus eliminating delay occasioned

by taking the interrogatories first. **Matter of Shannon**, OATH Index No. 1757/99, mem. dec. (Apr. 15, 1999).

¶ 25. Under this section, discovery motions are addressed to the discretion of the administrative law judge. Depositions may be taken upon a showing of good cause by the requesting party. Administrative law judge found that respondent made showing of good cause for depositions, and that due process required two depositions previously ordered. **Dep't of Buildings v. DeAcetis,** OATH Index No. 1440/02, mem. dec. (June 10, 2002).

¶ 26. In a civil rights enforcement proceeding, based on disability discrimination, the administrative law judge granted respondents' motion to compel discovery of complainant's medical records because the complainant placed her health in issue. **Comm'n on Human Rights v. Woodycrest Realty, LLC,** OATH Index No. 779/03, mem. dec. (May 1, 2003).

¶ 27. Noncompliance with disclosure order would subject party to sanctions under 48 RCNY §§ 1-33(e), and 2-29(c), including but not limited to preclusion of evidence, striking the answer or precluding asserted defenses, and/or costs. **Comm'n on Human Rights v. G.P.C. Realty Corp.**, OATH Index No. 228/04, mem. dec. (Feb. 26, 2004).

¶ 28. Administrative law judge denied application to sanction respondent for spoilation of crucial evidence, a surveillance videotape, where no discovery disputes have been presented to the tribunal nor has an order compelling compliance with a discovery request been made. **Comm'n on Human Rights v. Space Hunters, Inc.**, OATH Index No. 997/04, mem. dec (June 22, 2004).

¶ 29. ALJ ordered petitioner to produce two witnesses requested by respondent who were present during the incident which formed the basis of the charges; she excluded four witnesses respondent requested to testify about miscellaneous uncharged conduct allegedly committed by petitioner's main witness. Those witnesses were excluded pursuant to the collateral matter rule, which precludes the introduction of extrinsic evidence to prove a collateral matter. **Dep't of Correction v. Finch**, OATH Index No. 652/07 (Nov. 28, 2006), **modified on penalty**, Comm'r Dec. (May 24, 2007).

¶ 30. In an employment discrimination case, where the employer claimed the complainant was fired for poor performance, ALJ took an adverse inference against the employer due to the employer's negligent failure to preserve certain key documents-sales reports and a recent performance evaluation for the complainant and similarly situated employees-which were sought by the complainant in discovery. **Comm'n on Human Rights ex rel Manning v. HealthFirst, LLC**, OATH Index No. 462/05 (Mar. 15, 2006), **adopted**, Comm'n Dec. (May 10, 2006).

¶ 31. Preclusion of an agency's requested witness is the proper remedy for agency's repeated failure to identify the witness during numerous pretrial communications establishing the agency's witness list. **Dep't of Housing Preservation & Development v. Porres**, OATH Index No. 627/06 (June 16, 2006).

¶ 32. Parties should disclose all evidence relevant to the case and all information reasonably calculated to lead to relevant evidence. **Dep't of Transportation v. Jones**, OATH Index No. 1517/07, mem. dec. (May 10, 2007).

¶ 33. The recipient of a discovery request must alert her adversary when she does not intend to disclose the requested material. Pursuant to subsection (c) of this section, an objection to a discovery request shall be made as promptly as possible, but no later than the time for an answer to that request. A party has two options: bring the matter to the attention of the trial judge or make an objection and allow the adversary to present the matter to the judge. **Dep't of Transportation v. Jones**, OATH Index No. 1517/07, mem. dec. (May 10, 2007).

¶ 34. Two agency attorneys who deliberately chose not to produce requested documents in their possession were admonished. **Dep't of Transportation v. Jones**, OATH Index No. 1517/07, mem. dec. (May 10, 2007).

¶ 35. Motion to preclude evidence due to petitioner's failure to produce documents prior to trial was denied where record showed that counsel was unaware of the existence of the documents until witnesses testified at trial. Counsel was

admonished to be more attentive to its pretrial discovery obligations in the future or it may face severe sanctions. **Dep't of Environmental Protection v. Ginty**, OATH Index No. 1627/07 (Aug. 10, 2007).

¶ 36. Preclusion is a disfavored remedy best suited to a situation in which a party offers the very evidence that it failed to produce in discovery. The preferred remedy when non-production is revealed at trial is a continuance. Motion for sanctions of preclusion and adverse inference denied where party rejected offer of continuance for the purposes of having supplemental document production. **Dep't of Environmental Protection v. Ginty**, OATH Index No. 1627/07 (Aug. 10, 2007).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the

implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

48 RCNY 1-34

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER C PRE-TRIAL MATTERS

§1-34 Pre-Trial Motions.

(a) Pre-trial motions shall be consolidated and addressed to the administrative law judge as promptly as possible, and sufficiently in advance of the hearing to permit a timely decision to be made. Delay in presenting such a motion may, in the discretion of the administrative law judge, weigh against the granting of the motion, or may lead to the granting of the motion upon appropriate conditions.

(b) The administrative law judge may in his or her discretion permit pre-trial motions to be made orally, including by telephone, electronic means, or in writing. The administrative law judge may require the parties to submit legal briefs on any motion. Parties are encouraged to make pre-trial motions, or to conduct preliminary discussions and scheduling of such motions, by conference telephone call or by electronic means to the administrative law judge.

(c) Motion papers shall state the grounds upon which the motion is made and the relief or order sought. Motion papers shall include notice to all other parties of their time pursuant to subdivision (d) of this section to serve papers in opposition to the motion. Motion papers and papers in opposition shall be served on all other parties, and proof of service shall be filed with the papers. The filing of motion papers or papers in opposition by a representative who has not previously appeared shall constitute the filing of a notice of appearance by that representative, and shall conform to the requirements of §1-11(b).

(d) Unless otherwise directed by the administrative law judge upon application or **sua sponte,** the opposing party shall file and serve responsive papers no later than eight days after service of the motion papers if service of the motion papers was personal or by electronic means, and no later than thirteen days after service if service of the motion papers was by mail.

(e) Reply papers shall not be filed unless authorized by the administrative law judge, and oral argument shall not be scheduled except upon the direction of the administrative law judge.

(f) Nothing in this section shall limit the applicability of other provisions to specific pre-trial motions. For instance, an application for withdrawal or substitution of counsel is also governed by §1-12; an application for an adjournment is also governed by §1-32; an application for issuance of a subpoena is also governed by §1-43.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Pre-trial motions to dismiss are disfavored, and are granted only in the clearest cases of failure by petitioners to plead viable claims. Fire Department v. Zollner, OATH Index No. 623/92 (June 12, 1992).

¶ 2. A party may remain silent in response to a motion unless the administrative law judge requires a response, and paragraph (d) of this section should be read as if the word "any" appeared before "responsive papers." Fire Department v. Zollner, OATH Index No. 623/92 (June 12, 1992).

¶ 3. Untimeliness of a pre-trial motion may be sufficient ground for denial of the motion. Human Resources Administration v. Man-of-Jerusalem, OATH Index No. 1021/91 (Nov. 12, 1991).

¶ 4. The respondents' motion to dismiss the petition on the ground of laches was denied absent evidence that the respondents' ability to defend was prejudiced by the 27-month delay between the events in question and the trial. **Department of Correction v. Garcia,** OATH Index Nos. 765/95, 767-68/95 (Aug. 29, 1995).

¶ 5. The petitioner's motion for summary judgment before trial was denied where the respondent's offer of proof raised triable issues of fact. **Matter of Teitelbaum,** OATH Index No. 424/96 (Dec. 11, 1995).

¶ 6. The respondent's request for a pre-trial hearing on his motion for suppression of certain evidence against him was denied, and the suppression issues were deferred for adjudication at trial. **Department of Correction v. Mack,** OATH Index No. 964/95 (Feb. 3, 1995); **see also Transit Authority v. Castro,** OATH Index No. 748/95 (Mar. 7, 1995).

¶ 7. An employee's pre-trial motion to dismiss employee disciplinary charges on the ground that the charges were time-barred was denied as premature, because the applicability of the statute of limitations depended upon factual questions which only could be resolved after trial. Police Department v. Kushner, OATH Index Nos. 447-48/97 (May 1, 1997).

¶ 8. An employee's pre-trial motion to dismiss disciplinary charges based on the statute of limitations was denied, without prejudice to renew the motion at the close of the hearing, because the applicability of the statute of limitations turned on whether the employee had committed a crime, an issue which presented mixed questions of law and fact requiring trial. Department of Correction v. Gilliard, OATH Index No. 587/98 (Dec. 17, 1997).

¶ 9. A pre-trial motion to dismiss may be granted only in the clearest case of a failure to plead a viable claim. Police

Department v. Fredericks, OATH Index Nos. 386/97, 616/97 (Feb. 18, 1997).

¶ 10. Where the applicability of the statute of limitations turned on whether the petitioner could prove that the respondent had committed a crime, the respondent's pre-trial motion to dismiss the petition as time-barred was denied, because it was not certain that the petitioner could not prove that the respondent had committed assault in the third degree. Police Department v. Fredericks, OATH Index Nos. 386/97, 616/97 (Feb. 18, 1997).

¶ 11. Motions to disqualify opposing counsel are disfavored, because a party's right to select counsel has constitutional implications, and rejection of the counsel selected can work substantial hardships. Matter of Salva Realty Corp., OATH Index No. 743/96 (Mar. 8, 1996).

¶ 12. Although a person generally may not serve both as trial counsel and as a trial witness, an exception was permitted where, pursuant to applicable provisions of the Code of Professional Responsibility, the party's need for the individual as a witness was distinctive and disqualification of the individual from serving as trial counsel would impose a substantial hardship on the party. However, trial counsel was required to arrange for another attorney to conduct the proceedings while trial counsel testified. Matter of Salva Realty Corp., OATH Index No. 743/96 (Mar. 8, 1996).

¶ 13. A party's motion to disqualify opposing counsel, a former city employee, based on the post-employment restrictions contained in the city's conflicts of interest law, was denied because counsel had not worked on the particular matter that was to be tried while she had served as a city employee. Matter of Salva Realty Corp., OATH Index No. 743/96 (Mar. 8, 1996).

¶ 14. Submission of pre-trial amicus brief permitted where judge found no delay in briefing schedule. **Comm'n on Human Rights v. 325 Cooperative, Inc.,** OATH Index No. 1423/98, mem. dec. (July 16, 1998).

¶ 15. Delay of almost four years between the date of the charged acts of bribery and the date of the hearing does not sustain a motion to dismiss under Charter section 1046(c) that hearing be held within a reasonable time, absent proof of substantial prejudice to respondents due to the delay. **Taxi and Limousine Comm'n v. Chrisanthos, Inc.,** OATH Index Nos. 1626-32/95 (July 21, 1998); **Statharos v. NYC Taxi & Limousine Comm'n,** 269 A.D.2d 280, 703 N.Y.S.2d 461 (1st Dep't 2000).

¶ 16. Motion to dismiss for untimely service of charges denied, where the conduct fell within the crimes exception to the statutory limitations period because respondent was found to have incurred principal liability for the crime of assault in the third degree as an accessory. **Police Dep't v. Murray,** OATH Index Nos. 1695, 1820/98 and 183/99 (Nov. 6, 1998), **rev'd on other grounds,** Comm'r Decision (Dec. 3, 1999).

¶ 17. Parties may not decide unilaterally to proceed directly to trial and forego a previously scheduled conference without first making a motion to the administrative law judge. **Human Resources Admin. v. Danagogo,** OATH Index No. 373/99, letter decision dated Nov. 18, 1998.

¶ 18. Where a subtenant brought an overcharge claim against the prime tenant, then later moved to disqualify the subtenant's attorney because the attorney also represented the building owner. Administrative law judge denied the motion, noting that the owner was not a party to the litigation and finding the alleged conflict of interest due to dual representation to be conjectural. **Matter of Shannon**, OATH Index No. 1757/99, mem. dec. (Apr. 15, 1999).

¶ 19. To accommodate her disability, petitioner sought a first floor apartment. The landlord denied the request because all of the first floor apartments were occupied under existing lease agreements. Petitioner sought joinder of real estate company and hospital, which leased first floor apartments from the landlord and then in turn leased those units to subtenants, on the ground that they were necessary parties to the requested relief, a first floor apartment. Under this section, the joinder of necessary parties is at the discretion of the administrative law judge. Finding that displacement of existing tenants would not be an available remedy if petitioner was ultimately successful, the administrative law judge denied the motion. **Hagopian v. NJR Associates**, OATH Index No. 2368/99, mem. dec. (Dec. 9, 1999).

¶ 20. Petitioner's motion to reopen was properly addressed to OATH administrative law judge where judge had previously withdrawn the original report and recommendation to correct an error. Administrative law judge granted the motion to supplement the record with further proof on the issue of liability, noting that although petitioner had not made a compelling showing that the evidence to be offered was unavailable at the original hearing, the motion was unopposed and "the dictates of justice militate against penalizing a party for . . . oversight or error of law in not introducing material evidence during the course of the hearing that was then available." **Office of the Comptroller v. NAB Management Associates, Inc.**, OATH Index No. 2162/99, mem. dec. (Oct. 8, 1999).

¶ 21. Respondent's motion to reopen the record to admit into evidence the unsolicited post-hearing affidavit from a Step 1A conference leader was granted as material and relevant to an assessment of petitioner's chief witness' credibility. Petitioner's motion to submit a letter containing the preliminary investigatory findings of the State Health Department's investigation into this matter was denied on procedural grounds as well as on the merits. The motion was procedurally defective because it was not served on petitioner's adversary. On the merits, the document was excluded because the administrative law judge found it would be unfair to the respondent if the judge were to rely on a bald conclusory statement regarding respondent's culpability in the incident. **Health and Hospitals Corp. (Seaview Hospital Rehabilitation Center and Home) v. Rayside**, OATH Index No. 972/99, mem. dec. (Apr. 15, 1999).

¶ 22. Administrative law judge denied respondent's motion to dismiss where respondent claimed that a related matter was pending in the Federal courts and that it would be improper for the tribunal to usurp the courts' jurisdiction over any issues which might be raised in the Federal suit. Administrative law judge found that respondent's action had been irrevocably dismissed, except for a still pending motion addressed to the Supreme Court of the United States to reconsider its denial of **certiorari. Triborough Bridge and Tunnel Auth. v. King,** OATH Index No. 501/00, mem. dec. (Jan. 24, 2000).

¶ 23. On a motion to dismiss for failure to state a **prima facie** case, made at the close of petitioner's direct case, the trier of fact is required to afford petitioner every inference which may be properly drawn from the facts presented and to consider petitioner's evidence in its most favorable light, in determining whether proof sufficient to establish all of the necessary elements of the charged misconduct was presented. **Dep't of Buildings v. Jennings,** OATH Index No. 561/00 (Nov. 30, 2000).

¶ 24. Administrative law judge granted respondents' motion to dismiss disciplinary charges where complainant and witnesses failed to appear on scheduled trial date despite prior notice and having been subpoenaed, the case was three and a half years old and involved minor discourtesy charges, there had been previous adjournments either due to petitioner's witnesses' inability to appear or petitioner's failure to properly order respondents in for trial, and the case had been marked final by this tribunal two dates prior to date at issue. Balance of competing interests of Department in providing an opportunity for civilian complaints to be aired, respondents, in an expeditious final result, and this tribunal in the integrity of its prior rulings, weighs in favor of dismissal. **Police Dep't v. Sanchez,** OATH Index Nos. 548-49/00 (Feb. 16, 2000).

¶ 25. Petitioner is required in the first instance to present proof as to each and every element of offense in its direct case. Administrative law judge, in evaluating **prima facie** motion to dismiss, is required to give every favorable inference to petitioner's proof at that juncture. It is a fundamental element of petitioner's direct case to provide some proof that respondent was the offending officer. Administrative law judge granted respondent's motion to dismiss for failure to make a **prima facie** case, made at the close of petitioner's case, where hearsay evidence produced by petitioner failed to prove that respondent was the police officer who intentionally tightened the complainant's handcuffs to cause him pain. **Police Dep't v. Kendricks,** OATH Index No. 1586/00 (July 11, 2000).

¶ 26. Administrative law judge denied motion for disqualification of petitioner's counsel based on counsel's participation in a pre-trial investigatory interview of respondent and precluded respondent from calling petitioner's counsel as a witness. Respondent failed to show that petitioner's counsel was a "necessary" witness. **Dep't of Buildings v. Jennings,** OATH Index No. 561/00 (Nov. 30, 2000).

¶ 27. After respondent filed a memorandum of law in support of his contention that the use of the premises was not in violation of the Zoning Resolution, petitioner was granted eight days to respond to the memorandum pursuant to this rule and 48 RCNY § 1-50. **Dep't of Buildings v. Owners, Occupants, and Mortgagees of 160 St. Albans Place, Staten Island,** OATH Index No. 870/01 (Apr. 23, 2001).

¶ 28. Administrative law judge denied pre-trial motion to dismiss, based on allegations that hospital's intimidation of certain potential witnesses would make a fair hearing impossible, because potential witnesses identified by the respondent had not yet refused to appear or to testify at trial. **Health and Hospitals Corp. (Coney Island Hospital) v. Jellinek,** OATH Index No. 2192/01 (Nov. 23, 2001).

¶ 29. Motion to dismiss on the basis of laches and prejudicial delay was denied where respondents did not make the requisite showing of actual substantial prejudice to their ability to defend against the charges. **Dep't of Buildings v. Sarabella,** OATH Index Nos. 2258-59/00 (July 2, 2001).

¶ 30. In a Loft Board proceeding, petitioner-tenant moved to suppress tape recorded conversations between petitioner and doorman/security guard on the ground that the recording was made without petitioner's knowledge or consent. OATH lacks jurisdiction to exclude the tape pursuant to CPLR § 4506(1), which provides that the motion to suppress be made before a justice of the Supreme Court in the district where the proceeding is pending. Further, as the security guard was a party to the conversation and consented to the taping, the taping was not illegal within the meaning of state law (Penal Law §§ 250.00(2), 250.05). **Matter of Kasher v. BLF Realty Holding Corp.,** OATH Index No. 262/99 (Oct. 26, 2001), **aff'd in part, rev'd in part on other grounds,** Loft Bd. Order No. 2704 (Feb. 7, 2002).

¶ 31. Written motions filed with OATH must meet certain minimum standards pursuant to subsection (c) of this section, including the caption of the case with the OATH Index number; a clear statement of the nature of the motion and the specific relief sought; a specific statement of the grounds upon which the motion is based along with supporting facts and authority; proof of service upon an adversary and notice of time within which an answer may be filed. **Dep't of Correction v. Battle,** OATH Index No. 1052/02, mem. dec. (May 15, 2002).

¶ 32. A motion for reargument, is designed to afford a party an opportunity to establish that the court overlooked or misapprehended relevant facts or misapplied a controlling principle of law. Counsel for petitioner sought to renew its request to call a conference judge as a witness. The original motion was denied under OATH rule 1-31(b), which prohibits parties from calling an administrative law judge as a witness if the subject of the testimony concerns statements made at a settlement conference. In the motion for reargument, counsel argued only that the information presented at the settlement conference was outside the context of settlement negotiations because it led to new charges related to the same incident that was the subject of the conference. The administrative law judge found that counsel had an opportunity to make that argument in the original motion and could not raise it on reargument. **Dep't of Buildings v. Goldberg,** OATH Index No. 652/03, mem. dec. (Jan. 24, 2003).

¶ 33. Motion to disqualify counsel granted pursuant to Disciplinary Rule 5-102, which prohibits an attorney from representation when it is obvious that he may be called as a witness on a significant issue; here, the adverse party intended to use at trial an affirmation made by counsel which contained statements adverse to his client. **Dep't of Finance v. Jones**, OATH Index No. 1127/06, mem. dec. (Mar. 9, 2006).

¶ 34. The Department of Buildings brought a license revocation proceeding against a master plumber. The plumber, who also works for the Department of Sanitation, made a pretrial motion to suppress statements he made to the Department of Investigation on the ground that the investigators failed to inform him of his right to representation under section 75 of the Civil Service Law. ALJ denied the motion, finding section 75 inapplicable in the license revocation proceeding. **Dep't of Buildings v. Grande**, OATH Index No. 794/06, mem. dec. (Mar. 9, 2006).

¶ 35. Preclusion of an agency's requested witness is the proper remedy for agency's repeated failure to identify the witness during numerous pretrial communications establishing the agency's witness list. **Dep't of Housing**

Preservation & Development v. Porres, OATH Index No. 627/06 (June 16, 2006).

¶ 37. Sanctions in the form of a fine of $1,000 imposed upon petitioner's counsel for counsel's willful disobedience of tribunal's orders setting trial date and requiring proper harassment pleading and production of trial exhibits. Loft Board rejects ALJ's recommendation that application be dismissed with prejudice or conditions be placed on applicant before he may refile and remanded the matter to OATH for resolution of existing claims. **Dawe v. 20 Beaver Street LLC**, OATH Index Nos. 237/06 and 335/06, mem. dec. (Oct. 20, 2006), **rejected in part and remanded,** Loft Bd. Order No. 3161 (Feb. 15, 2007).

¶ 38. Summary judgment is appropriate where there is no triable issue of fact and the movant has established entitlement to relief as a matter of law. There is no need for an evidentiary hearing where there is no material factual dispute. Held: in Loft Board matter, tenant was entitled to summary judgment in an overcharge case. **Matter of Klein**, OATH Index No. 300/06 (May 3, 2006), **adopted**, Loft Bd. Order No. 3460 (Oct. 16, 2008).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the

amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 1-41

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-41 Consolidation; Separate Trials.

All or portions of separate cases may be consolidated for trial, or portions of a single case may be severed for separate trials, in the discretion of the administrative law judge. Consolidation or severance may be ordered on motion or **sua sponte,** in furtherance of justice, efficiency or convenience.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Under this section and 48 RCNY §1-26(a), joint trial of cases involving the same parties in mandatory unless real and substantial prejudice by joint trial is shown. It is presumed that the trial judge will be able to distinguish proper inferences and arguments from improper ones. Human Resources Administration v. Man-of-Jerusalem, OATH Index No. 790/91 (Nov. 12, 1991).

¶ 2. The fact that the petition alleges multiple counts of misconduct, even multiple counts of similar misconduct, is not a basis for separate trials on the different counts. Human Resources Administration v. Man-of-Jerusalem, OATH

Index No. 790/91 (Nov. 12, 1991); Police Department v. Ruotolo, OATH Index No. 612/91 (Mar. 14, 1991).

¶ 3. Severance of the petition for two separate trials is committed to the trial judge's discretion, and may be ordered by the trial judge **sua sponte.** Where the parties are ready to proceed to trial on certain employee disciplinary charges but not others, and where five days have been set aside for trial, severance is preferable to a continuance or last-minute adjournment of trial. Board of Education v. Osoba, OATH Index No. 237/92 (Feb. 28, 1992). See also Police Department v. Combs, OATH Index Nos. 1073/91, 422/92 (July 7, 1992).

¶ 4. Untimeliness of a motion for a severance, made on the day of trial, is an important factor weighing against grant of the motion. Police Department v. Ruotolo, OATH Index No. 612/91 (Mar. 14, 1991).

¶ 5. Where joint adjudication and trial of two pending cases pursuant to the Loft Law would conserve resources for the parties and this tribunal, consolidation of the two cases was ordered. **Matter of 315 Berry Street Corp.,** OATH Index No. 764/96 (Nov. 9, 1995).

¶ 6. Six separate license revocation proceedings against six different licensees, involving identical charges and common issues of law and fact, were consolidated by the administrative law judge **sua sponte** pursuant to this section. Department of Buildings v. Catapano, OATH Index Nos. 1066/97, 1091/97, 1122/97, 1184-86/97 (July 17, 1997).

¶ 7. Administrative adjudication is intended to be expeditious and efficient, and therefore such proceedings as bifurcated trials are largely alien to administrative law, and the presumption against bifurcation of trial is quite a heavy one. Department of Environmental Protection v. Bruni, OATH Index No. 1038/96 (May 16, 1996).

¶ 8. Severance of the petition for two separate trials is a matter for the trial judge's discretion. Board of Education v. Osoba, OATH Index No. 237/92 (Feb. 28, 1992).

¶ 9. The contention by both parties that bifurcation of trial might improve the prospects of a settlement of the case was, by itself, insufficient to justify bifurcation. Department of Environmental Protection v. Bruni, OATH Index No. 1038/96 (May 16, 1996).

¶ 10. Where resolution of a preliminary issue in favor of the respondent would dispose of the case, alleviating the need for the petitioner to call its main witness on the merits of the case from North Carolina, and where the trial would take two days even if not bifurcated, the possibility of saving the petitioner and the taxpayers the considerable expense of bringing the out-of-state witness to trial warranted a bifurcated trial and resolution of the preliminary issue. Department of Environmental Protection v. Bruni, OATH Index No. 1038/96 (May 16, 1996).

¶ 11. On application to sever trial, charged employee failed to rebut heavy presumption against bifurcation given the interests of administrative efficiency weigh in favor of consolidating incidents for trial. **Dep't of Correction v. Graham**, OATH Index No. 1380/03 (Feb. 25, 2004).

¶ 12. Administrative law judge consolidated harassment and access applications for trial. **Matter of Alkara,** OATH Index No. 1101/03 (Oct. 6, 2004), **aff'd in part, modified in part**, Loft Bd. Order No. 2920 (Apr. 21, 2005) & **Matter of Plot Realty, LLC,** OATH Index No. 1285/03 (Oct. 6, 2004), **aff'd**, Loft Bd. Order No. 2920 (Apr. 21, 2005).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of

OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-43 Subpoenas.

(a) A subpoena **ad testificandum** requiring the attendance of a person to give testimony prior to or at a hearing or a subpoena **duces tecum** requiring the production of documents or things at or prior to a hearing may be issued only by the Administrative Law Judge upon application of a party or **sua sponte.**

(b) A request by a party that the Administrative Law Judge issue a subpoena shall be deemed to be a motion, and shall be made in compliance with §1-34 or §1-50, as appropriate; provided, however, that such a motion shall be made on 24 hours notice by electronic means or personal delivery of papers, including a copy of the proposed subpoena, unless the Administrative Law Judge directs otherwise. The proposed subpoena may be prepared by completion of a form subpoena available from OATH. The making and scheduling of requests for issuance of subpoenas by telephone conference call to the Administrative Law Judge or by electronic means is encouraged.

(c) Subpoenas shall be served in the manner provided by §2303 of the Civil Practice Law and Rules, unless the Administrative Law Judge directs otherwise. The party requesting the issuance of a subpoena shall bear the cost of service, and of witness and mileage fees, which shall be the same as for a trial subpoena in the Supreme Court of the State of New York.

(d) In the event of a dispute concerning a subpoena after the subpoena is issued, informal resolution shall be

attempted with the party who requested issuance of the subpoena. If the dispute is not thus resolved, a motion to quash, modify or enforce the subpoena shall be made to the Administrative Law Judge.

HISTORICAL NOTE

Section amended City Record June 29, 1998 eff. July 29, 1998. [See Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

NOTE

1. Statement of Basis and Purpose in City Record June 29, 1998:

Effective July 1, 1997, the Hearings Bureau of the Commission on Human Rights (the "Commission") was discontinued and the Bureau's adjudication function was transferred to the Office of Administrative Trials and Hearings ("OATH"). These amendments to the rules of practice of OATH, and the simultaneous amendments to the rules of practice of the Commission, are intended to facilitate that transfer without change to the substantive law applicable to those adjudications, and with the least possible change to the procedures applicable to those adjudications.

The Commission's adjudications, both as previously conducted by the Hearings Bureau and as now conducted by OATH, result in the issuance of recommended decisions from administrative law judges to the Commission, which the Commission may adopt in full, modify, or reject in full. Therefore, the Commission retains the same final role in adjudication as it had before the transfer.

The amendments to the Commission's rules delete from the Commission's rules of practice (Title 47, Chapter 1, Rules of the City of New York), most rules governing pre-hearing, hearing and post-hearing procedures. To the extent that OATH's existing rules of practice (Title 48, Chapter 1, Rules of the City of New York) are substantially consistent with the Commission's existing rules, OATH's existing rules are made applicable to cases referred by the Commission to OATH. To the extent that OATH's existing rules of practice are not substantially consistent with the Commission's existing rules, OATH's rules are amended to include a new Subchapter C in Chapter 2 of Title 48, consisting of rules necessary to conform the practice and procedure at OATH to the former practice and procedure before the Commission's Hearings Bureau. Where the Commission has judged the differences between its former practice and procedure and OATH's practice and procedure to be technical or insubstantial, these amendments would make OATH's existing rules applicable.

Some changes in procedure are adopted by these amendments. For example, by amended section 1-43 of Title 48, OATH adopts for all of its cases a rule governing subpoenas that is identical to the Commission's present rule governing subpoenas (47 RCNY §1-81), except that **ex parte** application for issuance of a subpoena is not permitted. In addition, the time for taking an interlocutory appeal from a decision or order of the administrative law judge is reduced from seven days, as provided in the Commission's former rules (47 RCNY §1-82), to five days, in OATH's amended rules (48 RCNY §2-30). Finally, motions concerning investigative record-keeping and investigative subpoenas, which were made to the Hearings Bureau under the Commission's previous rules (47 RCNY §§1-79, 1-80), will be made to the Chair of the Commission under the Commission's amended rules (47 RCNY §§1-72, 1-73).

CASE AND ADMINISTRATIVE NOTES

¶ 1. This section recognizes that subpoenas may be judicially enforced, but, in the interests of judicial economy, requires that any dispute concerning a subpoena be submitted to the Administrative Law Judge before resort to the courts. Department of Buildings v. Bellman, OATH Index No. 1100/93 (Apr. 11, 1994).

¶ 2. Where a party served an attorney-issued subpoena on the day of trial, and moved for enforcement of the subpoena by the Administrative Law Judge, the application was denied as untimely. Department of Buildings v. Bellman, OATH Index No. 1100/93 (Apr. 11, 1994).

¶ 3. A motion to quash an attorney issued subpoena made to this tribunal in the first instance is actually an application to exclude the testimony of a proposed witness. A demand for a witness with no knowledge of relevant facts is denied where respondent wanted to question her only on points of law. Administrative law judge grants petitioner's motion to quash subpoena calling for production of Deputy Commissioner at trial who had no knowledge of the facts concerning the preparation and service of the charges and was being called only to testify about her interpretation of department rules. **Fire Dep't v. Durkin**, OATH Index No. 309/90, mem. dec. (Jan. 4, 1991).

¶ 4. Respondent requested issuance of subpoenas **ad testificandum** and **duces tecum** for production of contract documents to show a pattern of harassment of respondent. Administrative law judge required offer of proof of testimony of proposed witnesses. Motion for subpoenas denied because respondent provided only representations as to what proposed witnesses might testify to and because contract documents had no apparent relevance to charge. **Transit Auth. v. Wagh,** OATH Index No. 517/02, mem. dec. (Apr. 29, 2002).

¶ 5. Administrative aw judge denied the **Daily News'** motion to quash Department's subpoenas and testimony from its reporter and the photographer, related to published, non-confidential journalistic material. **Dep't of Transportation v. Sampugnaro,** OATH Index Nos. 1564/03, 1565/03 & 1566/03, mem. dec. (June 13, 2003).

¶ 6. Administrative law judge granted the **Daily News'** motion to quash Department's subpoenas requiring production of non-published journalistic materials in accordance with the Shield Law. **Dep't of Transportation v. Sampugnaro,** OATH Index Nos. 1564/03, 1565/03 & 1566/03, mem. dec. (June 13, 2003).

¶ 7. Attorney is sanctioned for issuing his own subpoenas, not on notice to this tribunal or his adversary, in violation of this section. **Matter of Live Centre Tenants Assoc**., OATH Index No. 834/05, mem. dec. (Mar. 2, 2006).

¶ 8. In vehicle retention case, respondent vehicle owner's request for subpoena **ad testificandum** requiring arresting officer to testify denied because requiring the appearance of the arresting officer would run contrary to the letter and spirit of the **Krimstock** Order, sufficient documentary evidence was available in lieu of such live testimony, and the respondent remained free to present his own defense through other witnesses, documentary evidence, or his own testimony. **Police Dep't v. McBrien**, OATH Index No. 1058/09, mem. dec. (Oct. 2, 2008).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title

48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-45 Failure to Appear.

All parties, counsel and other representatives are required to be present at OATH and prepared to proceed at the time scheduled for commencement of trial. Commencement of trial, or of any session of trial, shall not be delayed beyond the scheduled starting time except for good cause as determined in the discretion of the administrative law judge. Absent a finding of good cause, and to the extent permitted by the law applicable to the claims asserted in the petition, the administrative law judge may direct that the trial proceed in the absence of any missing party or representative, render a disposition of the case adverse to the missing party, or take other appropriate measures, including the imposition of sanctions listed in §1-13(e). Relief from the direction of the administrative law judge may be had only upon motion brought as promptly as possible pursuant to §1-50 or §1-52. The administrative law judge may grant or deny such a motion, in whole, in part, or upon stated conditions.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Under this section and 48 RCNY §1-52, a respondent's post-trial motion to vacate her trial default is addressed to the trial judge's discretion, and requires a showing that the default was excusable, and that the respondent has a legally viable and factually substantial trial defense. New York City Transit Authority v. O'Connell, OATH Index No. 1076/91 (Nov. 8, 1991).

¶ 2. A post-trial motion to re-open the record before issuance of the trial decision is directed to the trial judge's discretion, and requires a showing that the movant has evidence that is material to the outcome of the case, that the evidence was not improperly withheld, and that the opposing party will not be prejudiced by grant of the motion. New York City Transit Authority v. O'Connell, OATH Index No. 1076/91 (Nov. 8, 1991).

¶ 3. Inability of the respondent to attend trial, due to his incarceration, is no impediment to proceeding in his absence. New York City Transit Authority v. Daniels, OATH Index No. 140/94 (Nov. 18, 1993).

¶ 4. Because service of the petition on the individual and corporate respondents was inadequate under 48 RCNY §1-23(b), the petitioner was not entitled to proceed to trial in the absence of the respondents. Taxi and Limousine Commission v. Larch Cab Corp., OATH Index No. 363/94 (Nov. 29, 1993).

¶ 5. Late arrival to trial by counsel with a history of such late arrivals resulted in the formal admonishment of counsel. Department of Correction v. Pesante, OATH Index No. 618/93.

¶ 6. Upon a respondent's failure to appear for trial in a case under the conflicts of interest law, the Administrative Law Judge will scrutinize the notice of petition and notice of trial for compliance with §§1-23 and 1-28, but need not inquire whether the address at which the respondent was served was the respondent's actual address. Proper procedure is to declare the respondent to be in default and to permit the petitioner to proceed to trial in the respondent's absence, subject to any post-trial motions made by the respondent. Conflicts of Interest Board v. Two City Employees, OATH Index Nos. 605, 641/94 (Apr. 8, 1994).

¶ 7. Upon the respondents' failure to appear for trial in a case brought pursuant to §26-127.2 of the Administrative Code, the petitioner's proof of proper service of the petition and notice of the hearing date was sufficient to permit the trial to proceed in the respondents' absence. **Department of Buildings v. Owners and Occupants of 84-19 115th Street, Queens, New York,** OATH Index No. 1236/95 (June 29, 1995).

¶ 8. Upon the respondent's failure to appear for trial in a license revocation proceeding, the petitioner's proof of proper service of the petition and notice of the hearing, and proof of the respondent's actual knowledge of the petition and hearing date, were sufficient to permit the trial to proceed in the respondent's absence. **Taxi and Limousine Commission v. Vedrine,** OATH Index No. 1001/95 (Sept. 7, 1995); **see also Taxi and Limousine Commission v. Min,** OATH Index No. 669/96 (Nov. 13, 1995).

¶ 9. Upon the 26 respondents' failure to appear for trial in a case brought pursuant to §12-110 of the Administrative Code, proof of proper service of the petitions and notices of hearing were sufficient to permit trial to proceed in the respondents' absence. **Conflicts of Interest Board v. Twenty-Six Individual Respondents,** OATH Index Nos. 135/96, **et al.** (Oct. 16, 1995).

¶ 10. Where the respondent in an employee disciplinary case pursuant to §75 of the Civil Service Law conveyed through his attorney his desire not to attend trial due to the pendency of the respondent's federal civil rights action against the petitioner, the attorney's motion to withdraw from representation of the respondent was granted and trial proceeded in the respondent's absence. **Board of Education v. Clarke,** OATH Index No. 285/95 (Feb. 2, 1995).

¶ 11. Where an employee had notice of employee disciplinary charges against him, and the circumstances indicated that the employee did not wish to defend the charges or retain his employment, the employer was entitled to proceed to trial in the employee's absence notwithstanding untimely notice of trial pursuant to §§1-26(d) and 1-28 of this chapter. Department of Correction v. Boyce, OATH Index No. 1227/97 (Apr. 29, 1997).

¶ 12. Because a food cart licensee is required by the Health Code to keep a current address on file with the Department of Health, the Department's service of the requisite notices by regular and certified mail to the licensees' addresses of record was legally sufficient, and the Department was entitled to proceed to trial in the licensees' absence pursuant to this section. Department of Health v. Moustafa, OATH Index Nos. 533/98, 535/98 (Nov. 5, 1997).

¶ 13. Where an employee, who was required by the employer's rules of conduct to keep his current address on file with the employer, was served with notice of employee disciplinary proceedings by mail to his address of record and was given actual notice of the trial by telephone call from his union representative, the employer was entitled to proceed to trial in the employee's absence pursuant to this section. Health and Hospitals Corporation, Jacobi Medical Center v. Williams, OATH Index No. 282/97 (Oct. 30, 1996).

¶ 14. Where a taxi driver appeared for trial on license revocation charges and the administrative law judge delayed the commencement of trial briefly to allow the driver's attorney time to arrive, and the driver left without explanation before his attorney arrived, trial proceeded in the driver's absence pursuant to this section, and the driver's attorney was permitted to withdraw as counsel. Taxi and Limousine Commission v. Herrera, OATH Index No. 509/98 (Nov. 20, 1997).

¶ 15. Where the petitioner presented evidence that two licensees had signed certified mail receipt cards evidencing their actual receipt of notice of the petition and notice of the hearing, and one of the licensees had written to the petitioner stating that he had no objection to the revocation of his license, the petitioner was entitled pursuant to this section to proceed to trial in the licensees' absence. Department of Buildings v. Catapano, OATH Index Nos. 1066/97, 1091/97, 1122/97, 1184-86/97 (July 17, 1997).

¶ 16. Where the record contained two different addresses for a former city contractor, and service of notices was made by mail to both addresses, the fact that the notices mailed to one of the addresses were returned by the postal service did not render service insufficient because there was no indication that the other address was not valid. Therefore, the petitioner was entitled pursuant to this section to proceed to trial in the former contractor's absence. Comptroller v. Kallo Building Construction Co., Inc., OATH Index No. 868/97 (Mar. 11, 1997).

¶ 17. Where service of notices was made by mail to an employee's last known address, and no other address for the employee was known, the employer was entitled to proceed to trial in the employee's absence pursuant to this section, although all of the notices were returned undelivered. Health and Hospitals Corporation, Bellevue Hospital Center v. Barber, OATH Index No. 193/98 (Aug. 15, 1997).

¶ 18. Upon failure of respondent to appear, and on showing of proof of service, a hearing may proceed in the form of an inquest. **Dep't of Buildings v. Owners, Occupants and Mortgagees of 1517 Rowland Street, Bronx,** OATH Index No. 896/00 (Mar. 13, 2000).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than

Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 1-46

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-46 Evidence at the Hearing.

(a) Compliance with technical rules of evidence, including hearsay rules, shall not necessarily be required. Traditional rules governing trial sequence shall apply. In addition, principles of civil practice and rules of evidence may be applied to ensure an orderly proceeding and a clear record, and to assist the administrative law judge in the role as trier of fact. Traditional trial sequence may be altered by the administrative law judge for convenience of the parties, attorneys, witnesses, or OATH, where substantial prejudice will not result.

(b) The administrative law judge may limit examination, the presentation of testimonial, documentary or other evidence, and the submission of rebuttal evidence. Objections to evidence offered, or to other matters, will be noted in the transcript, and exceptions need not be taken to rulings made over objections. The administrative law judge may call witnesses, may require any party to clarify confusion, fill gaps in the record, or produce witnesses, and may question witnesses directly.

(c) In the discretion of the administrative law judge, closing statements may be made orally or in writing. On motion of the parties, or **sua sponte,** the administrative law judge may direct written post-trial submissions, including legal briefing, proposed findings of fact and conclusions of law, or any other pertinent matter.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Although hearsay is permissible under the relaxed standards of evidence applicable to administrative proceedings, competence rules remain applicable, and a fact can only be alleged by a person who is, and who shows that she is, in a position to know that fact. An allegation related as hearsay must include an indication of the source of the allegation and the competence of that source to know the thing alleged. Penn-Troy Machine Company, Inc. v. Department of General Services, OATH Index No. 478/93 (Mar. 2, 1993).

¶ 2. In general, hearsay evidence is admissible in administrative trials. **Transit Authority v. Castro,** OATH Index No. 748/95 (Mar. 7, 1995); **see also Davidson v. Department of Correction,** OATH Index No. 545/95 (Feb. 7, 1995).

¶ 3. Where the respondent declined to testify and give explanations for the evidence against him, the administrative law judge was permitted to draw the strongest inference against the respondent that the evidence permitted. Department of Correction v. Sorisio, OATH Index No. 2110/96 (Apr. 30, 1997); see Department of Correction v. Brookins, OATH Index No. 193/97 (Apr. 21, 1997).

¶ 4. Where the refusal of a witness to appear and testify against the respondent was not shown to be based on a desire to avoid testifying falsely against the respondent, no adverse inference was drawn against the petitioner. Transit Authority v. Tarquini, OATH Index Nos. 1585-87/96 (Aug. 1, 1997).

¶ 5. Prior sworn testimony-in this case, the testimony of a witness at two criminal trials-is among the most reliable forms of hearsay. Transit Authority v. Tarquini, OATH Index Nos. 1585-87/96 (Aug. 1, 1997).

¶ 6. Where the petitioner offered hearsay and double hearsay statements that were contemporaneously made, at a time when the subject matter of the statements was not known to be an issue, and where the respondent's trial testimony contrary to those statements was not credible, the hearsay statements were credited. Board of Education v. Roman, OATH Index No. 1555/97 (Sept. 30, 1997).

¶ 7. Although hearsay is often less reliable than testimony given subject to cross-examination, hearsay was credited over contrary testimony where the hearsay was given contemporaneously and was found to be reliable. Department of Correction v. Boyce, OATH Index No. 789/97 (July 9, 1997).

¶ 8. A hearsay declarant does not present herself to the trier of fact for assessment of her demeanor and credibility; does not submit to cross-examination in which the certainty of her perceptions, her motivations and biases, the reliability of her memory, and her character may be tested by one with a motive to test them vigorously. Therefore, the fact that hearsay is admissible in administrative proceedings does not mean that hearsay is not skeptically received. Triborough Bridge and Tunnel Authority v. Simms, OATH Index No. 1303/97 (May 30, 1997).

¶ 9. A federal court conviction, based on the respondent's guilty plea, was binding on the respondent here, and he was not free to contest the facts established by his conviction. Department of Buildings v. Gelb, OATH Index No. 2155/96 (Mar. 3, 1997).

¶ 10. As a general rule, it is improper to prove that a person did an act on a particular occasion by showing that he did a similar act on a different, unrelated occasion. Therefore, evidence of prior, similar but unrelated acts by the respondents was properly excluded. Department of Housing Preservation and Development v. Isidro, OATH Index No. 777/96 (Mar. 27, 1996).

¶ 11. The scope of permissible cross-examination for purposes of impeachment of a trial witness is a matter that is relegated to the discretion of the administrative law judge. Police Department v. Zisel, OATH Index No. 389/97 (Mar. 7, 1997), modified as to penalty, Comm'r Decision (Sept. 23, 1997).

¶ 12. A witness's conviction for armed robbery, and the underlying nature of the act that led to that conviction, were permissible subjects of cross-examination for purposes of impeachment of the witness. Police Department v. Zisel, OATH Index No. 389/97 (Mar. 7, 1997), modified as to penalty, Comm'r Decision (Sept. 23, 1997).

¶ 13. Cross-examination of a witness about prior bad acts, for purposes of impeachment of the witness, must be founded upon matters about which cross-examining counsel had a good faith basis to inquire. Police Department v. Zisel, OATH Index No. 389/97 (Mar. 7, 1997), modified as to penalty, Comm'r Decision (Sept. 23, 1997).

¶ 14. Where cross-examination of a witness about an alleged prior bad act by the witness was based upon information improperly obtained by cross-examining counsel from sealed records of an arrest that had not led to a conviction, the cross-examination lacked good faith basis and was not permitted. Police Department v. Zisel, OATH Index No. 389/97 (Mar. 7, 1997), modified as to penalty, Comm'r Decision (Sept. 23, 1997).

¶ 15. The respondents' post-trial submission of a statement that the complaining witness against the respondents had been arrested after trial was improper, because an arrest by itself did not constitute proof of wrongdoing, but further hearings were unnecessary because the law presumes that a judge, unlike a jury, is able to ignore improper evidence. Police Department v. Kushner, OATH Index Nos. 447-48/97 (May 1, 1997).

¶ 16. A segment of videotape was admitted into evidence based on the testimony of one of the participants in the incident shown on the videotape, that the tape fairly depicted what had occurred, and based on the testimony of the person who copied the videotape from the original, that the tape segment was unedited and continuous. A second segment of videotape, compiled by editing videotape from three cameras at three different angles, was admitted into evidence based on the testimony from the person who compiled the videotape from the originals, that he had copied all portions of the three different original videotapes that showed any portion of the incident in question, and had compiled them into a single tape to show one continuous sequence of events. Triborough Bridge and Tunnel Authority v. Simmons, OATH Index No. 1166/96 (May 1, 1997).

¶ 17. Documents obtained by the petitioner before the conclusion of a criminal case that was disposed of favorably to the respondent, and before those documents were sealed by court order, could not be introduced into evidence at a subsequent employee disciplinary proceeding against the respondent unless the petitioner obtained an unsealing order from the court that had sealed the records. However, a witness was permitted to testify to the events at issue based on recollection independent of the sealed records, and the petitioner was permitted to introduce into evidence reports of the petitioner's investigators which contained information taken from the criminal case records before those records were sealed. Department of Correction v. Toby C., OATH Index No. 1692/96 (Sept. 19, 1997).

¶ 18. A transcript of the respondent's investigatory interview was admitted into evidence at trial, despite the fact that the transcript was not notarized, because the transcript certification included the stenographer's statement that the transcript was a true and accurate record of the proceeding held in her presence. Department of Buildings v. Mogg, OATH Index No. 1757/96 (May 31, 1996), modified as to penalty, Comm'r Decision (June 24, 1996); Department of Buildings v. Purrier, OATH Index No. 1744/96 (May 29, 1996), modified as to penalty, Comm'r Decision (June 24, 1996).

¶ 19. Although the prior disciplinary history of a respondent in an employee disciplinary case is not admissible to show that the respondent had a propensity to commit the charged misconduct, it may be admissible for other purposes. Here, the prior disciplinary history was admissible to rebut the respondent's contention that the complainant against him overreacted to the encounter with the respondent that was the subject of the instant charges. Department of Correction v. West, OATH Index No. 1498/96 (July 1, 1996).

¶ 20. Where the petitioner bears the burden of proof by a preponderance of the evidence, as in an employee disciplinary case, and disposition of the case turns on the resolution of factual disputes between the petitioner and the respondent, the petitioner must prove that its account of events was more probable than the respondent's. If the weight

of the evidence is with the respondent or if the evidence is equally balanced, the petitioner's case must fail. Department of Correction v. Toby C., OATH Index No. 1692/96 (Sept. 19, 1997).

¶ 21. The petitioners' request to call the respondent's trial counsel as a witness was denied because, although counsel unquestionably had knowledge of facts relevant to the petition, other witnesses were available to the petitioners whose knowledge was equal to counsel's, if not superior, and because grant of the request would have raised difficult questions concerning not only the disqualification of the respondent's trial counsel but also the disqualification of his entire firm. Matter of Seyfried, OATH Index No. 127/97 (Jan. 3, 1997), rev'd in part and remanded on other grounds, Loft Bd. Order No. 2083 (Mar. 20, 1997).

¶ 22. Although the rules of this subchapter do not expressly state that a trial must be conducted in the form of a traditional adversarial evidentiary hearing, that procedure is implicit throughout the rules. Matter of Chin, OATH Index No. 1142/97 (Apr. 18, 1997).

¶ 23. Where the material facts were undisputed and disposition of the case turned entirely on the application of the law to those undisputed facts, the petitioner's request, consented to by the respondents, to conduct the trial by written submissions was granted. Matter of Chin, OATH Index No. 1142/97 (Apr. 18, 1997).

¶ 24. Where the respondent spoke with a pronounced accent and could not be understood, and refused to testify through an interpreter, the respondent was permitted to testify, by consent of both sides, by means of written answers to written questions from counsel. Administration for Children's Services v. Lin, OATH Index No. 1665/97 (Dec. 15, 1997).

¶ 25. Hearsay evidence, consisting of affidavit from out-of-state passenger, was insufficient to meet petitioner's burden of proof where credibility questions concerning the complainant's version, motive and honesty required that the right to cross-examination not be dispensed with. **Taxi and Limousine Comm'n v. Gamliel,** OATH Index No. 996/98 (July 24, 1998).

¶ 26. Administrative law judge issued preliminary ruling from the bench that the Dead Man's Statute, CPLR section 4519, is inapplicable in a Loft Board hearing. Party's objection to receipt of testimony on that basis was deemed waived where party did not avail himself of the opportunity to submit authority to the contrary. **Matter of Sultan,** OATH Index Nos. 1314-15/98, at 14, n. 1 (Aug. 18, 1998), **aff'd,** Loft Bd. Order No. 2323 (Oct. 27, 1998).

¶ 27. No adverse inference was drawn from petitioner's unintentional loss of tape recordings of witness interviews, because respondent had summaries of the witnesses' statements and was able to cross-examine the witnesses effectively. **Dep't of Correction v. Whitehead,** OATH Index No. 1552/97 (Oct. 10, 1997).

¶ 28. As a general rule, petitioner may not use a prior disciplinary disposition that was adverse to the respondent to prove that respondent is guilty of the instant disciplinary charges. **Dep't of Correction v. Whitehead,** OATH Index No. 1552/97 (Oct. 10, 1997).

¶ 29. A detective taped a conversation that she had with respondent civil servant without respondent's knowledge. Ethical opinions have generally condemned secret taping by lawyers as unethical, but have recognized an exception for such taping by law enforcement personnel and prosecutors, where one party to the conversation consents to the recording. Respondent's motion to suppress the secretly taped conversation denied. **Dep't of Finance v. Diaz,** OATH Index No. 611/98 (Dec. 11, 1997).

¶ 30. As a general rule, petitioner may not use a prior disciplinary disposition that was adverse to respondent to prove respondent guilty of the instant disciplinary charges. **Dep't of Correction v. Whitehead,** OATH Index No. 1552/97 (Oct. 10, 1997).

¶ 31. It is within the administrative law judge's discretion to permit rebuttal testimony by a witness not called on

either petitioner's or respondent's direct case, where respondent's attorney did not object and the testimony did not unduly protract the proceeding. **Police Dep't v. Guarino,** OATH Index No. 1696/98 (Dec. 17, 1998).

¶ 32. Administrative law judge admitted into evidence the transcript of respondent's investigatory interview over respondent's objection that he was never offered an opportunity to correct any errors in the transcription of his statements. While CPLR section 3116(a) requires that a deposed person be given his deposition for changes and signing (see also CPLR section 5525(c)), no departmental rule or regulation requires a similar procedure be followed for a recorded investigatory interview. The collective bargaining agreement provided that a record of the interview be made available to a member who is brought up on charges based on answers to the questions; here there was no indication respondent requested a copy of the transcript, nor has he asserted that it contained any errors or omissions. **Fire Dep't v. Durkin**, OATH Index No. 309/90, mem. dec. (Jan. 4, 1991).

¶ 33. In a default proceeding, one-page conclusory memos from a supervisor were found to be unreliable and insufficient to sustain charges of insubordination and neglect of duty. Other hearsay evidence was found to have established unauthorized absence and excessive lateness charges. **Dep't of Homeless Services v. Ighodaro**, OATH Index No. 1594/99 (June 11, 1999).

¶ 34. Hearsay account of threatening phone call was found insufficient to prove conduct absent testimony of "victim," since her credibility was placed in question, having been the former paramour of respondent's husband. **Dep't of Correction v. Aiken**, OATH Index No. 1750/99 (Aug. 4, 1999).

¶ 35. Hearsay evidence was found insufficient to meet petitioner's burden of proof that respondent used excessive force against a civilian, where it was central to the outcome of the case, complainant had arguable bias, complainant failed to make a complaint or appear at the hearing but instead had fled criminal court jurisdiction and made prior inconsistent statements. **Police Dep't v. Nieves**, OATH Index No. 1888/99 (Oct. 4, 1999).

¶ 36. Imposition of a prior fine on respondent was admissible to rebut respondent's claim that he lacked notice of a rule prohibiting his use of a City car for anything other than official business. **Dep't of Housing Preservation and Development v. Thomas**, OATH Index No. 1175/99 (June 10, 1999).

¶ 37. In Loft Board proceeding, denying owner's request to call rebuttal witness was within administrative law judge's discretion where it was made on the last scheduled hearing day, four months after the testimony began, and where the witness was not newly discovered and the owner could have called the witness during his direct case. **Matter of DeLong,** OATH Index Nos. 266 & 518/99 (Oct. 4, 1999), **aff'd and remanded,** Loft Bd. Order No. 2457 (Dec. 13, 1999), **application for reconsideration denied,** Loft Bd. Order No. 2500 (Mar. 30, 2000).

¶ 38. Administrative law judge ruled that petitioner laid proper foundation for drug test results to be admitted as a business record. **Dep't of Parks and Recreation v. Nappa,** OATH Index No. 306/00 (Jan. 25, 2000), **modified on findings, aff'd on penalty,** Comm'r Dec. (Feb. 9, 2000).

¶ 39. A pre-trial application to present testimony via speaker telephone was denied where basis of application was uncertainty of whether and when a witness might be called to testify and where documents would be exhibited to the witness. Under this section, applications to present testimony by alternative means are within the discretion of the Administrative Law Judge. **Matter of Pelli**, OATH Index Nos. 1195-96/01, mem. dec. (Jan. 11, 2001).

¶ 40. Petitioner's application to call a rebuttal witness was denied at the conclusion of a case. A party may not offer rebuttal evidence except to counter new facts affirmatively asserted by its adversary. Pursuant to this rule, the use of rebuttal witnesses is within the discretion of the ALJ. **Dep't of Sanitation v. Ambrosino,** OATH Index No. 208/01 (May 30, 2001).

¶ 41. Administrative law judge denied petitioner's application for a continuance to call a rebuttal witness who was an obvious participant in the events in question. **Dep't of Sanitation v. Edgar,** OATH Index No. 2228/01 (Dec. 3,

2001).

¶ 42. Administrative law judge granted respondent's motion to dismiss without prejudice where petitioner refused to obey Administrative law judge's direction to proceed with other witnesses when its main witness was unavailable to testify. **Dep't of Environmental Protection v. Elliott**, OATH Index No. 1647/03, mem. dec. (Feb. 17, 2004).

¶ 43. Application to call rebuttal witness made during closing argument denied where there was no undue surprise. **Health & Hospital Corp. (Segundo Ruiz Belvis Diagnostic and Treatment Center) v. Pena**, OATH Index No. 1961/04 (Oct. 14, 2004).

¶ 44. WWW.Mapquestcom adequately provides one measure of driving distances, reliable enough for administrative proceedings, to show at least in terms of gross estimates, that City employee was not using City van exclusively for City business. **Human Resources Admin. v. Allen**, OATH Index No. 212/06 (June 28, 2006).

¶ 45. Dead Man's statute will not be applied reflexively in administrative hearing. **Dep't of Housing Preservation & Development v. 331 West 22nd Street LLC**, OATH Index No. 912/06, mem. dec. (Dec. 29, 2006).

¶ 46. The attorney-client privilege may be asserted by the client or the attorney or someone who stands in their interest. A litigant may not preclude the admission of evidence by claiming it violates his adversary's privilege. Building owner could not assert attorney-client privilege on behalf of deceased tenant. **Dep't of Housing Preservation & Development v. 331 West 22nd Street LLC**, OATH Index No. 912/06, mem. dec. (Dec. 29, 2006).

¶ 47. In a taxi license revocation hearing, documentary evidence was found sufficiently reliable, by itself without witness testimony, to establish prima facie case that licensee's urine tested positive for marijuana, which licensee failed to rebut. Documents included an affidavit from a toxicologist, with accompanying chain of custody form, toxicology reports and a confirmation from a medical review officer. **Taxi & Limousine Comm'n v. Shakoor**, OATH Index No. 860/08 (Nov. 30, 2007).

¶ 48. In the exercise of discretion, ALJ admitted polygraph test results in a disciplinary hearing at the accused worker's request, where the worker presented sufficient evidence that a recognized expert performed the test on a properly functioning machine. **Dep't of Sanitation v. Bacigalupo**, OATH Index No. 2091/07 (Jan. 25, 2008).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-47 Evidence Pertaining to Penalty or Relief.

(a) A separate trial shall not be held as to the penalty to be imposed or the relief to be granted in the event that the petition is sustained in whole or in part.

(b) In the event that a personnel file, abstract of a personnel file, driver record, owner record, or other similar or analogous file is not admitted into evidence at the trial on the merits, the administrative law judge, upon determining that the petition shall be sustained in whole or in part, may request that the petitioner forward such file or record to the administrative law judge for consideration relative to penalty or relief. That request may be conveyed to the petitioner or the petitioner's representative **ex parte** and without further notice to the respondent. The petitioner shall forward only the requested file or record, without accompanying material, and such file or record shall include only material which is available from the petitioner for inspection by the respondent as of right. In his or her report and recommendation, the administrative law judge shall refer to any material from such file or record relied on in formulating the recommendation as to penalty or other relief.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §1, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Pursuant to this section, evidence relevant to penalty may be adduced at trial, or after trial by submission, in an employee disciplinary case, of the employee's personnel file. **Human Resources Administrative v. Brown,** OATH Index No. 1557/95 (Dec. 1, 1995).

¶ 2. The petitioner is entitled to adduce any relevant evidence, from any competent source, in an effort to prove any fact that might aggravate the penalty to be imposed on the respondent. **Human Resources Administrative v. Brown,** OATH Index No. 1557/95 (Dec. 1, 1995).

¶ 3. Generally speaking, the petitioner bears the burden of proof of aggravating factors, and the respondent bears the burden of proof of mitigating factors. **Human Resources Administrative v. Brown,** OATH Index No. 1557/95 (Dec. 1, 1995).

¶ 4. Administrative law judge denies motion seeking modification of procedures used by OATH to request and consider personnel materials. Administrative law judge found that section 1-47(b) of OATH's Rules of Practice provides notice of the procedures to be followed when requesting and considering personnel materials and that these procedures satisfy the "fundamental fairness" standard set forth in **Bigelow v. Board of Trustees,** 63 N.Y.2d 470, 474, 483 N.Y.S.2d 173, 174 (1984). **Dep't of Sanitation v. Joyce,** OATH Index 888-89/00, mem. dec. (May 8, 2000).

¶ 5. Unadjudicated allegations and police report in respondent's personnel file could not be considered for purposes of penalty. **Health and Hospitals Corp. (Woodhull Medical and Mental Health Center) v. Pawlowski,** OATH Index No. 1836/00 (Oct. 4, 2000).

¶ 6. A post-trial motion to obtain copies of material from respondent's personnel file submitted to ALJ for review in making a penalty recommendation and requesting a hearing with respect to the documentation contained in the file prior to the issuance of a report and recommendation was denied. Subsection (b) of this section provides notice of the procedures to be followed when requesting and considering personnel material and that these procedures satisfy the fairness standard articulated in **Bigelow v. Board of Trustees,** 63 N.Y.2d 470, 474, 483 N.Y.S.2d 173, 174 (1984). As the administrative law judge may consider only those records that respondent may inspect as of right, respondent therefore may review his personnel records at any time prior to submission to the judge and may, if necessary, correct any errors or omissions in the records. Finally, respondents have a right to comment to the final decision maker prior to the issuing of a final decision in the matter. **Triborough Bridge and Tunnel Auth. v. Mondiello,** OATH Index No. 1563/01, mem. dec. (June 28, 2001).

¶ 7. Proof that respondent received memoranda which appear in his personnel file were satisfied by notarized statement by his supervisor and therefore could be considered in determination of an appropriate penalty. Memoranda showed that respondent had engaged in similar acts of disrespect towards his supervisors in 1993 and 1994. When considered together with the misconduct found to have occurred in 1999 and 2000, the penalty of termination of employment was recommended. **Bd. of Education v. Fuccio,** OATH Index No. 924/01 (June 21, 2001).

¶ 8. In a disciplinary proceeding, respondent's counsel requested leave to present evidence as to penalties in similar cases that were settled. Under this rule, penalty evidence is not considered prior to a finding that the employee has engaged in misconduct. The administrative law judge denied the motion because stipulations of settlement lack precedential effect. **Triborough Bridge and Tunnel Auth. v. Colon,** OATH Index No. 1501/03, mem. dec. (July 31, 2003).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-48 Official Notice.

(a) In reaching a decision, the administrative law judge may take official notice, before or after submission of the case for decision, on request of a party or **sua sponte** on notice to the parties, of any fact which may be judicially noticed by the courts of this state. Matters of which official notice is taken shall be noted in the record, or appended thereto. The parties shall be given a reasonable opportunity on request to refute the officially noticed matters by evidence or by presentation of authority.

(b) Official notice may be taken, without notice to the parties, of rules published in the Rules of the City of New York or in The City Record. In addition, all parties are deemed to have notice that official notice may be taken of other regulations, directives, guidelines, and similar documents that are lawfully applicable to the parties, provided that any such materials that are unpublished are on file with OATH sufficiently before trial of the case to enable all parties to address at trial any issue as to the applicability or meaning of any such materials. Unpublished materials on file with OATH shall be available for inspection by any party or attorney or representative of a party.

HISTORICAL NOTE

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-49 Public Access to Proceedings.

(a) Other than settlement conferences, all proceedings shall be open to the public, unless the administrative law judge finds that a legally recognized ground exists for closure of all or a portion of the proceeding, or unless closure is required by law. Trial witnesses may be excluded from proceedings other than their own testimony in the discretion of the administrative law judge.

(b) No person shall make or cause to be made a stenographic, electronic, audio, audio-visual or other verbatim or photographic reproduction of any hearing or other proceeding, whether such hearing or other proceeding is conducted in person, by telephone, or otherwise, except upon application to the administrative law judge. Except as otherwise provided by law (**e.g.,** N.Y. Civil Rights Law, §52), such application shall be addressed to the discretion of the administrative law judge, who may deny the application or grant it in full, in part, or upon such conditions as the administrative law judge deems necessary to preserve the decorum of the proceedings and to protect the interests of the parties, witnesses and any other concerned persons.

(c) Transcripts of proceedings made a part of the record by the administrative law judge shall be the official record of proceedings at OATH, notwithstanding the existence of any other transcript or recording, whether or not authorized under the previous subdivision of this section.

(d) Unless the administrative law judge finds that legally recognized grounds exist to omit information from a decision, all decisions will be published without redaction. To the extent applicable law or rules require that particular information remain confidential, including but not limited to the name of a party or witness or an individual's medical records, such information will not be published in a decision. On the motion of a party, or sua sponte, the administrative law judge may determine that publication of certain information will violate privacy rights set forth in applicable law or rules and may take appropriate steps to ensure that such information is not published.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

Subd. (d) added City Record Aug. 19, 2009 §5, eff. Sept. 18, 2009. [See T48 §1-22 Note 1]

CASE NOTES

¶ 1. Application that respondent's wife and a friend be permitted to observe the undercover witness' testimony was denied where divulging the witness' identity would be tantamount to placing him in jeopardy and would compromise ongoing police investigations. Under paragraph (a) of this section, all OATH hearings are open unless legally recognized grounds exist for closure. This rule was interpreted in light of section 1-04, which gives the administrative law judge discretion to waive or modify trial rules as may be appropriate in a particular case to promote the just and fair adjudication of cases. **Dep't of Correction v. Lowndes**, OATH Index No. 1662/99 (July 29, 1999).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23,

2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-50 Trial Motions.

Motions may be made during the hearing orally or in writing. Trial motions made in writing shall satisfy the requirements of §1-34. The administrative law judge may, in his or her discretion, require that any trial motion be briefed or otherwise supported in writing. In cases referred to OATH for disposition by report and recommendation to the head of the agency, motions addressed to the sufficiency of the petition or the sufficiency of the petitioner's evidence shall be reserved until closing statements.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. The respondent, a correction officer, was gay but had kept that fact private and separate from his professional life. The complainant in the employee disciplinary case against him was his former paramour, and the trial evidence necessarily included considerable evidence about the history and nature of the private relationship between the two men. Therefore, the respondent's motion at the conclusion of trial, to be identified in the report and recommendation only by first name and last initial, in the event that he was not found guilty, was granted in order to protect his privacy.

Department of Correction v. Toby C., OATH Index No. 1692/97 (Sept. 19, 1997).

¶ 2. After respondent filed a memorandum of law in support of his contention that the use of the premises was not in violation of the Zoning Resolution, petitioner was granted eight days to respond to the memorandum pursuant to 48 RCNY § 34 and this rule. **Dep't of Buildings v. Owners, Occupants, and Mortgagees of 160 St. Albans Place, Staten Island,**, OATH Index No. 870/01 (Apr. 23, 2001).

¶ 3. Administrative law judge granted motion to dismiss during trial where petitioner-attorney failed to put on any **prima facie** evidence in support of the charges. **Human Resources Admin. v. Levitant**, OATH Index No. 397/04 (Sept. 7, 2004).

Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Where respondent, who spoke with a pronounced accent so that he could not be understood, refused to testify through an interpreter, the administrative law judge permitted respondent to testify, by means of written answers to written questions from counsel. **Admin. for Children's Services v. Lin,** OATH Index No. 1665/97 (Dec. 15, 1997).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of

OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 1 RULES OF PRACTICE APPLICABLE TO CASES AT OATH GENERALLY, OTHER THAN ENVIRONMENTAL CONTROL BOARD CASES1

SUBCHAPTER D TRIALS AND HEARINGS

§1-52 Post-Trial Motions.

Post-trial motions shall be made in writing, in conformity with the requirements of §1-34, to the administrative law judge, except that after issuance of a report and recommendation in a case referred to OATH for such motions, as well as comments on the report and recommendation to the extent that such comments are authorized by law, shall be addressed to the deciding authority.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. A post-trial motion for an indefinite delay of the issuance of the report and recommendation, in contemplation of the possibility of a motion to reopen the record following further investigation, was denied where movant provided no reason for delay in concluding his investigations, and there was no reason to expect that the evidence being pursued would be favorable to movant or that the evidence would be available in the near future. Department of Correction v. Grant, OATH Index No. 798/92 (Aug. 26, 1992).

¶ 2. Where the petitioner did not call the respondents during its case in chief, or seek to reserve the right to call the respondents if they did not testify on their own behalf, grant of the petitioner's motion after summations to reopen the record to allow the petitioner to call the respondents, or to introduce transcripts of their pre-trial interviews, would be fundamentally unfair. Police Department v. Abbate, OATH Index Nos. 228 & 230/93 (Nov. 2, 1992).

¶ 3. The respondent's application to re-open the trial to permit the respondent to testify is denied because none of the medical documentation profferred by the respondent showed that the respondent had been unable to appear for trial, especially in light of the fact that the respondent had appeared for pre-trial conferences and the fact that the respondent had travelled out-of-state during the pendency of the case. Department of Correction v. Wilson, OATH Index No. 590/93 (July 30, 1993).

¶ 4. The respondent's application to re-open the trial to permit the respondent to testify is denied because the conclusory assertion by respondent's counsel that the respondent has vital evidence to offer in her own defense does not substitute for an explanation of what that evidence is and how it might alter the outcome of the hearing. Department of Correction v. Wilson, OATH Index No. 590/93 (July 30, 1993).

¶ 5. Although attorney who had not been retained by any party, and who appeared at trial as an "officer of the court," lacked standing to move to vacate the respondent's trial default, the administrative law judge vacated the default **sua sponte** based on information produced by the attorney demonstrating that service of the petition on the respondent had been inadequate under 48 RCNY 1-23(b). Taxi and Limousine Commission v. Larch Cab. Corp., OATH Index No. 363/94 (Nov. 29, 1993).

¶ 6. A respondent's motion to vacate a trial default, if made after trial but before issuance of a decision, may be granted upon the respondent's showing of an excuse for the default and a meritorious defense to the petition. Human Resources Administration v. Rice, OATH Index No. 455/93 (Apr. 7, 1993).

¶ 7. A post-trial motion to re-open the record before issuance of the trial decision is directed to the trial judge's discretion, and requires a showing that new evidence might reasonably alter the outcome of the case, either as to the merits or as to penalty, that there was substantial reason the new evidence was not admitted at trial, and that grant of the motion will not prejudice the other party to the case. Department of Correction v. Tirado, OATH Index No. 1213/94 (Aug. 17, 1994).

¶ 8. Even absent the requisite showing on a motion to reopen the record, the Administrative Law Judge has the discretion to reopen the record to afford the respondents an opportunity to be heard. Taxi and Limousine Commission v. Rolf, OATH Index Nos. 1111-16/93 (Jan. 28, 1994).

¶ 9. A motion to vacate a trial default was denied where the respondent acknowledged the validity of the petition and his only articulated reason for failing to appear at trial was that he "forgot." Conflict of Interest Board v. Sixty-Two City Employees, OATH Index Nos. 593/94 et al. (Apr. 8, 1994).

¶ 10. The respondent's post-trial motion for a new trial was denied where the respondent's counsel, retained by the respondent after trial at which the respondent appeared **pro se,** proffered new evidence relevant to penalty, but not to the merits of the petition. However, the motion was construed to include a request, in the alternative, to re-open the record for submission of additional evidence, and that alternative request was granted. **Human Resources Administrative v. Brown,** OATH Index No. 1557/95 (Dec. 1, 1995).

¶ 11. The respondent's post-trial motion to re-open the record to permit the respondent to present witness testimony was denied because the respondent had knowingly chosen at trial to rest its case solely on documentary evidence. **Davidson v. Department of Correction,** OATH Index No. 545/95 (Feb. 7, 1995).

¶ 12. Post-trial motion by the respondent to re-open the record was denied where the proffered evidence would explain the significance of a circumstance that the trial evidence showed to be possible but highly improbable, such that

the proffered evidence was merely speculative and theoretical. **Department of Correction v. Mack,** OATH Index No. 726/95 (May 22, 1995).

¶ 13. The respondent's post-trial motion to vacate his trial default was denied because the respondent had deliberately chosen not to attend trial due to the pendency of his federal civil rights action against the petitioner. **Board of Education v. Clarke,** OATH Index No. 285/95 (Feb. 2, 1995).

¶ 14. Following trial held in the respondent's absence due to the respondent's failure to appear, the respondent's motion to reopen the record to permit the respondent to testify was denied, because, although the respondent established a reasonable excuse for his failure to appear at trial, he was unable to show that his testimony could support a meritorious defense to employee disciplinary charges that were based on criminal convictions. Health and Hospitals Corporation, Elmhurst Hospital Center v. Stevens, OATH Index No. 447/98 (Nov. 7, 1997).

¶ 15. The petitioner's post-trial motion to reopen the record pursuant to this section, made before issuance of the report and recommendation, was granted where the petitioner showed that the evidence was unknown or unavailable at the time of trial, and the evidence was probative and would not prejudice the respondent. Taxi and Limousine Commission v. Nawaz, OATH Index No. 1433/97 (Aug. 22, 1997).

¶ 16. The petitioner's post-trial motion to reopen the record for admission of two affidavits was denied because the evidence was unavailable at the time of trial and was not reasonably likely to alter the outcome of the trial, and because granting the motion would unfairly allow the petitioner to review the trial evidence and decide to address a disputed issue further. Board of Education v. Roman, OATH Index No. 1555/97 (Sept. 30, 1997).

¶ 17. Where the respondent failed to appear for trial, but moved after trial to reopen the trial, the motion was denied because the respondent's motion established neither a reasonable excuse for his failure to attend trial nor a meritorious defense to the petition. Transit Authority v. Rodriguez, OATH Index No. 1368/96 (May 20, 1996).

¶ 18. The respondent's motion for reconsideration of the recommended penalty was denied because, after issuance of the report and recommendation to the agency head, post-trial motions must be made to the agency head pursuant to this section. Department of Correction v. Spencer, OATH Index No. 1387/97 (Oct. 27, 1997).

¶ 19. After the administrative law judge rendered the report and recommendation on the record at the conclusion of trial, but before the trial and report and recommendation was transcribed and the transcript was forwarded to the deciding authority, post-trial motions are properly made to the administrative law judge pursuant to this rule, not to the deciding authority. Transit Authority v. Rodriguez, OATH Index No. 1368/96 (May 20, 1996).

¶ 20. Pursuant to this rule, respondents may address challenge to the Comptroller of the administrative law judge's finding of default before the Comptroller renders a final decision in the case. **Office of the Comptroller v. IFD Construction Corp.,** OATH Index No. 901/98 (Jan. 26, 1998).

¶ 21. Petitioner's motion to reopen was granted where evidence was unknown or unavailable at trial, appeared to be probative to a trial issue, might reasonably alter the outcome of the case and reopening would not prejudice respondent, who would have the opportunity to test the evidence at trial. **Taxi and Limousine Comm'n v. Nawaz,** OATH Index No. 1433/97, mem. dec. (Aug. 22, 1997).

¶ 22. Motion to vacate default denied for failure to submit a more complete showing in support of the motion, as previously instructed by the administrative law judge. **Taxi and Limousine Comm'n v. Mohammad,** OATH Index Nos. 173-75/99 (Oct. 6, 1998), **modified on penalty,** Comm'n Decision (Feb. 10, 1999).

¶ 23. Respondent's motion to vacate and set aside a stipulation of settlement was denied as there was no longer an active case before OATH. The stipulation constituted a final disposition of the padlock proceeding which could not be set aside without petitioner's consent. **Dep't of Buildings v. Owners, Occupants and Mortgagees of 1565 Grand**

Avenue, Bronx, OATH Index No. 1074/98, mem. dec. (July 2, 1998).

¶ 24. Administrative law judge denies respondent's motion to reopen the record after a settlement because OATH lacks the authority to unilaterally rescind such an agreement. **Dep't of Health v. Khedr,** OATH Index No. 144/99, mem. dec. (Nov. 12, 1998).

¶ 25. Respondent's post-hearing motion to reopen to admit into evidence an unsolicited post-hearing affidavit from Step 1A conference leader was granted as material and relevant to an assessment of petitioner's chief witness' credibility. Petitioner's motion to submit a letter containing the preliminary investigatory findings of the State Health Department's investigation into this matter was denied on procedural grounds (it was not served on respondent) as well as on the merits. **Health and Hospitals Corp. (Seaview Hospital Rehabilitation Center and Home) v. Rayside**, OATH Index No. 972/99 (June 4, 1999).

¶ 26. Respondent, who appeared shortly after the conclusion of the trial, moved to vacate his default, stating that he had been in the building for almost two hours and that he had been misdirected to TLC's offices. Respondent made motion to vacate his default on the record before the administrative law judge and with petitioner's counsel present. Judge granted respondent's motion. **Taxi and Limousine Comm'n v. Singh**, OATH Index No. 618/00 (Dec. 20, 1999).

¶ 27. After a default determination, respondent was terminated from his position and appealed to the Civil Service Commission. The Commission ruled that no appeal lies from a default, but provided respondent time to file a motion to vacate his default. Administrative law judge denied the motion to vacate, finding respondent did not meet the "good cause" standard to excuse his default and that the motion to vacate was untimely. **Fire Dep't v. Parker,** OATH Index No. 2003/99 (July 7, 1999), **aff'd,** NYC Civ. Serv. Comm'n Item No. CD 99-92-SA (Aug. 31, 1999), **reaffirmed,** NYC Civ. Serv. Comm'n Item No. CD 99-117-A (Nov. 19, 1999).

¶ 28. Petitioner moved to dismiss the disciplinary charges due to inability to produce complaining witnesses for trial. Administrative law judge denied the motion, holding it was totally within petitioner's discretion to unilaterally discontinue the case without need for a ruling. Judge ordered agency to proceed to trial. **Police Dep't v. Elcock**, OATH Index No. 1890/99 (May 26, 1999).

¶ 29. Administrative law judge granted motion to vacate default based on **pro se** respondent's notation on respondent's calendar of the wrong date for the hearing. **Dep't of Buildings v. Owners, Occupants and Mortgagees of 1517 Rowland Street, Bronx,** OATH Index No. 896/00 (Mar. 13, 2000).

¶ 30. Motion to vacate default was denied where party put forth an insufficient explanation for his failure to appear, **i.e.,** he forgot about the hearing, and he gave no indication of a meritorious defense. **Dep't of Correction v. Heyward,** OATH Index No. 2041/00 (July 18, 2000).

¶ 31. A motion to vacate a default was granted where respondent was incarcerated on the date of the hearing and notice issues and where respondent established meritorious defenses to allegations of excessive absenteeism, AWOLs, and abusive language. **Health and Hospitals Corp. (Jacobi Hospital Center) v. Velez,** OATH Index No. 748/01 (May 18, 2001).

¶ 32. Motion to vacate default pursuant to section 1-06(i)(2) of the Loft Board's rules is granted as it is the public policy of New York State that a party should not be prejudiced by the running of a statute of limitations in the period following the disaster at the World Trade Center. **Matter of Haley,** OATH Index No. 355/02, mem. dec. (Dec. 6, 2001).

¶ 33. In a padlock proceeding, defaulting owner/occupant moved to vacate default. Administrative law judge found that owner/occupant failed to set forth meritorious defense to allegation of illegal commercial use of residentially zoned premises, but she permitted reopening of the record for the limited purpose of allowing the owner/occupant to offer testimony as to whether padlocking would impair residential access to the premises. The commissioner ruled that the administrative law judge erred when she reopened the record for that purpose, finding the access issue was not a proper

subject for adjudication before the administrative law judge, based upon her interpretation that the padlock law leaves the choice of the method of enforcement to the Department, post-adjudication. **Dep't of Buildings v. Owners, Occupants, Mortgagees of 1410-1414 Vyse Avenue, Bronx,** OATH Index No. 699/02, mem. dec. (Mar. 21, 2002), **rev'd,** Commissioner's Memorandum Decision (Aug. 16, 2002).

¶ 34. Motion to vacate default denied where papers did not provide adequate proof of the reason the respondent failed to attend, and because they did not assert that the respondent had a meritorious defense. **Dep't of Correction v. Patrick,** OATH Index No. 871/02, mem. dec. (Mar. 13, 2002)

¶ 35. Motion to supplement the record made before issuance of report and recommendation denied where the documents offered would not affect the outcome or the penalty recommendation. **Dep't of Sanitation v. Manzi,** OATH Index No. 1753/01 (Dec. 4, 2001).

¶ 36. Respondent failed to appear and the disciplinary hearing went forward in the form of an inquest. After the report and recommendation was issued, respondent's counsel moved to vacate the default. Under OATH rule 1-52, the application was required to be made to the agency head. **Human Resources Admin. v. Smith,** OATH Index No. 1110/03, mem. dec. (May 29, 2003).

¶ 37. Administrative law judge may hear a motion to vacate default prior to the issuance of the report and recommendation to the agency head for final action. **Human Resources Admin. v. Thomas,** OATH Index No. 190/05, mem. dec. (Dec. 8, 2004).

¶ 38. Although noting that under this section, a post report and recommendation, motion should be made to the deciding authority, who, in turn, could refer it to the presiding judge for disposition, ALJ agreed to decide such a motion to reopen record to submit new evidence made by petitioner, **Health and Hospitals Corp. (Harlem Hospital Center) v. Norwood,** OATH Index No. 143/05, mem. dec. (June 20, 2005), where adherence to regular process would have caused further unnecessary delay in the disposition of the disciplinary proceeding, which has remained undecided for six months.

¶ 39. Motion to reopen open the record to submit new evidence was denied where proffered evidence was not likely to change the outcome of the proceeding. **Health & Hospitals Corp. (Harlem Hospital Center) v. Norwood,** OATH Index No. 143/05, mem. dec. (June 20, 2005). After hearing ALJ found that employee's attendance violations were the result of his disability. Hospital sought to reopen record to submit medical officer's report opining that the employee was currently fit to work. ALJ found that the report that the hospital sought to add to the record did not contradict ALJ's finding that the employee suffered from depression at the time of the attendance violations, where the report was based largely on the fact that the employee's condition was in remission because she was currently in treatment and compliant with her medications.

¶ 40. In a padlock proceeding, the building owner made a post-report and recommendation motion to the Commissioner to vacate his default. Motion is denied as Commissioner found the owner did not show a reasonable excuse for his failure to appear (he merely alleged that he misread the notice) or a meritorious defense to the allegation of illegal commercial use of the premises in a residential zone (owner's claim that he was not engaged in commercial activity), where the proof showed storage of unlicensed motor vehicles (dead storage of motor vehicles) in violation of the Zoning Resolution. **Dep't of Buildings v. Owners, Occupants and Mortgagees of 144-11 Lackwood Avenue**, OATH Index No. 176/06 (Sept. 27, 2005), **aff'd and motion to vacation default denied**, Comm'r Dec. (Sept. 29, 2005).

¶ 41. A motion to reargue, addressed to the discretion of the judge, is designed to afford a party an opportunity to establish that the judge overlooked or misapprehended relevant facts or misapplied any controlling principle of law. Its purpose is not to serve as a vehicle to the unsuccessful party to argue once again the very questions previously decided. **Dep't of Education v. Brust**, OATH Index No. 2280/07, mem. dec. (Nov. 7, 2007).

FOOTNOTES

1

[Footnote 1]: * Chapter 1 heading amended City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note Statement of Basis and Purpose of Final Rule:

The Office of Administrative Trials and Hearings (OATH) has amended the name of Chapter 1 of Title 48 of the Rules of the City of New York to clarify the fact that Environmental Control Board (ECB) rules of procedures are distinct from the rules of practice that otherwise govern cases at OATH. Specifically, OATH has amended the name of Chapter 1 of Title 48, presently entitled "Rules of Practice Applicable to Cases at OATH generally," to instead read "Rules of Practice Applicable to Cases at OATH Generally, Other Than Environmental Control Board Cases."

OATH also has re-numbered Chapter 3 of Title 48, "Fitness and Discipline of Employees of the Office of Administrative Trials and Hearings," as Chapter 4 of Title 48, and therefore also has re-numbered §3-01 of Title 48 as §4-01 of Title 48. The reason for this re-numbering is to allow for the insertion (which is done by separate rule) of a new Chapter 3, which will contain the rules of the Environmental Control Board.

The reason for these changes is that as of November 23, 2008, ECB has been consolidated within OATH. The consolidation of OATH and ECB is pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which governs ECB, and re-numbers that Charter section as §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" was effectuated was on November 23, 2008. Accordingly, the consolidation of OATH and ECB was effective on November 23, 2008.

In view of the fact that ECB is now a part of OATH, as of November 23, 2008, ECB rules of procedure and ECB penalty schedules are now included within Title 48, as Chapter 3 of that title. However, those ECB rules of procedure and penalty schedules will be added to Title 48 by a separate rule.

As is authorized by §1043(d)(ii) of the Charter, there was no public hearing regarding the proposed rule, on the ground that such a public hearing would serve no public purpose. This was in view of the fact that the amendment to the title of Chapter 1, and the re-numbering of Chapter 3 and of §3-01, merely reflect ministerial implementations of the statutory mandate of Local Law Number 35, that ECB and OATH be consolidated.

Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the Office of Administration Trials and Hearing's (OATH's) rule to re-number and re-name various provisions of OATH's rules of procedure as found in Title 48 of the Rules of the City of New York, as is set forth in the final rule.

The purpose of the re-numbering and re-naming is to accommodate the inclusion within Title 48 of the rules of the Environmental Control Board (ECB). ECB's rules must be included within Title 48 because ECB will be consolidated within OATH pursuant to Local Law Number 35 of 2008.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a

transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The date on which a "transfer of functions" will be effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB will be effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will be effective on November 23, 2008, implementation of this rule upon publication is essential to ensure that provisions of Title 48 are re-numbered and re-named as of the publication date of this rule, to ensure that ECB's procedural rules and penalty schedules can be properly located within Title 48 immediately following the consolidation of ECB and OATH.

CHAPTER 2 ADDITIONAL RULES OF PRACTICE APPLICABLE TO PARTICULAR TYPES OF CASES AT OATH

SUBCHAPTER A ADDITIONAL RULES FOR PREQUALIFIED VENDOR APPEALS

§2-02 Docketing; Service of the Petition.

(a) A vendor shall docket an appeal by delivering to OATH a completed intake sheet, with a petition and appropriate proof of service of the petition upon the agency whose prequalification determination is to be reviewed. The petition shall include a copy of the determination to be reviewed and shall state the nature and basis of the challenge to the determination.

(b) The petition shall be accompanied by a notice to the respondent of its time to serve and file an answer. The notice described in §1-23(a) shall not be required.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. In an appeal from denial of prequalification, service of the petition need not be made on the agency head, and can be made on the agency chief contracting officer (ACCO). Neither this section nor the applicable section of the Procurement Policy Board rules (9 RCNY §7-06) requires service on the agency head. Silverite Construction Co., Inc.

v. Department of Transportation, OATH Index No. 486/94 (Mar. 8, 1994).

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 2 ADDITIONAL RULES OF PRACTICE APPLICABLE TO PARTICULAR TYPES OF CASES AT OATH

SUBCHAPTER A ADDITIONAL RULES FOR PREQUALIFIED VENDOR APPEALS

§2-03 Answer; Reply.

(a) If the petition is served personally on the respondent, the respondent shall file an answer, with appropriate proof of service, within fourteen days of the respondent's receipt of the petition. If the petition is served by mail, it shall be presumed that the respondent received the petition five days after it was served.

(b) The answer shall include the determination to be reviewed, the basis of the determination, admission, denial or other response to each allegation in the petition, and a statement of any other defenses to the petition. The basis of the determination included in the answer shall consist of all documentation and information that was before the agency head, including any submissions by the vendor. To the extent that information in support of the determination was not written, it shall be reduced to writing and included in the answer in the form of affidavits or affirmations, documentary exhibits, or other evidentiary material. Also, defenses may be supported by evidentiary material. The answer may be accompanied by a memorandum of law.

(c) If the respondent's attorney or other representative has not already filed a notice of appearance, such notice shall be filed with the answer.

(d) Within fifteen days of the service of the answer, or within twenty days if such service is by mail, the petitioner may file a reply. The reply may include affidavits or affirmations, documentary exhibits, or other evidentiary material in

rebuttal of the answer, including information provided to the agency head which was not written. The reply may be accompanied by a memorandum of law.

HISTORICAL NOTE

Section amended City Record Oct. 19, 2005 §2, eff. Nov. 18, 2005. [See T48 §1-13 Note 1]

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Facts asserted in the answer and reply should be submitted in evidentiary form as provided in this section, not merely in the form of pleadings signed solely by the parties' attorneys, without indication whether the facts asserted are within the attorneys' knowledge. Penn-Troy Machine Company, Inc. v. Department of General Services, OATH Index No. 478/93 (Mar. 2, 1993).

¶ 2. Reason offered for denial of prequalified status for first time in agency's answer is not considered by the administrative law judge where the information was not before the agency head at the time of the initial determination to deny prequalified status. **East Coast Services, Inc. v. Dep't of Housing Preservation and Development,** OATH Index No. 413/99 (Nov. 5, 1998).

¶ 3. Vendor appealed revocation of its pre-qualified status based upon unsatisfactory performance on two projects. Under paragraph (b) of this section, the answer is limited to "all documentation and information that was before the agency head, including any submissions by the vendor" upon which the decision was based. Therefore, the administrative law judge did not consider affidavits and exhibits submitted by the agency in its answer relating to later events which were not before the agency head at the time the decision to revoke petitioner's pre-qualified status was made. **Matter of Promatech, Inc. v. Dep't of Design and Construction**, OATH Index No. 1590/99 (Sept. 27, 1999).

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 2 ADDITIONAL RULES OF PRACTICE APPLICABLE TO PARTICULAR TYPES OF CASES AT OATH

SUBCHAPTER A ADDITIONAL RULES FOR PREQUALIFIED VENDOR APPEALS

§2-04 Further Proceedings.

An appeal shall be decided on the petition, answer and reply, unless the administrative law judge directs further written submissions, oral argument, or an evidentiary hearing, as may be necessary to the decision of the appeal.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. An evidentiary hearing on a prequalified vendor appeal will be conducted only in the most extraordinary circumstances where a determination cannot otherwise be reached, not simply whenever there are facts in dispute. Rod Knox Architect v. Department of General Services, OATH Index No. 304/93 (Dec. 10, 1992).

¶ 2. This section, which expressly prohibits submission of sur-reply papers, furthers the purpose of speedy and simplified presentation and adjudication of prequalified vendor appeals. In the event that counsel believes sur-reply papers are necessary, proper procedure is an application, which may be made by telephone conference call, for leave to file such papers. The intention of this section is that leave to file sur-reply papers will rarely be granted. Penn-Troy

Machine Company, Inc. v. Department of General Services, OATH Index No. 478/93 (Mar. 2, 1993).

¶ 3. Vendor's motion for document discovery and to make the ACCO and agency head available for deposition was denied. The purpose of an appeal pursuant to this subchapter of the OATH rules is to permit limited and expedited review of a decision already made by the agency, not to provide a **de novo** fact-finding proceeding where that decision will be made anew by an OATH ALJ. **Mazzocchi Wrecking, Inc. v. Dep't of Housing Preservation & Development**, OATH Index No. 1296/06, mem. dec. (Mar. 27, 2006).

The administrative law judge shall render as expeditiously as possible a determination as to whether the agency's decision is arbitrary or capricious.

HISTORICAL NOTE

Section added City Record Nov. 13, 1992 eff. Dec. 13, 1992.

CASE AND ADMINISTRATIVE NOTES

¶ 1. Where administrative law judge affirms the agency's findings regarding its factual basis for revoking vendor's prequalified status, administrative law judge retains discretion of decide if the penalty of revocation was inappropriate or was arbitrary or capricious. Administrative law judge found that such penalty review is limited to the "arbitrary and capricious" standard, which is met if there is a rational basis for the administrative action. Administrative law judge found a rational basis for revocation here based upon the vendor's false answers to questions on the VENDEX questionnaire. **Leroy Brookes d/b/a Brookes Plumbing & Heating v. Dep't of Housing Preservation & Development,** OATH Index No. 1275/00 (Apr. 5, 2000).

¶ 2. §2-27 Entry of and Relief from Default.

(a) If the notice of referral to OATH alleges that a respondent has not complied with the requirements of §1-14 of the Commission's rules (47 RCNY §1-14), the respondent shall serve and file an affidavit asserting that the respondent has complied with those requirements, or asserting reasons constituting good cause for its failure to comply with those requirements. Such affidavit shall be served and filed at or before the first conference in the case, or, if no conference is held, before commencement of the hearing. If the respondent fails to serve and file such an affidavit within the time allowed by this paragraph, the Administrative Law Judge shall declare the respondent to be in default and shall preclude the respondent from further participation in the adjudication. If the respondent timely serves and files such an affidavit, the Administrative Law Judge shall decide the questions presented, and shall either declare the respondent to be in default and preclude the respondent from further participation in the adjudication, or shall deny the default in full or upon stated terms and conditions which may include such limitations on the respondent's participation in the adjudication as the Administrative Law Judge deems to be equitable.

(b) A respondent against whom a default has been entered pursuant to paragraph (a) of this section may move at any time before issuance of the report and recommendation to open the default. Such a motion must include a showing of good cause for the conduct constituting the default, a showing of good cause for the failure to oppose entry of the default in accordance with paragraph (a) of this section, and a meritorious defense to the petition, in whole or in part. In granting any such motion, the Administrative Law Judge may impose such terms and conditions as he or she deems to

be equitable.

§2-29 Discovery.

(a) **Policy.** Although strict compliance with the provisions of Article 31 of the Civil Practice Law and Rules shall not be required, the principles of that article may be applied to ensure orderly and expeditious preparation of cases for trial.

(b) **Scope of discovery.** (1) With the exception of the substance of any oral or written communications made by and between a complainant or complainant's counsel and the petitioner subsequent to a determination that probable cause exists, the materials contained in the petitioner's investigatory file shall be available as of right to any party for inspection and copying subsequent to docketing at OATH upon reasonable notice, unless a default has been entered against that party by the Administrative Law Judge.

(2) In the absence of an agreement by the parties, the number of interrogatories, including subparts, shall be limited to fifteen. The Administrative Law Judge may permit additional interrogatories upon application for good cause shown.

(3) Any party may take the deposition of any other party as of right. Other depositions shall be taken only upon leave of the Administrative Law Judge for good cause shown. No person shall be deposed by the party conducting the examination for a period aggregating more than seven hours except upon consent of all parties or leave of the administrative law judge for good cause shown. Deposition testimony may be recorded by a stenographer or by

videotape or audiotape recording, at the option of the party conducting the deposition. The cost of the recording and transcription of deposition testimony shall be borne by the party conducting the deposition.

(c) **Sanctions.** Failure to comply with or object to a discovery request in a timely fashion as provided by §1-33 of this title may result in the imposition of sanctions as appropriate, including those specified in §1-33(e) of this title.

§2-30 Interlocutory Review.

(a) Within five days after issuance of any interlocutory order or decision, a party may move for certification by the Administrative Law Judge that such order or decision may be submitted, in whole or in specified part, for review by the chair of the Commission. If the party moving for certification seeks a stay of proceedings, in whole or in part, pending completion of the interlocutory review, the motion for certification shall include a statement as to why the failure to grant the requested stay would materially prejudice the party. Certification may also be made, and a stay may be ordered, by the Administrative Law Judge on his or her own motion.

(b) As provided by the Commission's rules (47 RCNY §1-74), failure of a party to seek interlocutory review of a decision or order shall not preclude that party from making such challenge to the Commission in connection with the Commission's review of a report and recommendation in a case, provided that the party timely made its objection known to the Administrative Law Judge and that the grounds for such challenge shall be limited to those set forth to the Administrative Law Judge.

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 2 ADDITIONAL RULES OF PRACTICE APPLICABLE TO PARTICULAR TYPES OF CASES AT OATH

SUBCHAPTER D RULES FOR POST-SEIZURE REVIEW OF IMPOUNDMENT OF VEHICLES*2

§2-41 Applicability.

This subchapter shall apply solely to cases brought to determine the validity of post-seizure retention of vehicles by the Police Department as evidence or for prospective or pending actions to forfeit such vehicles pursuant to §14-140 of the New York City Administrative Code. Chapter 1 of this title shall also apply to such cases except to the extent that it is inconsistent with this subchapter or with **Krimstock v. Kelly,** 99 Civ. 12041 (MBM), order and judgment (S.D.N.Y. Jan. 5, 2004), and any amendments, modifications and revisions thereof.

HISTORICAL NOTE

Section added City Record Apr. 27, 2004 eff. May 27, 2004; replaces section added by emergency rule promulgated City Record Jan. 22, 2004 eff. Jan. 22, 2004. [See Subchapter D footnote]

FOOTNOTES

2

[Footnote 2]: * Subchapter D added City Record Apr. 27, 2004 eff. May 27, 2004 [Note 1]; replaces Subchapter D added by emergency rule promulgated City Record Jan. 22, 2004 eff. Jan. 22, 2004. [Note 2] Note:

1. Statement of Basis and Purpose of Rules in City Record Apr. 27, 2004. These rules replace rules promulgated by emergency procedure on January 22, 2004, to implement Krimstock v. Kelly, 99 Civ. 12041 (MBM), amended order and judgment (S.D.N.Y. Jan. 22, 2004). The order in Krimstock v. Kelly requires the New York City Police Department to provide hearings to drivers and owners of vehicles seized in connection with arrests for alleged crimes such as driving while intoxicated. The emergency rules applied solely to vehicle forfeiture cases brought by the Police Department pursuant to Krimstock v. Kelly. These rules have been modified slightly to make them applicable to any vehicle forfeiture cases that might be brought. No other substantive change is intended.

These rules supplement and modify OATH's existing rules of practice, solely for purposes of hearings regarding city agencies' retention of vehicles seized for use as evidence or for forfeiture, including vehicles seized, as required by Krimstock v. Kelly.

2. Provisions of City Record Jan. 22, 2004: This emergency rulemaking implements Krimstock v. Kelly, 99 Civ. 12041 (MBM), order and judgment (S.D.N.Y. Jan. 5, 2004), which requires the New York City Police Department to provide hearings to drivers and owners of vehicles seized in connection with arrests for alleged crimes such as driving while intoxicated.

The rules promulgated herein on an emergency basis supplement and modify OATH's existing rules of practice, solely for purposes of hearings to be held pursuant to the order in Krimstock v. Kelly. In addition, the order in Krimstock v. Kelly provides that OATH's rules of practice shall apply to such hearings "to the extent such rules are not in conflict with the terms of this Order and Judgment"; therefore, the practitioner or party appearing before OATH in these hearings must be familiar with OATH's existing rules of practice, these proposed rules, and the order in Krimstock v. Kelly.

FINDING OF IMMEDIATE THREAT IT IS HEREBY CERTIFIED that the immediate effectiveness of emergency rules relating to the post-seizure review of the impoundment of certain vehicles is necessary to prevent an immediate threat to health, safety and property, by ensuring compliance with a Court order prescribing procedures for such review to be undertaken by the Office of Administrative Trials and Hearings. I hereby make the following finding of immediate threat to health, safety and property necessary to establish that an emergency rulemaking is required in relation to the protection of health, safety and property.

On January 5, 2004, the United States District Court for the Southern District of New York (Mukasey, J.) issued its Order and Judgment in Krimstock v. Kelly, 99 Civ. 12041. Judge Mukasey's Order implements a determination by the United States Court of Appeals for the Second Circuit in that case, 306 F.2d 40 (2d Cir. 2002). The Court of Appeals held that, when a vehicle is seized by the City and held for forfeiture after its driver has been arrested for driving while intoxicated ("DWI") or another crime, the vehicle's owner must be afforded an opportunity to be heard on the "probable validity" of the seizure. The District Court Order sets forth certain procedures which must be followed by the City in contacting the owner of a vehicle seized for forfeiture or as evidence in a criminal proceeding and holding the hearing. These procedures, by the terms of the Order, are effective on and after January 23, 2004. The Order further mandates that the hearing be held by the Office of Administrative Trials and Hearings ("OATH"). OATH's Rules of Practice (set forth in chapter 1 of Title 48 of the Rules of the City of New York), which normally govern OATH proceedings, differ in certain points from the requirements of the Order and set forth certain requirements which are not necessary for hearings conducted pursuant to the Order. It is essential that, by the date set by Judge Mukasey, OATH put in place rules for the conduct of the hearings in question which are consistent with the Order. Failure to do so would jeopardize OATH's ability to hold the required hearings and put at risk the City's program of seizing vehicles driven by

persons arrested for DWI, thus undermining the public's interest in having such vehicles forfeited. Further, such hearings are necessary to ensure that vehicles seized as evidence in criminal proceedings remain available for use by prosecuting authorities.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule relating to the post-seizure review of the impoundment of vehicles driven by persons arrested for DWI or other crimes or held as evidence in a criminal proceeding is necessary to address an immediate threat to health, safety and property.

FOOTNOTES

2

[Footnote 2]: * Subchapter D added City Record Apr. 27, 2004 eff. May 27, 2004 [Note 1]; replaces Subchapter D added by emergency rule promulgated City Record Jan. 22, 2004 eff. Jan. 22, 2004. [Note 2] Note:

1. Statement of Basis and Purpose of Rules in City Record Apr. 27, 2004. These rules replace rules promulgated by emergency procedure on January 22, 2004, to implement Krimstock v. Kelly, 99 Civ. 12041 (MBM), amended order and judgment (S.D.N.Y. Jan. 22, 2004). The order in Krimstock v. Kelly requires the New York City Police Department to provide hearings to drivers and owners of vehicles seized in connection with arrests for alleged crimes such as driving while intoxicated. The emergency rules applied solely to vehicle forfeiture cases brought by the Police Department pursuant to Krimstock v. Kelly. These rules have been modified slightly to make them applicable to any vehicle forfeiture cases that might be brought. No other substantive change is intended.

These rules supplement and modify OATH's existing rules of practice, solely for purposes of hearings regarding city agencies' retention of vehicles seized for use as evidence or for forfeiture, including vehicles seized, as required by Krimstock v. Kelly.

2. Provisions of City Record Jan. 22, 2004: This emergency rulemaking implements Krimstock v. Kelly, 99 Civ. 12041 (MBM), order and judgment (S.D.N.Y. Jan. 5, 2004), which requires the New York City Police Department to provide hearings to drivers and owners of vehicles seized in connection with arrests for alleged crimes such as driving while intoxicated.

The rules promulgated herein on an emergency basis supplement and modify OATH's existing rules of practice, solely for purposes of hearings to be held pursuant to the order in Krimstock v. Kelly. In addition, the order in Krimstock v. Kelly provides that OATH's rules of practice shall apply to such hearings "to the extent such rules are not in conflict with the terms of this Order and Judgment"; therefore, the practitioner or party appearing before OATH in these hearings must be familiar with OATH's existing rules of practice, these proposed rules, and the order in Krimstock v. Kelly.

FINDING OF IMMEDIATE THREAT IT IS HEREBY CERTIFIED that the immediate effectiveness of emergency rules relating to the post-seizure review of the impoundment of certain vehicles is necessary to prevent an immediate threat to health, safety and property, by ensuring compliance with a Court order prescribing procedures for such review to be undertaken by the Office of Administrative Trials and Hearings. I hereby make the following finding of immediate threat to health, safety and property necessary to establish that an emergency rulemaking is required in relation to the protection of health, safety and property.

On January 5, 2004, the United States District Court for the Southern District of New York (Mukasey, J.) issued its Order and Judgment in Krimstock v. Kelly, 99 Civ. 12041. Judge Mukasey's Order implements a determination by the United States Court of Appeals for the Second Circuit in that case, 306 F.2d 40 (2d Cir. 2002). The Court of Appeals held that, when a vehicle is seized by the City and held for forfeiture after its driver has been arrested for driving while intoxicated ("DWI") or another crime, the vehicle's owner must be afforded an opportunity to be heard on the "probable validity" of the seizure. The District Court Order sets forth certain procedures which must be followed by the City in contacting the owner of a vehicle seized for forfeiture or as evidence in a criminal proceeding and holding the hearing. These procedures, by the terms of the Order, are effective on and after January 23, 2004. The Order further mandates that the hearing be held by the Office of Administrative Trials and Hearings ("OATH"). OATH's Rules of Practice (set forth in chapter 1 of Title 48 of

the Rules of the City of New York), which normally govern OATH proceedings, differ in certain points from the requirements of the Order and set forth certain requirements which are not necessary for hearings conducted pursuant to the Order. It is essential that, by the date set by Judge Mukasey, OATH put in place rules for the conduct of the hearings in question which are consistent with the Order. Failure to do so would jeopardize OATH's ability to hold the required hearings and put at risk the City's program of seizing vehicles driven by persons arrested for DWI, thus undermining the public's interest in having such vehicles forfeited. Further, such hearings are necessary to ensure that vehicles seized as evidence in criminal proceedings remain available for use by prosecuting authorities.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule relating to the post-seizure review of the impoundment of vehicles driven by persons arrested for DWI or other crimes or held as evidence in a criminal proceeding is necessary to address an immediate threat to health, safety and property.

The emergency rules applied solely to vehicle forfeiture cases brought by the Police Department pursuant to Krimstock v. Kelly. These rules have been modified slightly to make them applicable to any vehicle forfeiture cases that might be brought. No other substantive change is intended.

These rules supplement and modify OATH's existing rules of practice, solely for purposes of hearings regarding city agencies' retention of vehicles seized for use as evidence or for forfeiture, including vehicles seized, as required by Krimstock v. Kelly.

2. Provisions of City Record Jan. 22, 2004: This emergency rulemaking implements Krimstock v. Kelly, 99 Civ. 12041 (MBM), order and judgment (S.D.N.Y. Jan. 5, 2004), which requires the New York City Police Department to provide hearings to drivers and owners of vehicles seized in connection with arrests for alleged crimes such as driving while intoxicated.

The rules promulgated herein on an emergency basis supplement and modify OATH's existing rules of practice, solely for purposes of hearings to be held pursuant to the order in Krimstock v. Kelly. In addition, the order in Krimstock v. Kelly provides that OATH's rules of practice shall apply to such hearings "to the extent such rules are not in conflict with the terms of this Order and Judgment"; therefore, the practitioner or party appearing before OATH in these hearings must be familiar with OATH's existing rules of practice, these proposed rules, and the order in Krimstock v. Kelly.

FINDING OF IMMEDIATE THREAT IT IS HEREBY CERTIFIED that the immediate effectiveness of emergency rules relating to the post-seizure review of the impoundment of certain vehicles is necessary to prevent an immediate threat to health, safety and property, by ensuring compliance with a Court order prescribing procedures for such review to be undertaken by the Office of Administrative Trials and Hearings. I hereby make the following finding of immediate threat to health, safety and property necessary to establish that an emergency rulemaking is required in relation to the protection of health, safety and property.

On January 5, 2004, the United States District Court for the Southern District of New York (Mukasey, J.) issued its Order and Judgment in Krimstock v. Kelly, 99 Civ. 12041. Judge Mukasey's Order implements a determination by the United States Court of Appeals for the Second Circuit in that case, 306 F.2d 40 (2d Cir. 2002). The Court of Appeals held that, when a vehicle is seized by the City and held for forfeiture after its driver has been arrested for driving while intoxicated ("DWI") or another crime, the vehicle's owner must be afforded an opportunity to be heard on the "probable validity" of the seizure. The District Court Order sets forth certain procedures which must be followed by the City in contacting the owner of a vehicle seized for forfeiture or as evidence in a criminal proceeding and holding the hearing. These procedures, by the terms of the Order, are effective on and after January 23, 2004. The Order further mandates that the hearing be held by the Office of Administrative Trials and Hearings ("OATH"). OATH's Rules of Practice (set forth in chapter 1 of Title 48 of the Rules of the City of New York), which normally govern OATH proceedings, differ in certain points from the

requirements of the Order and set forth certain requirements which are not necessary for hearings conducted pursuant to the Order. It is essential that, by the date set by Judge Mukasey, OATH put in place rules for the conduct of the hearings in question which are consistent with the Order. Failure to do so would jeopardize OATH's ability to hold the required hearings and put at risk the City's program of seizing vehicles driven by persons arrested for DWI, thus undermining the public's interest in having such vehicles forfeited. Further, such hearings are necessary to ensure that vehicles seized as evidence in criminal proceedings remain available for use by prosecuting authorities.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule relating to the post-seizure review of the impoundment of vehicles driven by persons arrested for DWI or other crimes or held as evidence in a criminal proceeding is necessary to address an immediate threat to health, safety and property.

[Footnote 2]: * Subchapter D added City Record Apr. 27, 2004 eff. May 27, 2004 [Note 1]; replaces Subchapter D added by emergency rule promulgated City Record Jan. 22, 2004 eff. Jan. 22, 2004. [Note 2]

Note:

1. Statement of Basis and Purpose of Rules in City Record Apr. 27, 2004. These rules replace rules promulgated by emergency procedure on January 22, 2004, to implement Krimstock v. Kelly, 99 Civ. 12041 (MBM), amended order and judgment (S.D.N.Y. Jan. 22, 2004). The order in Krimstock v. Kelly requires the New York City Police Department to provide hearings to drivers and owners of vehicles seized in connection with arrests for alleged crimes such as driving while intoxicated. The emergency rules applied solely to vehicle forfeiture cases brought by the Police Department pursuant to Krimstock v. Kelly. These rules have been modified slightly to make them applicable to any vehicle forfeiture cases that might be brought. No other substantive change is intended.

These rules supplement and modify OATH's existing rules of practice, solely for purposes of hearings regarding city agencies' retention of vehicles seized for use as evidence or for forfeiture, including vehicles seized, as required by Krimstock v. Kelly.

2. Provisions of City Record Jan. 22, 2004: This emergency rulemaking implements Krimstock v. Kelly, 99 Civ. 12041 (MBM), order and judgment (S.D.N.Y. Jan. 5, 2004), which requires the New York City Police Department to provide hearings to drivers and owners of vehicles seized in connection with arrests for alleged crimes such as driving while intoxicated.

The rules promulgated herein on an emergency basis supplement and modify OATH's existing rules of practice, solely for purposes of hearings to be held pursuant to the order in Krimstock v. Kelly. In addition, the order in Krimstock v. Kelly provides that OATH's rules of practice shall apply to such hearings "to the extent such rules are not in conflict with the terms of this Order and Judgment"; therefore, the practitioner or party appearing before OATH in these hearings must be familiar with OATH's existing rules of practice, these proposed rules, and the order in Krimstock v. Kelly.

FINDING OF IMMEDIATE THREAT IT IS HEREBY CERTIFIED that the immediate effectiveness of emergency rules relating to the post-seizure review of the impoundment of certain vehicles is necessary to prevent an immediate threat to health, safety and property, by ensuring compliance with a Court order prescribing procedures for such review to be undertaken by the Office of Administrative Trials and Hearings. I hereby make the following finding of immediate threat to health, safety and property necessary to establish that an emergency rulemaking is required in relation to the protection of health, safety and property.

On January 5, 2004, the United States District Court for the Southern District of New York (Mukasey, J.) issued its Order and Judgment in Krimstock v. Kelly, 99 Civ. 12041. Judge Mukasey's Order implements a determination by the United States Court of Appeals for the Second Circuit in that case, 306 F.2d 40 (2d Cir. 2002). The Court of Appeals held that, when a vehicle is seized by the City and held for forfeiture after its driver has been arrested for driving while intoxicated ("DWI") or another crime, the vehicle's owner must be afforded an opportunity to be heard on the "probable validity" of the seizure. The District Court Order sets forth certain procedures which must be followed by the City in contacting the owner of a vehicle seized for forfeiture or as evidence in a criminal proceeding and holding the hearing. These procedures, by the terms of the Order, are effective on and after January 23, 2004. The Order further mandates that the hearing be held by the Office of Administrative Trials and Hearings ("OATH"). OATH's Rules of Practice (set forth in chapter 1 of Title 48 of the Rules of the City of New York), which normally govern OATH proceedings, differ in certain points from the requirements of the Order and set forth certain requirements which are not necessary for hearings conducted pursuant to the Order. It is essential that, by the date set by Judge Mukasey, OATH put in place rules for the conduct of the hearings in question which are consistent with the Order. Failure to do so would jeopardize OATH's ability to hold the required hearings and put at risk the City's program of seizing vehicles driven by persons arrested for DWI, thus undermining the public's interest in having such vehicles forfeited. Further, such hearings are necessary to ensure that vehicles seized as evidence in criminal proceedings remain available for

use by prosecuting authorities.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule relating to the post-seizure review of the impoundment of vehicles driven by persons arrested for DWI or other crimes or held as evidence in a criminal proceeding is necessary to address an immediate threat to health, safety and property.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER A GENERAL RULES*12

§3-11 Definitions.

As used herein the following terms shall have the meanings specified.

Appearance. "Appearance" means a communication with the board or its tribunal that is made by a party or the representative of a party in connection with a notice of violation that is or was pending before the board or its tribunal. An appearance may be made in person or otherwise-for example, by mail.

Board. "Board" means the Environmental Control Board of the City of New York.

Executive Director. "Executive Director" means the executive director of the Environmental Control Board of the City of New York.

Hearing Officer. "Hearing Officer" means a person designated as a hearing officer by the chairman of the board.

Notice of Violation. "Notice of Violation" means the document issued by a petitioner to a respondent which specifies the charges forming the basis of an adjudicatory proceeding before the Environmental Control Board.

Party. "Party" means the person named as petitioner or respondent, or intervening as of right, in an adjudicatory or enforcement action before the board or its tribunal.

Person. "Person" means any individual, partnership, unincorporated association, corporation or governmental agency.

Petitioner. "Petitioner" means the commissioner, department or bureau within a department of the City of New York which commences an adjudicatory or enforcement proceeding before the Environmental Control Board.

Respondent. "Respondent" means the person against whom the charges alleged in a notice of violation have been filed.

Tribunal. "Tribunal" means the hearing officers and staff at the Environmental Control Board under the direction of the executive director charged with holding hearings on notices of violation, or hearings in the course of any special enforcement proceeding by the board.

2008 per City Record notice. [See Chapter 3 footnote]

Section amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. [See Chapter 3 footnote]

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record May 15, 2009:

Local Law 35 of 2008, signed by the Mayor on August 12, 2008 and effective November 23, 2008, created a new §1049-a of the City Charter, which consolidates the Environmental Control Board with the Office of Administrative Trials and Hearings. Section 2 of Local Law 35 also amended the City Charter to include a new subdivision b-1 of §1049-a, which imposes upon the Environmental Control Board the obligation to promulgate rules concerning provision of language assistance services and limitations on the discretion of a hearing officer to adjourn a hearing under certain circumstances. Section 2 also adds a new subdivision (f) of Section 1049-a, which allows for judicial review of a hearing officer's recommended decision and order if the respondent files exceptions in accordance with the board's rules and the board does not render a decision within 180 days, provided that the respondent complies with certain requirements including prior written notice. Section 13 of the Local Law requires that mandated rules must be promulgated no later than 180 days after the effective date of the local law. Therefore, it is required that these amended rules be promulgated no later than May 22, 2009. The proposed rule was published for notice and comment in the City Record on April 1, 2009.

The amendments proposed are intended to effectuate the purposes and the specific requirements now set forth in §1049-a, subdivision b-1 of the City Charter, as amended by Local Law 35. Other amendments have been proposed to clarify that a recording of a hearing may serve as a transcript for purposes of an appeal from a hearing officer's decision and to correct typographical errors and inconsistencies in the existing Rules of Procedure.

The Environmental Control Board held a public hearing on May 1, 2009 on the amendments to the Environmental Control Board's Rules of Procedure as required by Local Law 35 of 2008. Three written comments were received by the Environmental Control Board. No testimony was presented. After carefully considering the written comments submitted by the members of the public, the Board modified Section 3-52.1 (b) (i), entitled Adjournments to define a respondent's appearance on an adjourned date as "timely" if the respondent appears within two hours of the scheduled hearing time for a Notice of Violation (NoV). In the originally proposed rule, a respondent's appearance was "timely" if the

respondent appeared within one hour of the scheduled hearing time. The reason for this modification is to provide the same definition of timely for both respondents and petitioning agencies.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a,

in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

Section amended City Record Nov. 25, 2008 §1, eff. Nov. 25, 2008 per City Record notice. [See Note 1]

Section repealed and reissued (former T15 §31-12) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. [See Chapter 3 footnote]

Section repealed and added City Record Sept. 5, 1997 eff. Oct. 5, 1997. [See Chapter 3 footnote]

Section in original publication July 1, 1991.

NOTE

1. Statement of Basis and Purpose in City Record Nov. 25, 2008:

The Environmental Control Board has amended internal numbering references within its rules so as to change all references from §1404 of the City Charter to references to §1049-a of the City Charter, and so as to change all references from its own rules prefaced with a "31-" to references to its own rules prefaced with a "3-".

ECB has amended the internal numbering references within ECB's rules because ECB was consolidated with OATH as of November 23, 2008. This consolidation was pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amended City Charter §1404 which governs ECB, and re-numbered that section as §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008, and the functional transfer was effective on November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

In view of the consolidation of ECB with OATH, ECB has by separate rule (i) included all of its rules within Chapter 3 of Title 48, which is the title of the Rules of the City of New York that includes the rules of the Office of Administrative Trials and Hearings, and (ii) replaced the prefix "31-" in all ECB rule numbers with the prefix "3-".

Accordingly, ECB in the instant rule has re-numbered all internal references in its own rules to City Charter §1404, as references to §1049-a, and has renumbered all internal references in its own rules to sections prefaced with a "31-", as references to sections prefaced with a "3-".

As is authorized by §1043(d)(ii) of the NYC Charter, there was no public hearing regarding this rule, on the ground that such a public hearing would serve no public purpose. This determination was made because this rule merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has amended internal numbering references within its rules so as to change all references from §1404 of the City Charter to references to §1049-a of the City Charter, and so as to change all references from its own rules prefaced with a "31-" to references to its own rules prefaced with a "3-".

This immediate implementation is essential in view of the fact that ECB is being consolidated with OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will become effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that all the internal references within ECB's own rules will properly and timely reflect the new numbering of the Charter provision and of ECB's own rules resulting from the consolidation of ECB and OATH.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within

ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules

within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow

be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of

Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been

delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters

through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER B ADJUDICATIONS-PRE-HEARING PROCEDURE*1

§3-31 Notice of Violation.

(a) **Form:** All adjudicative hearings instituted by a petitioner shall be commenced by the issuance of a notice of violation on a form approved by the board.

(b) **Contents:** The notice of violation shall contain the name and address, when known, of a respondent; a brief description of the alleged violation, its date and place of occurrence; and reference to the provision of law or rule charged. The notice of violation shall contain information advising the respondent of the maximum penalty and of the time in which the respondent may admit or deny the violation charged. The notice of violation shall also contain a warning to the respondent that failure to plead in the manner and time stated in the notice may result in a default decision and order being entered against the respondent. On or after November 25, 2008, any notice of violation filed pursuant to this section that refers to section 1404 of the Charter as the legal authority for jurisdiction under which a hearing is to be held shall be deemed to refer to §1049-a of the Charter.

(c) **Service:** A notice of violation issued by a petitioner may be served on a respondent in accordance with the methods set out in §1049-a(d)(2) of the New York City Charter which render the tribunal's decision and order automatically docketable in Civil Court, or alternatively as provided by the statute, rule or other provision of law governing the violation alleged. Lawful service in a manner other than that provided for in §1049-a(d)(2) shall give the tribunal jurisdiction to hold a hearing or render a decision and order whether after hearing or in default thereof, but such decision and order shall not be entered in Civil Court or any other place provided for entry of civil judgments without

court proceedings.

(d) **Filing:** The original or a copy of the notice of violation, together with the proof(s) of service, shall be filed with the tribunal prior to the first scheduled hearing date. Failure to timely file all proofs of service shall not divest the tribunal of jurisdiction to proceed with a hearing or to issue a default order.

[See T48 §3-12 Note 1]

NOTE

1. Statement of Basis and Purpose in City Record Nov. 25, 2008:

The Board has amended §3-31(b) of Title 48 of the Rules of the City of New York (RCNY), to add text that reads as follows: "On or after November 25, 2008, any notice of violation filed pursuant to this section that refers to §1404 of the Charter as the legal authority and jurisdiction under which a hearing is to be held shall be deemed to refer to §1049-a of the Charter."

This text is being added to §3-31 in view of the fact that ECB's jurisdiction is now grounded in §1049-a of the New York City Charter, rather than in §1404 of the Charter, as was previously the case. This change is due to the enactment of Local Law Number 35 of 2008, which resulted in the consolidation of the Environmental Control Board (ECB) with the Office of Administrative Tribunals and Hearings (OATH). Local Law Number 35 re-numbered §1404 of the Charter as §1049-a of the Charter, effective on November 23, 2008. November 23, 2008 was the functional transfer date of the consolidation.

The Board has amended §3-31 in order to ensure that all NOVs issued on and after November 25, 2008, accurately reflect the legal authority and jurisdiction, §1049-a of the Charter, under which the hearing on the NOV will be held.

It should be noted that §3-31 of Title 48 of the RCNY was previously denominated §31-31 of Title 15 of the RCNY. However, that section is now numbered as §3-31 of Title 48 because all of ECB's rules have been transferred into Title 48 and given a new prefix of "3-" rather than of "31-" as a result of the consolidation of ECB with OATH.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has added text to indicate that "[o]n or after November 25, 2008, any notice of

violation filed pursuant to this section that refers to §1404 of the Charter as the legal authority and jurisdiction under which a hearing is to be held shall be deemed to refer to §1049-a of the Charter."

This immediate implementation is essential in view of the fact that ECB is being consolidated with OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH will become effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that NOVs will accurately reflect the legal authority and jurisdiction, §1049-a of the Charter, under which the hearing on the NOV will be held.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter

as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local

Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER B ADJUDICATIONS-PRE-HEARING PROCEDURE*1

§3-34 Adjudication by Mail.

(a) The executive director may designate certain classes of alleged violations or defenses as appropriate for adjudication by mail and prescribe procedures for such adjudication. Where respondent is offered the option of contesting the violation or presenting a defense by mail, respondent may move for such adjudication by application addressed to the tribunal. Such application shall set forth all facts and arguments relevant to the case relied on by the respondent. The application may be supported by affidavits or other documentary evidence.

(b) Upon receipt by the tribunal of an application for adjudication by mail, the matter shall be assigned to a hearing officer who shall review the record. The hearing officer may request further evidence to be submitted by respondent, may direct respondent to serve a copy of the application on petitioner, or may render a recommended decision and order based on the evidence in the record. The hearing officer may also deny the application for adjudication by mail and direct respondent to appear for a hearing in person.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules

within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow

be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

48 RCNY 3-35

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER B ADJUDICATIONS-PRE-HEARING PROCEDURE*1

§3-35 Motions to Intervene.

(a) **As of Right.** (1) A person may intervene as of right in an adjudicatory or enforcement proceeding if such person may be directly and adversely affected by an order of the board. An order imposing a monetary penalty only shall not be deemed an order directly or adversely affecting any person other than respondent.

(2) A written application by any person to intervene as of right shall be filed with the tribunal and served upon each party to the proceeding not less than 5 days before the hearing. Such application shall set forth in detail the reasons the applicant seeks to intervene. Upon being served with an application for intervention, any party wishing to respond thereto may do so within 3 days after receipt of the application. Such response, accompanied by any supporting documents, must be filed with the tribunal and served upon the applicant and all other parties. When such written application is made by any person, the matter shall be assigned to a hearing officer for disposition.

(3) An intervenor as of right shall have all the rights of an original party, except that the hearing officer may provide that such intervenor shall be bound by orders previously entered or evidence previously received, and that the intervenor shall not raise issues or seek to add parties which might have been raised or added more properly at an earlier stage of the proceeding.

(b) **Discretionary Intervention.**

When written application by any person for discretionary intervention is filed with the tribunal prior to the date set for hearing in any adjudicatory proceeding, the matter shall be assigned to a hearing officer. The hearing officer, subject to the necessity of conducting an orderly and expeditious hearing, may permit such person to intervene if good cause is shown therefore or if the applicant is in a position to assist in the proof or defense of the proceeding. An intervenor permitted to intervene at the discretion of the hearing officer shall be assigned such role in the proceeding as the hearing officer in his or her discretion may direct, taking into consideration the avoidance of unfairness to the parties and the intervenor and the avoidance of undue delay. An oral application to intervene by any person may be made at the commencement of the hearing and shall be considered by the hearing officer assigned to the case. A discretionary intervenor is not a party to the proceeding and has no standing to appeal the hearing officer's recommended decision and order.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is

consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City

Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER B ADJUDICATIONS-PRE-HEARING PROCEDURE*1

§3-37 Discovery.

(a) Upon written request received by the opposing party at least five business days prior to the scheduled hearing date, any party is entitled to receive from the opposing party a list of the names of witnesses who may be called and copies of documents intended to be submitted into evidence.

(b) Pre-hearing discovery shall be limited to the matters enumerated above. All other applications or motions for discovery, including depositions on oral examination, shall be made to a hearing officer at the commencement of the hearing and the hearing officer may order such further discovery as is deemed appropriate in his or her discretion.

(c) Upon the failure of any party to properly respond to a lawful discovery order or request or such party's wrongful refusal to answer questions or produce documents, the hearing officer may take whatever action he or she deems appropriate including but not limited to preclusion of evidence or witnesses, or striking the pleadings or defenses of such party. It shall not be necessary for a party to have been subpoenaed to appear or produce documents at any properly ordered discovery proceeding for such sanctions to be applicable.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules

within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow

be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local

Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and

(ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and

(ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. [Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and

(ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. 48 RCNY 3-51

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER C ADJUDICATIONS-HEARING PROCEDURES*2

§3-51 General Rules.

(a) **Expedition.** Hearings shall proceed with all reasonable expedition and insofar as is practicable shall be held at one place and shall continue without suspension, except for brief recesses, until concluded. Subject to §3-52.1, the hearing officer shall have the authority to grant brief adjournments, for good cause shown, and consistent with the requirements of expedition.

(b) **Notice of Hearing.** The notice of violation shall set the hearing date and place or, if none, the executive director shall set such time and place. In no event shall such hearing date be set for more than 60 days after the filing of the notice of violation at the tribunal. At least 10 days notice of such hearing date and location shall be sent to all parties. Where respondent waives the 10 day notice and requests an expedited hearing, the executive director may assign the case for immediate hearing, upon appropriate notice to petitioner and opportunity for petitioner to appear.

(c) **Rights of Parties.** Every party, except intervenors under §3-35(b), shall have the right of due notice, cross examination, presentation of evidence, objection, motion, argument and all other rights essential to a fair hearing.

(d) **Order of Hearing.** The following shall be the order of all adjudicatory hearings, subject to modification by the hearing officer for good cause:

(1) Presentation and argument of motions preliminary to a hearing on the merits;

(2) Presentation of opening statements; if any

(3) Petitioner's case in chief;

(4) Respondent's case in chief;

(5) Petitioner's case in rebuttal;

(6) Respondent's case in rebuttal;

(7) Respondent's closing argument;

(8) Petitioner's closing argument.

(e) **Oaths.** All persons giving testimony as witnesses at a hearing must be placed under oath.

(f) **Language Assistance Services.** (1) Appropriate language assistance services shall be afforded to respondents whose primary languages are not English to assist such respondents in communicating meaningfully with hearing officers. Such language assistance services shall include interpretation of hearings and of pre-hearing conferences conducted by hearing officers, where interpretation is necessary to assist the respondent in communicating meaningfully with the hearing officer. At the beginning of any hearing or pre-hearing conference, the hearing officer shall advise the respondent of the availability of interpretation. In determining whether interpretation is necessary to assist the respondent in communicating meaningfully with the hearing officer, the hearing officer shall consider all relevant factors, including but not limited to the following: (i) information from board administrative personnel identifying a respondent as requiring language assistance services to communicate meaningfully with a hearing officer; (ii) a request by the respondent for interpretation; (iii) even if interpretation was not requested by the respondent, the hearing officer's own assessment whether interpretation is necessary to enable meaningful communication with the respondent. If the respondent requests an interpreter and the hearing officer determines that an interpreter is not needed, that determination and the basis for the determination shall be made on the record.

(2) When required by paragraph (1) of this subsection, interpretation services shall be provided at hearings and at pre-hearing conferences by a professional interpretation service that is made available by the board, unless the respondent requests the use of another interpreter, in which case the hearing officer in his or her discretion may use the respondent's requested interpreter. In exercising that discretion, the hearing officer shall take into account all relevant factors, including but not limited to the following: (i) the respondent's preference, if any, for his or her own interpreter; (ii) the apparent skills of the respondent's requested interpreter; (iii) whether the respondent's requested interpreter is a child under the age of eighteen; (iv) minimization of delay in the hearing process; (v) maintenance of a clear and usable hearing record; (vi) whether the respondent's requested interpreter is a potential witness who may testify at the hearing. The hearing officer's determination and the basis for this determination shall be made on the record.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER C ADJUDICATIONS-HEARING PROCEDURES*2

§3-52 Hearing Officers.

(a) **Who Presides.** Hearings in enforcement proceedings shall be presided over by a hearing officer appointed by the board.

(b) **Powers and Duties.** Hearing officers shall have the duty to conduct fair and impartial hearings, to take all necessary action to avoid delay in the disposition of proceedings, and to maintain order. They shall have all powers necessary to these ends, including the following:

(1) To administer oaths and affirmations;

(2) To issue subpoenas and discovery orders and to rule upon objections to such orders;

(3) To rule upon offers of proof and receive evidence;

(4) To regulate the course of the hearing and the conduct of the parties and their representatives;

(5) To hold conferences for the simplification of issues or any other proper purpose;

(6) To interrogate witnesses;

(7) To consider and rule upon all procedural and other motions, including requests for adjournment;

(8) To make and file recommended decisions and orders.

(c) **Interference.** In the performance of their adjudicative functions, hearing officers shall not be responsible to or subject to the supervision of direction of any officer, employee or agent of a petitioner. No ex-parte communication relating to other than ministerial matters regarding a proceeding, including internal agency directives not published as rules, shall be received by a hearing officer from the petitioning agency or from individual members of the board.

(d) **Power to Discipline.** The hearing officer may for good cause noted on the record, and after a warning, bar any person, including a party or an attorney or other representatives of a party, from continued participation in a hearing where such person refuses to comply with the hearing officer's directions or behaves in a disorderly, dilatory or obstructionist manner. Any person so barred may make a prompt application to the executive director for a review of the hearing officer's action. The hearing may continue at the hearing officer's discretion, unless the executive director orders that further proceedings be stayed pending a decision on the application. No interlocutory appeal shall lie to the board from the decision of the executive director granting or denying the application.

(e) **Disqualification of Hearing Officer.**

(1) When a hearing officer deems himself or herself disqualified to preside in a particular proceeding, the hearing officer shall withdraw from the proceeding by notice on the record and shall notify the executive director of such withdrawal.

(2) A party may, for good cause shown, request that the hearing officer remove or disqualify himself or herself. Such motion shall be ruled upon by the hearing officer in the proceeding. If the hearing officer denies the motion, the party may obtain a brief adjournment in order to promptly apply for review by the executive director.

(3) Upon recusal or removal of the hearing officer, the executive director shall appoint another hearing officer to continue the case. If a refusal to recuse is upheld by the executive director, the party may re-raise the issue on appeal.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of

Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the

rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 3-52.1

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER C ADJUDICATIONS-HEARING PROCEDURES*2

§3-52.1 Adjournments.

(a) In general, a hearing officer may adjourn a proceeding if he or she decides that the adjournment would allow one party to present its side of the dispute more effectively and would not be unreasonably inconvenient or unfair to the other party. In certain instances, however, a hearing officer's authority to adjourn a proceeding is limited. This Rule describes those instances.

(b) The Rule uses these special definitions:

(i) A respondent's appearance is "timely" if the respondent appeared within two hours of the scheduled hearing time for a notice of violation.

(ii) If the respondent has timely appeared, an appearance by the officer who issued the notice of violation is "timely" if the officer appears within two hours of the scheduled hearing time for the notice of violation or within one hour after a hearing officer has announced that he or she is available to call the notice of violation for a hearing.

(iii) "Extraordinary circumstances" are circumstances that could not reasonably have been foreseen by the petitioning agency. They do not include the fact that the parties disagree about the notice of violation or the charges it contains.

(c) Respect for a respondent's convenience means that a hearing should not be routinely adjourned once a respondent has appeared at a board office as instructed by the notice of violation. If a respondent makes a timely appearance on the date indicated on a notice of violation and at the specific board office location indicated on the notice of violation (or, if no specific board office location is indicated, at any board office location), the hearing officer may adjourn the hearing only if (i) the respondent consents to the adjournment; or (ii) a representative of the petitioning agency appears at the hearing, unless the failure of any representative of the petitioning agency to appear is due to extraordinary circumstances.

(d) Once a hearing has been adjourned for the convenience of one party, it should not routinely be adjourned again to accommodate the same party unless good cause is shown that a further adjournment is necessary to afford the party a reasonable opportunity to present relevant, non-cumulative testimony or evidence that would contribute to a full and fair hearing of each party's side of the dispute. However, absent extraordinary circumstances, a hearing will not be adjourned for the sole purpose of enabling the officer who issued the notice of violation to attend if: (i) the hearing has already been adjourned for the sole purpose of enabling the officer who issued the notice of violation to attend; (ii) the respondent timely appears on the adjourned hearing date at the specific board office location indicated on the adjournment order; and (iii) the issuing officer does not timely appear at the specific board office indicated on the adjournment order. In order to ensure the fairness and efficient functioning of the adjournment process, the petitioning agency will be granted an opportunity to confirm the issuing officer's availability for the proposed adjourned date of the hearing. If it is not possible for the date to be confirmed at the time of the hearing, proposed adjourned dates will be selected at the hearing, the petitioning agency will confirm with the hearing officer and within one week of the initial hearing notify the board of the adjourned date upon which the issuing officer will be available. A written notice will be mailed by the board to the respondent and the petitioning agency confirming the new adjourned date.

(e) An adjournment will sometimes be appropriate because of extraordinary circumstances. Under such circumstances, a petitioning agency may be entitled to an adjournment that would not otherwise be permitted. To ask for an adjournment because of extraordinary circumstances, the agency must file with the board a written statement of the claimed circumstances, accompanied by any supporting documents. The agency must also serve a copy of its request and any supporting documents on the respondent. The request must be made as soon as is reasonable after the agency becomes aware of the circumstances it claims to be extraordinary, but in no event more than five days after the agency becomes aware of those circumstances. The hearing officer before whom the case is pending shall determine whether extraordinary circumstances have been demonstrated to warrant an adjournment. The hearing officer shall also determine whether the case should be continued through consideration of written submissions only or through one or more additional hearing dates. In making those determinations, the hearing officer shall give the respondent an opportunity to state and support a position with respect to the existence of extraordinary circumstances, the appropriateness of an adjournment, the best approach to continuing the hearing and any other matter raised by the petitioning agency's submission.

HISTORICAL NOTE

Section added City Record May 15, 2009 §1, eff. June 14, 2009. [See T48 §3-11 Note 1]

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules

contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental

Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER C ADJUDICATIONS-HEARING PROCEDURES*2

§3-54 Evidence.

(a) **Burden of Proof.** The petitioner shall have the burden of proof in establishing by a preponderance of the credible evidence that respondent has committed the violation charged in the notice of violation, but the proponent of any factual proposition shall be required to sustain the burden of proof with respect thereto. The notice of violation, if sworn to or affirmed, shall constitute prima facie evidence of the facts stated therein.

(b) **Admissibility.** Relevant, material and reliable evidence shall be admitted without regard to technical or formal rules or laws of evidence applicable in the courts of the State of New York. Irrelevant, immaterial, unreliable or unduly repetitious evidence shall be excluded. Immaterial or irrelevant parts of an admissible document shall be segregated and excluded so far as practicable.

(c) **Official Notice.** Official notice may be taken of all facts of which judicial notice may be taken and of other facts within the specialized knowledge and experience of the board or the hearing officer. Opportunity to disprove such noticed fact shall be granted to any party making timely motion therefore.

(d) **Objections.** Objections to evidence shall be timely and shall briefly state the grounds relied upon. Rulings on all objections shall appear on the record.

(e) **Exceptions.** Formal exception to an adverse ruling is not required.

HISTORICAL NOTE

Section amended City Record May 15, 2009 §1, eff. June 14, 2009. [See T48 §3-11 Note 1]

Section repealed and reissued (former T15 §31-54) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. [See Chapter 3 footnote]

Section repealed, added and re-titled City Record Sept. 5, 1997 eff. Oct. 5, 1997. [See Chapter 3 footnote]

Section in original publication July 1, 1991.

CASE NOTES

¶ 1. The court held that this section was not unconstitutionally vague. Although the regulation did not specify the standard of proof, the court interpreted the regulation to require proof by a preponderance of evidence, which is the normal standard in a civil proceeding. New Amber Auto Service v. New York City Environmental Control Board, 163 Misc.2d 113, 619 N.Y.S.2d 496 (Sup.Ct. New York Co. 1994).

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB,

and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER C ADJUDICATIONS-HEARING PROCEDURES*2

§3-55 Interlocutory Appeals.

Interlocutory appeals from rulings of a hearing officer may be filed only after leave to file has been obtained from the hearing officer. Leave to appeal will not be granted except upon a showing that the ruling complained of involves substantial rights and will materially affect the final decision, and that a determination of its correctness before conclusion of the hearing is essential to serve the interests of justice. The board may, in its discretion, refuse to hear such interlocutory appeal even though leave to appeal has been obtained from the hearing officer. Unless otherwise ordered by the board or the hearing officer, an interlocutory appeal shall not stay the proceeding or extend the time for the performance of an act.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules

within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow

be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER C ADJUDICATIONS-HEARING PROCEDURES*2

§3-57 Decisions.

(a) **Hearing Officer's Recommended Decision and Order.** As soon as possible after conclusion of the hearing, the hearing officer shall prepare a recommended decision and order. The hearing officer's decision shall set forth findings of fact and conclusions of law, and it shall set forth the hearing officer's reasons for findings on all material issues. If the charges contained in the notice of violation are upheld, the hearing officer shall prepare an order setting forth the penalty, and if the board is authorized by law to impose remedial relief or other sanction, the relief or sanctions recommended. The recommended decision and order shall be filed with the executive director and served on all parties.

(b) **Finality.** If timely exceptions are not filed as per §3-71, the hearing officer's recommended decision and order will be automatically adopted by the board without further action and shall constitute the board's final action in the matter.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters

through adjudication to the appellate process in a simple, unambiguous fashion.

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER D ADJUDICATIONS-APPEAL PROCEDURES*3

§3-71 Exceptions to Recommended Decision and Order.

(a) **Filing.** Any party aggrieved by the hearing officer's recommended decision and order may, within 30 days of mailing of the same, file written exceptions with the tribunal. A copy of the exceptions shall be served upon all parties, and proof of such service filed with the tribunal within 30 days of the mailing of said decision and order. Written exceptions must contain a concise statement of the issues presented, specific objections to the findings of fact and conclusions of law set forth in the hearing officer's recommended decision and order, and arguments presenting clearly the points of law and fact relied on in support of the position taken on each issue.

(b) **Answer.** Within 20 days after the service on a party of exceptions to the hearing officer's recommended decision and order, any party supporting the hearing officer's recommended decision and order or opposing the matters raised in the exceptions may file an answering brief. An answering brief shall follow the format and be served as required of exceptions by subparagraph (a).

(c) **Replies.** Further briefing shall not be permitted unless required by the board.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules

within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow

be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental

Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local

Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER D ADJUDICATIONS-APPEAL PROCEDURES*3

§3-74 Board Review.

(a) When exceptions have been filed with the tribunal, the board shall consider the entire matter on the basis of the record before it. The notice of violation, the transcript of the hearing and all briefs filed and exhibits received in evidence, together with the hearing officer's recommended decision and order, shall constitute the hearing record.

(b) The board may from time to time establish panels from among its members who shall conduct the review. If an appeal panel deems it necessary, it shall order further testimony or evidence be taken or submitted, or it may order oral argument on any or all of the questions raised on appeal. The appeal panel shall report its findings to the full board for final resolution.

(c) After such review, the board shall issue its decision. Such decision shall contain findings of fact and conclusions of law. An order consistent with such decision shall be made, exercising such of the board's powers as are deemed appropriate.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental

Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the

Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER D ADJUDICATIONS-APPEAL PROCEDURES*3

§3-76 Judicial Review of Board Decisions.

(a) After exhaustion of the procedures set forth above, judicial review of the final decision and order of the board may be sought pursuant to Article 78 of the New York Civil Practice Law and Rules.

(b) If a respondent appeals and the board does not issue a final decision and order after 180 days from the filing of exceptions, the respondent may at any time seek judicial review of the hearing officer's recommended decision and order pursuant to Article 78 of the New York Civil Practice Law and Rules and rely on the hearing officer's recommended decision and order as the final decision and order of the board, provided that three specific conditions are met:

(i) at least 45 days before the filing of a petition pursuant to Article 78 of the New York Civil Practice Law and Rules, the respondent files with the board written notice of the respondent's intention to file the petition;

(ii) the board has still not issued a final decision and order when the respondent files the petition; and

(iii) the respondent serves the petition on the board pursuant to the New York Civil Practice Law and Rules.

(c) After a respondent files with the board notice of intention to file a petition for judicial review under the preceding subsection (b), the board may still issue a final decision and order unless the respondent has already filed the

petition.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters

through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER E MISCELLANEOUS*4

§3-81 Default by Respondent.

(a) Failure of a respondent to make a timely response, or appear or proceed as required by the tribunal or hearing officer or these rules shall constitute a default. Upon default, the hearing officer or board shall thereupon render such decision and order in accordance with §1049-a(d)(1)(d) of the Charter. Orders rendered in consequence of a default shall take effect immediately. Notice of such order shall be sent to respondent.

(b) Where respondent was permitted to admit and pay by mail pursuant to §3-32, respondent shall also be offered the opportunity to enter a late admission and payment by mail within 30 days of the mailing date of the default order issued against respondent. An appropriate fee may be imposed by the tribunal for the processing of such late admission.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental

Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters

through adjudication to the appellate process in a simple, unambiguous fashion.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 3-91

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER F*5 SPECIAL HEARINGS AND ENFORCEMENT PROCEEDINGS

§3-91 Cease and Desist Actions.

(a) **Scope.** This section governs cease and desist actions brought by the board pursuant to Administrative Code §§24-178, 24-257, or 24-524, after respondent has had notice and an opportunity for a hearing on the violations alleged pursuant to the provisions of §§24-184, 24-263, or 24-524 as appropriate, and has failed to comply with orders issued by the board in such proceedings.

(b) **Issuance of Order and Notice.** Cease and desist actions shall be commenced by the issuance by the board of an order to cease and desist and a notice of special hearing. The order and notice shall identify the particular compliance order previously issued after an adjudicatory hearing, or in default thereof, that respondent is alleged to have disregarded, and the activity, equipment, device and/or process involved. The order shall direct respondent to show cause at a special hearing why the equipment, device or process should not be sealed and additional penalties imposed and shall notify respondent that if respondent does not appear as directed, the board order will be implemented forthwith.

(c) **Service.** The order to cease and desist and notice of special hearing shall be served personally or by certified mail, return receipt requested.

(d) **Hearing.** The special hearing shall be presided over by a hearing officer of the tribunal who shall have all of the powers and duties set out in subchapter C of these rules, except as more specifically provided below. The hearing

officer shall receive such evidence as may be presented by the petitioner which requested the board to issue the cease and desist order concerning respondent's failure to comply with orders previously issued, and such evidence as respondent may present in defense.

(e) **Report.** In lieu of a recommended hearing decision and order, the hearing officer shall prepare a report summarizing the evidence and arguments offered together with the hearing officer's findings of fact and recommendation as to whether the sealing should proceed and additional penalties be imposed. The report shall be promptly filed with the board.

(f) **Board Order.** Upon receipt of the hearing officer's report, the board may adopt, reject or modify the findings and recommendations and direct such further hearings or issue such further orders to respondent as are appropriate under the circumstances to assure correction of the violations. In any case in which the board issues an order requiring affirmative action to be taken by the respondent, such order may also require the respondent to file with the board a report or reports under oath attesting to respondent's compliance with the order. Failure to file a required report within the time limit set forth may, in the board's discretion, constitute a violation of the order regardless of whether the respondent has otherwise been in compliance with the provisions of the order.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was

consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and

penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local

Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER F*5 SPECIAL HEARINGS AND ENFORCEMENT PROCEEDINGS

§3-94 Hearings after Emergency Cease and Desist Orders.

When the board has issued an emergency cease and desist order, without hearing, on account of an imminent peril to public health, pursuant to Administrative Code §§24-178(f), 24-346(e) or 24-523(b), any person affected by such emergency order may, by written notice to the board, request a hearing or an accelerated hearing in accordance with said provisions. The hearing held pursuant to the request shall be held by the board and shall not be referred to a hearing officer. The hearing shall otherwise be conducted in accordance with the relevant provisions of law and such of the board's rules for adjudicatory hearings as may be applicable.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local

Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

Rules of the City of New York

***** Current through December 2009 ****

48 RCNY 3-95

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER F*5 SPECIAL HEARINGS AND ENFORCEMENT PROCEEDINGS

§3-95 Post Judgment Amendment of Records.

(a) Upon the motion of any party, the board may amend a judgment or judgments to designate a judgment debtor by his, her or its correct legal name.

(b) The motion shall be made in writing and filed with the executive director. The movant shall also file an affidavit setting forth the facts and evidence relied on by the movant and an affidavit of service, by certified or registered mail and regular mail, of the motion on the party whose name is sought to be corrected in the judgment or judgments at his, her or its last known address and at the address or addresses at which the notice or notices of violation was or were served. Such motion shall be served on all parties. The date and time of the hearing on the motion is to be set forth in the moving papers in accordance with the direction of the executive director but shall not be sooner than 10 days after the service of such motion on the party whose name is sought to be corrected. At such hearing any party may appear, in person or otherwise, with or without counsel, cross-examine witnesses, present evidence and testify. If the party whose name is sought to be corrected does not appear at the hearing the hearing officer may proceed to determine the evidence presented by the moving party in support of the motion.

(c) If the hearing officer finds that the movant has established, by a preponderance of evidence (i) the true name of the judgment debtor, (ii) that such person is the same person as the person designated on the notice of violation as responsible for the violation or violations and (ii) that service of the notice or notices of violation and of all other papers in the proceeding or proceedings was or were properly made upon such person, he or she shall grant such motion and

issue a recommended decision and order directing the amendment and correction, to reflect the correct legal name of such person, of all records relating to the proceedings commenced by the service of such notice or notices of violation, including the records of judgments filed with the civil court and in the office of the county clerk.

(d) The recommended decision and order shall be filed with the executive director and served on all parties. Any party who appeared at the hearing, in person or otherwise, may file exceptions to such recommended decision and order in the manner provided in §3-71 and the board shall render a final decision and order on such exceptions. Such final decision and order shall be the final decision of the board for purposes of review pursuant to article 78 of the Civil Practice Law and Rules.

(e) If exceptions are not filed within the time provided in §3-71, the hearing officer's recommended decision and order shall become the final decision and order of the board and, in accordance with applicable law, shall not be subject to review pursuant to article 78 of the Civil Practice Law and Rules.

(f) An order correcting a judgment shall not affect the duration of a judgment. The judgment shall remain in full force and effect for eight years from the date the judgment was originally entered.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC

Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as

practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules

within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow

be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

Acting Chairperson

Environmental Control Board

Approved: Michael R. Bloomberg, Mayor

48 RCNY 3-101

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-101 Air Asbestos Penalty Schedule.

AIR ASBESTOS PENALTY SCHEDULE

If a stipulation is offered and accepted at a hearing, the stipulation (stip.) penalty will be imposed.

Unless otherwise indicated, all citations are to 15 RCNY Chapter 1.

A second violation is a violation by the same respondent within two years, for an infraction within the same category as the prior infraction. (Categories are defined by description subheadings on this schedule, e.g., "Notification.")

The default penalty for all charges in this Penalty Schedule is $10,000.

Section	Description	1st Violation Penalty	1st Violation STIP.	2nd Violation Penalty	2nd Violation STIP.
1-01(e)	Knowingly made a false statement or submitted a false document to DEP	2400	1500	4800	3000
1-01(g)	Interfered with or obstructed DEP personnel	2400	1500	4800	3000
1-01(f)	Did not permit DEP inspection of Asbestos Project/Abatement Activities	2400	1500	4800	3000
1-01(c)	Failure of Asbestos Handler Supervisor to comply with all provisions of	1200	1000	2400	1500

	Asbestos Rules				
1-01(h)	Unprofessional conduct	1200	1000	2400	1500
	ASBESTOS INVESTIGATION CERTIFICATE				
1-16(a)(1)	Conduct of building survey and hazard assessment without DEP certification	2400	1500	4800	3000
1-16(a)(3)	Failure to collect bulk samples as specified	2400	1500	4800	3000
1-16(h)	Failure to sign/affix valid investigators seal to plan report as required	1200	1000	2400	1500
1-21(a)	Failed to comply with reporting and filing require- ments	2400	1500	4800	3000
1-21(b)	Failed to calculate project size and scope as required	2400	1500	4800	3000
	NOTIFICATION				
1-22(b)	Owner failed to determine the amount of ACM to be disturbed by permitted activity	2400	1500	4800	3000
1-23(c)	Failure to file required Asbestos Assessment Report (ACP-5) with Buildings Dept	2400	1500	4800	3000
1-25(c)	Failed to file Asbestos inspection report 7 days before work starts	2400	1500	4800	3000
1-25(d)	Failed to notify DEP in writing of any change in project notification	1200	1000	2400	1500
1-27(b)	Failure to immediately notify DEP of emergency project as required	2400	1500	4800	3000
1-27(c)	Failure to notify DEP in writing of emergency project within 48 hours	2400	1500	4800	3000
	PERMITTING				
1-26(a)	Failure to obtain asbestos abatement permit when required	4800	3000	9600	6000
1-26(c)(3)	Failure to maintain/provide record of final inspection	2400	1500	4800	3000
1-26(e)	Failed to terminate asbestos abatement permit w/in 1 yr of issuance	4800	3000	9600	6000
1-26(f)	Failure to maintain required insurance during work-permitted work	1200	1000	2400	1500
1-26(h)	Commencement of permitted work prior to permit issuance	1200	1000	2400	1500
	RECORDKEEPING REQUIREMENTS FOR INVESTIGATOR				
1-28(a)	Failure to maintain permanent records of Asbestos surveys as required	2400	1500	4800	3000
1-28(b)	Failure to compile complete records of Asbestos survey as required	1200	1000	2400	1500
1-28(c)	Failure to properly record work by non-certified individual as required	1200	1000	2400	1500
1-28(d)	Failure to maintain records of Asbestos surveys for 30 years	1200	1000	2400	1500
1-28(e)	Failure to make Asbestos survey records available for inspection by DEP	2400	1500	4800	3000
	PROJECT RECORD & PROJECT SUMMARY				
1-29(a)	Failure to properly maintain project record	1200	1000	2400	1500
1-29(b)	Failure to properly maintain project summary	1200	1000	2400	1500
1-29(c)	Failure to make project record or project summary available for inspection in a timely manner	1200	1000	2400	1500
	AIR MONITORING				
1-36(a)	Failure to retain independent third party Air Monitor	4800	3000	9600	6000
1-36(b)	Failure to have technician present during air sample collection	1200	1000	2400	1500
1-36(c)	Use of lab without required qualifications to perform bulk sample analysis	2400	1500	4800	3000
1-36(d)	Use of lab without required qualifications to perform air sample analysis	2400	1500	4800	3000
1-36(e)	Employment of unqualified analyst to perform air sample analysis (TEM)	2200	1500	4800	3000
1-37(a)	Failed to perform bulk sampling as required	1200	1000	2400	1500
1-37(b)	Failed to utilize area Air sampling equipment for PCM per 60 NIOSH 7400	1200	1000	2400	1500
1-37(c)	Failed to utilize area Air sampling equipment for TEM as required	1200	1000	2400	1500
1-37(d)	Failure to to use appropriate air sampling pump calibrated by rotometer	1200	1000	2400	1500
1-37(e)	Failure to properly inspect air sampling equipment	1200	1000	2400	1500
1-37(f)	Failure to create/maintain air sampling log	2400	1500	4800	3000

1-41(a)	Failed to conduct Air sampling in accordance with required schedule	4800	3000	9600	6000
1-41(b)	Failed to conduct Pre-Abatement Air sampling as required	1200	1000	2400	1500
1-41(c)	Failed to conduct Air sampling during abatement as required	2400	1500	4800	3000
1-41(d)	Failure to conduct Post-Abatement air sampling as required	2400	1500	4800	3000
1-42(a)	Utilization of improperly located air samplers	1200	1000	2400	1500
1-42(b)	Failed to locate ambient samplers properly	1200	1000	2400	1500
1-42(c)	Placed Air sampling equipment in corners or near obstructions	1200	1000	2400	1500
1-42(d)	Failed to have a chain of custody record for air samples	2400	1500	4800	3000
1-42(e)	Failed to follow specified area sampling schedule for air monitoring	2400	1500	4800	3000
1-42(f)	Failed to conduct air sampling for glovebag and tent procedures as required	2400	1500	4800	3000
1-43(a)	Failed to confirm absence of visible ACM before final air monitoring	2400	1200	4800	2400
1-43(b)	Failed to properly place required number of samples in work area	1200	1000	2400	1500
1-43(c)	Failed to properly place samples outside work area	1200	1000	2400	1500
1-43(d)	Failed to conduct aggressive sampling according to required procedures	2400	1500	4800	3000
1-43(e)	Area Air samples did not meet schedules for Post-Abatement monitoring	2400	1500	4800	3000
1-43(f)	Failed to reclean and re-sample in areas that failed clearance as required	2400	1500	4800	3000
1-43(g)	Failed to meet release criteria for any independent work area	2400	1500	4800	3000
1-44(a)	Failed to analyze and report PCM area Air samples as required	2400	1500	4800	3000
1-44(b)	Failed to analyze and report TEM area Air samples as required	2400	1500	4800	3000
1-44(c)	Failed to analyze and report bulk sample as required	1200	1000	2400	1500
1-44(d)	Failed to submit bulk/Air sampling results w/in 5 days of DEP request	2400	1500	4800	3000
1-45(a)	Failed to follow proper procedures when action criteria exceeded	4800	3000	9600	6000
1-45(b)	Failed to meet clearance and/or reoccupancy criteria	2400	1500	4800	3000
	WORKER PROTECTION REQUIREMENTS				
1-51(a)	Employed uncertified workers on an Asbestos project	4800	3000	9600	6000
1-51(b)	Failed to have supervisor present during abatement activities	4800	3000	9600	6000
1-51(c)	Allowed persons inside work place w/out proper protective clothing	4800	3000	9600	6000
1-51(d)	Failed to perform personal Air monitoring as per OSHA standards	2400	1500	4800	3000
1-51(e)	Failed to meet personal hygiene requirements at work site	1200	1000	2400	1500
1-51(f)	Failed to have required info in clean room	2400	1500	4800	3000
1-51(g)	Failed to post Asbestos warning signs at all approaches to work place	2400	1500	4800	3000
1-51(h)	Failed to affix required warning labels to all ACM waste containers	2400	1500	4800	3000
	MATERIALS AND EQUIPMENT				
1-61(a)	Did not store replacement materials outside work area as required	2400	1500	4800	3000
1-61(b)	Used replacement materials which did not comply with NYC Code and regulations	1200	1000	2400	1500
1-61(c)	Failed to use plastic of 6-mil thickness or greater for plasticizing	2400	1500	4800	3000
1-61(d)	Used duct tape and/or adhesive incapable of properly sealing plastic	2400	1500	4800	3000
1-61(e)	Failed to use and/or label 6-mil bags or containers for ACM as required	2400	1500	4800	3000
1-61(f)	Failed to enclose ACM in airtight manner with impact resistant material	2400	1500	4800	3000
1-61(g)	Failed to use HEPA filtration as required on hand power tools	1200	1000	2400	1500
1-61(h)	Failed to provide ladders/scaffolds and/or seal joints/ends of same	2400	1500	4800	3000
1-61(i)	Failed to use UL listed and approved electrical equipment	1200	1000	2400	1500
1-61(j)	Failure to use non-carcinogenic/non-toxic chemicals	4800	3000	9600	6000
1-61(k)	Failure to use non-combustible/fire-retardant materials	4800	3000	9600	6000
1-61(l)	Failure to obtain DEP approval for substitute equipment/material	1200	1000	2400	1500
	GENERAL WORK PLACE PREPARATION-LARGE PROJECT				
1-81(a)	Failed to post notice of Asbestos project as specified	1200	1000	2400	1500
1-81(b)	Failure to post floor plan as specified	1200	1000	2400	1500

1-81(c)	Failure to vacate work place prior to and during abatement activities	4800	3000	9600	6000
1-81(d)	Failure to provide power from outside the work area thru GFI at source	4800	3000	9600	6000
1-81(e)	Failure to install worker decon in required sequence	4800	3000	9600	6000
1-81(f)	Failure to limit disturbance of ACM before erecting partition as required	2400	1500	4800	3000
1-81(g)	Failure to lockout/isolate heating/ventilation/air conditioning system	4800	3000	9600	6000
1-81(h)	Commencement of abatement prior to completion of work place preparation	4800	3000	9600	6000
1-81(i)	Failure to properly pre-clean and remove moveables and/or cover carpet	1200	1000	2400	1500
1-81(j)	Failure to remove flammables/extinguish ignition sources	2400	1500	4800	3000
1-81(k)	Failure to properly pre-clean and plasticize fixed objects in work area	1200	1000	2400	1500
1-81(l)	Failure to use temporary emergency lighting when required	1200	1000	2400	1500
1-81(m)	Failure to properly pre-clean the work area prior to plasticizing	2400	1500	4800	3000
1-81(n)	Failure to install isolation barriers over all openings to work place	4800	3000	9600	6000
1-81(o)(1)-(3)	Failure to segregate work area from work site with partitions as required	4800	3000	9600	6000
1-81(o)(4)-(5)	Failure to construct partitions to ensure unobstructed means of egress	4800	3000	9600	6000
1-81(p)	Failure to properly seal floors and walls with 2 layers of 6-mil plastic	4800	3000	9600	6000
1-81(q)	Failure to remove/clean ceiling-mounted objects not previously sealed	1200	1000	2400	1500
1-81(r)	Removal of contaminated ceiling tiles prior to full work area preparation	2400	1500	4800	3000
1-81(s)	Failure to lock entrances not used for workers or as emergency exits	2400	1500	4800	3000
1-81(t)	Failure to properly maintain/check exits	4800	3000	9600	6000
1-81(u)	Failure to post/maintain exit signs in work area	1200	1000	2400	1500
1-81(v)	Failure to post/maintain no smoking signs in work place	1200	1000	2400	1500
1-81(w)	Failure to properly seal and/or cover floor drains, pits, sumps, etc.	1200	1000	2400	1500
1-81(x)	Failure to maintain, secure, lockout elevators running thru work area	4800	3000	9600	6000
1-81(y)	Failure to provide adequate toilet facilities in vicinity of clean room	1200	1000	2400	1500
1-81(z)	Failure to have fire extinguisher(s) in work place	1200	1000	2400	1500
	WORKER DECONTAMINATION ENCLOSURE-LARGE PROJECT				
1-82(a)	Failed to provide or locate worker decon outside work area as required	4800	3000	9600	6000
1-82(b)	Failed to construct worker decon as specified	4800	3000	9600	6000
1-82(c)	Failed to fully line worker decon with 2 layers of opaque 6-mil plastic	2400	1500	4800	3000
1-82(d)	Failed to secure/weatherproof outside or publicly accessible decon	2400	1500	4800	3000
1-82(e)	Failed to provide proper prefabricated or trailer worker decon	1200	1000	2400	1500
1-82(f)	Failed to construct and/or maintain clean room as required	1200	1000	2400	1500
1-82(g)	Failed to install and/or maintain shower room as required	2400	1500	4800	3000
1-82(h)	Failed to provide shower filtration system as specified	2400	1500	4800	3000
1-82(i)	Failed to properly use or maintain equipment room	1200	1000	2400	1500
	WASTE DECONTAMINATION ENCLOSURE SYSTEM-LARGE PROJECT				
1-83(a)	Failed to properly construct waste decon as specified	4800	3000	9600	6000
1-83(b)	Failed to locate/install waste/worker decon where 1 exit exists	2400	1500	4800	3000
1-83(c)	Failed to construct waste decon in accordance with requirements of 1-82	2400	1500	4800	3000
	COMBINED WORKER/WASTE DECON-SMALL PROJECT				
1-84(a)	Failure to properly construct alternative worker/waste decon for small project	4800	3000	9600	6000
1-84(b)	Failure to properly utilize alternative worker/waste decon for small project	4800	3000	9600	6000
	ENGINEERING CONTROLS-LARGE PROJECT				
1-91(a)	Failed to utilize negative pressure ventilation equipment	4800	3000	9600	6000

1-91(a)(1)	Failure to use manometer to document pressure differential	1200	1000	2400	1500
1-91(b)	Failed to use negative pressure ventilation equipment 24 hrs/day	4800	3000	9600	6000
1-91(c)	Did not maintain static negative Air pressure of 0.02 in. water column	4800	3000	9600	6000
1-91(d)	Failed to turn on negative Air units 1 by 1 to check barrier integrity	2400	1500	4800	3000
1-91(e)	Failed to use dedicated power supply for negative Air units	2400	1500	4800	3000
1-91(f)	Failure to utilize/properly locate negative air cutoff switch	4800	3000	9600	6000
1-91(g)	Failure to follow procedures for loss of power to negative air units	4800	3000	9600	6000
1-91(h)	Failure to provide required air changes in work area	2400	1500	4800	3000
1-91(i)	Failure to make openings for negative air units airtight	1200	1000	2400	1500
1-91(j)	Use of negative air units not in compliance w/ANSI 9.2. Standards	4800	3000	9600	6000
1-91(k)	Operation of negative air system contrary to EPA report 560/5-85 (1985)	4800	3000	9600	6000
1-91(l)	Failure to exhaust negative air units to outside as required	2400	1500	4800	3000
1-91(m)	Failure to properly use second negative air unit in series as required	2400	1500	4800	3000
1-91(o)	Failure to smoke test/inspect/monitor ducts to ensure no fiber release	1200	1000	2400	1500
	WORK PLACE ENTRY AND EXITPROCEDURES-LARGE PROJECT				
1-92(a)	Failed to ensure proper work place entrance procedures are followed	2400	1500	4800	3000
1-92(b)	Failed to ensure that proper work area exit procedures are followed	4800	3000	9600	6000
	EQUIP/WASTE CONTAINER DECON &REMOVAL PROC. LARGE PROJECT				
1-93(a)	Permitted storage of ACM/carts in clean room when used as holding area	1200	1000	2400	1500
1-93(b)	Improperly removed waste while workers used combined decon system	1200	1000	2400	1500
1-93(c)	Improper worker transit during waste transfer in combined decon	1200	1000	2400	1500
1-93(d)	Did not clean ACM container/equipment properly before transfer into decon	1200	1000	2400	1500
1-93(e)	Failed to properly bag/package containerized ACM waste and equipment	1200	1000	2400	1500
1-93(f)	Improper washroom transit of workers prior to end of waste removal	1200	1000	2400	1500
1-93(g)	Failed to properly remove waste and equipment from airlock to holding area	1200	1000	2400	1500
1-93(h)	Failed to use/clean waste storage carts as required	1200	1000	2400	1500
1-93(i)	Failed to secure exit from waste decontamination system	1200	1000	2400	1500
1-93(j)	Failed to store waste storage carts in worksite holding area	1200	1000	2400	1500
	MAINTENANCE OF DECON SYSTEM ANDBARRIERS-LARGE PROJECT				
1-94(a)	Failed to inspect plastic barriers and partitions twice per shift	1200	1000	2400	1500
1-94(b)	Failed to smoke test plastic barriers and decon twice daily	1200	1000	2400	1500
1-94(c)	Failed to immediately repair damage or defects in decon	2400	1500	4800	3000
1-94(d)	Failed to follow proper procedure upon fiber release or barrier damage	4800	3000	9600	6000
1-94(e)	Failed to document specified events in daily projects log	1200	1000	2400	1500
	ACM ABATEMENT PROCEDURES				
1-102(a)	Performed dry removal of ACM without EPA and/or DEP approval	4800	3000	9600	6000
1-102(b)	Failed to sufficiently wet down ACM for enhanced penetration	4800	3000	9600	6000
1-102(c)	Failed to properly apply removal encapsulant as per federal guidelines	1200	1000	2400	1500
1-102(d)	Failed to bag ACM directly upon detachment from substrate as specified	2400	1500	4800	3000
1-102(e)	Failed to properly wet, wrap and secure large components of ACM	2400	1500	4800	3000
1-102(f)	Failed to remove all visible ACM residue from abated surfaces	2400	1200	4800	2400
	ENCAPSULATION PROCEDURES				
1-103(a)	Failure to utilize proper material for encapsulation/repair of ACM	1200	1000	2400	1500
1-103(b)	Failed to properly remove loose or hanging ACM before encapsulation	1200	1000	2400	1500
1-103(c)	Failed to use acceptable pigmented encapsulant	1200	1000	2400	1500

1-103(d)	Used encapsulant solvent or vehicle containing volatile hydrocarbon	1200	1000	2400	1500
1-103(e)	Improperly used latex paint as encapsulant	1200	1000	2400	1500
1-103(f)	Failed to properly field test encapsulant prior to use	1200	1000	2400	1500
1-103(g)	Failed to apply required thickness of bridging encapsulant over ACM	1200	1000	2400	1500
1-103(h)	Failed to use a different color for each coat of encapsulant	1200	1000	2400	1500
1-103(i)	Failed to properly apply penetrating encapsulant to ACM	1200	1000	2400	1500
1-103(j)	Failed to apply encapsulant with airless spray equipment as specified	1200	1000	2400	1500
1-103(k)	Failed to properly identify encapsulated ACM	2400	1500	4800	3000
	ENCLOSURE PROCEDURE				
1-104(a)	Did not properly remove loose/hanging ACM before installing enclosure	2400	1500	4800	3000
1-104(b)	Failed to properly repair areas damaged during enclosure procedure	1200	1000	2400	1500
1-104(c)	Failed to properly lower/remove/replace utilities service components	1200	1000	2400	1500
1-104(d)	Failed to properly identify enclosed ACM	2400	1500	4800	3000
	GLOVEBAG PROCEDURES				
1-105(a)	Failed to properly conduct glovebag procedures	4800	3000	9600	6000
1-105(b)(1)	Failed to bring tools/materials into work area before glovebag begins	2400	1500	4800	3000
1-105(b)(2)	Failed to conduct Air monitoring during glovebag procedure as required	2400	1500	4800	3000
1-105(b)(3)	Failed to have trained/equipped workers to conduct glovebag procedures	2400	1500	4800	3000
1-105(b)(4)	Failed to use properly sized glovebag for diameter of insulation	2400	1500	4800	3000
1-105(b)(5)	Failed to wet ACM prior to stripping during glovebag procedure	4800	3000	9600	6000
1-105(b)(6)	Failed to properly attach glovebag to insulation	4800	3000	9600	6000
1-105(b)(7)	Failed to smoke test glovebag as required	2400	1500	4800	3000
1-105(b)(8)	Failed to properly seal adjacent insulation during glovebag procedure	2400	1500	4800	3000
1-105(b)(9)	Failed to properly clean/wet surface, tools, etc. before glovebag is moved	2400	1500	4800	3000
1-105(b)(10)	Failed to properly seal insulation ends	2400	1200	4800	3000
1-105(b)(11)	Failed to properly remove tools/tool pouch from glovebag	2400	1500	4800	3000
1-105(b)(12)	Failed to use HEPA vacuum to evacuate glovebag or for clean up	2400	1500	4800	3000
1-105(b)(13)	Failed to properly collapse or seal glovebag prior to bag removal	2400	1500	4800	3000
1-105(b)(14)	Failed to properly double-bag and detach glovebag	2400	1500	4800	3000
1-105(b)(15)	Failed to properly wet/bag, dispose of waste from glovebag procedure	2400	1500	4800	3000
1-105(d)	Failure to utilize glovebag within containment as specified	1200	1000	2400	1500
	TENT PROCEDURES				
1-106(a)	Conducted tent procedures on 260 linear ft/160 sq. or more of ACM	2400	1500	4800	3000
1-106(b)	Failed to properly install and/or construct tent	2400	1500	4800	3000
1-106(c)	Failure to install airlock at tent entrance when required	2400	1500	4800	3000

1-106(d)	Failure to wear appropriate personal protective equipment during tent procedure	4800	3000	9600	6000
1-106(e)	Failure to attach tent to surface to produce an airtight seal	2400	1500	4800	3000
1-106(f)	Failure to provide/maintain proper negative air in tent	1200	1000	2400	1500
1-106(g)	Failure to use required wet removal methods during tent procedures	2400	1500	4800	3000
1-106(h)	Failure to place ACM removed in tent procedures in leaktight container	2400	1500	4800	3000
1-106(i)	Failure to properly clean/encapsulate enclosed surfaces in tent	2400	1500	4800	3000
1-106(j)	Failure to clean/encapsulate surfaces after tent failure/termination	2400	1500	4800	3000
1-106(k)	Failure to properly clean/double bag ACM for disposal as specified	2400	1500	4800	3000
1-106(l)	Failure to follow specified procedures for worker exit from tent	2400	1500	4800	3000
1-106(m)	Failure to have 4 air changes after abatement but before tent collapse	2400	1500	4800	3000
1-106(n)	Failure to collapse tent or dispose of contaminated material as specified	2400	1500	4800	3000
1-106(o)	Failure to follow proper glovebag procedure during removal in tent	1200	1000	2400	1500
	ROOFING REMOVAL PROCEDURES				
1-107(a)	Failure to properly cordon off and restrict access to work area	1200	1000	2400	1500
1-107(b)	Failure to use proper foam or liquid during removal	2400	1500	4800	3000
1-107(c)	Failure to maintain blanket of foam or liquid during removal	2400	1500	4800	3000
1-107(d)	Failure to keep ACRM wet during bagging process	1200	1000	2400	1500
1-107(e)	Failure to ensure that all persons in work area wear proper boots	1200	1000	2400	1500
1-107(f)	Carrying out of abatement during adverse weather conditions	1200	1000	2400	1500
1-107(g)	Failure to properly locate worker/waste decons	1200	1000	2400	1500
1-107(h)	Failure to remove or plasticize movable objects	1200	1000	2400	1500
1-107(i)	Failure to properly seal openings/ensure adequate air supply	1200	1000	2400	1500
1-107(j)	Failure to plasticize fixed objects as specified	1200	1000	2400	1500
1-107(k)	Failure to blanket roofing material w/foam before removal	2400	1500	4800	3000
1-107(l)	Failure to use HEPA filters on power tools used in removal	1200	1000	2400	1500
1-107(m)	Failure to properly conduct cleanup procedures	1200	1000	2400	1500
1-107(n)	Failure to conduct proper visual inspection	1200	1000	2400	1500
1-107(o)	Failure to remove all plastic sheeting after visual inspection	1200	1000	2400	1500
1-107(p)	Failure to conduct required air monitoring	1200	1000	2400	1500
	FLOORING REMOVAL PROCEDURES				
1-108(b)	Failure to use proper foam or liquid during removal	2400	1500	4800	3000
1-108(c)	Failure to maintain blanket of foam or liquid during removal	2400	1500	4800	3000
1-108(d)	Failure to keep ACM wet during bagging process	1200	1000	2400	1500
1-108(e)	Failure to ensure that all persons in work area wear proper boots	1200	1000	2400	1500
1-108(f)	Failure to plasticize baseboards and walls as specified	1200	1000	2400	1500
1-108(g)	Failure to provide negative pressure ventilation	1200	1000	2400	1500
1-108(h)	Failure to properly conduct cleanup procedures	1200	1000	2400	1500
1-108(i)	Failure to conduct proper visual inspection	1200	1000	2400	1500
1-108(j)	Failure to remove all plastic sheeting after visual inspection	1200	1000	2400	1500
1-108(k)	Failure to conduct required air monitoring	1200	1000	2400	1500
	VERTICAL SURFACE REMOVAL PROCEDURES				
1-109(a)	Failure to properly prepare work area	1200	1000	2400	1500
1-109(b)	Failure to construct decon within restricted area	1200	1000	2400	1500
1-109(c)	Failure to follow proper cleanup procedure	1200	1000	2400	1500
1-109(d)	Failure to conduct required air monitoring	1200	1000	2400	1500
	CONTROLLED DEMOLITION PROCEDURES				
1-110(a)	Demolition of building w/ACM in place w/no danger of collapse	4800	3000	9600	6000
1-110(b)	Failure to provide copy of condemnation letter to DEP	1200	1000	2400	1500
1-110(c)	Failure to perform demolition as per AC 28-215/56 NYCRR 11.5	2400	1500	4800	3000

	PRELIMINARY CLEANUP PROCEDURES-LARGE PROJECT				
1-111(a)	Failure to bag/wrap/containerize waste immediately upon removal	4800	3000	9600	6000
1-111(b)	Failure to properly clean waste decon on completion of waste removal	2400	1500	4800	3000
1-111(c)	Failure to properly clean worker decon when required	2400	1500	4800	3000
1-111(d)	Failure to stop work and dispose of excess water in work area	1200	1000	2400	1500
	FINAL CLEAN-UP PROCEDURES				
1-112(a)	Failed to HEPA vacuum all surfaces after removal of all visible ACM	1200	1000	2400	1500
1-112(b)	Failed to wet clean all surfaces in work area (first cleaning)	2400	1500	4800	3000
1-112(c)	Failure to apply lockdown encapsulant as specified	2400	1500	4800	3000
1-112(d)	Failure to vacate area for 12 hrs after 1st cleaning	1200	1000	2400	1500
1-112(e)	Failed to remove 1st layer of surface barriers	1200	1000	2400	1500
1-112(f)	Failure to properly perform 2nd cleaning	2400	1200	4800	2400
1-112(g)	Failure to follow required procedures for third cleaning	1200	1000	2400	1500
1-112(h)	Failure to remove 2nd layer of surface barriers	1200	1000	2400	1500
1-112(i)	Failure to verify absence of ACM prior to clearance air monitoring	2400	1200	4800	2400
1-112(j)	Failure to remove containerized waste from work areas as required	1200	1000	2400	1500
1-112(k)	Failure to properly decontaminate or dispose of tools, equipment, etc.	1200	1000	2400	1500
1-112(l)	Removal of isolation barriers before successful clearance air monitoring	4800	3000	9600	6000
1-112(m)	Failure to submit project monitor's report within 21 days of project completion	2400	1500	4800	3000
	PRE-DEMOLITION ABATEMENTPROCEDURES				
1-125(a)	Failed to post notice of Asbestos Project as required before abatement	2400	1500	4800	3000
1-125(b)	Failed to evacuate all occupants prior to abatement activities	2400	1500	4800	3000
1-125(c)	Failed to lock out electrical power and/or provide outside power as required	1200	1000	2400	1500
1-125(d)	Failed to install worker waste decon in required sequence	2400	1500	4800	3000
1-125(e)	Failed to lock out HVAC and/or install isolation barriers at ducts	4800	3000	9600	6000
1-125(f)	Commenced abatement prior to completion of work place preparation	4800	3000	9600	6000
1-125(g)	Used methods that raise dust during work area preparation	2400	1500	4800	3000
1-125(h)	Failed to properly preclean and/or remove objects from work area	1200	1000	2400	1500
1-125(i)	Failed to install required isolation barriers as specified	2400	1500	4800	3000
1-125(j)	Failed to properly cover/seal cinderblock/porous construction material	2400	1500	4800	3000
1-125(k)	Failed to make flooring in work area watertight	2400	1500	4800	3000
1-125(l)	Disturbed contaminated ceiling tiles prior to full work area prep	2400	1500	4800	3000
1-125(m)	Failure to establish and maintain required means of egress	4800	3000	9600	6000
1-125(n)	Failed to lock entrances to work area against unauthorized entry	2400	1500	4800	3000
1-125(o)	Failed to maintain/secure/lock-out elevators running thru work area	2400	1500	4800	3000
1-125(p)	Failed to provide adequate external toilet facilities near clean room	1200	1000	2400	1500
	ACM PROCEDURES: ORDER OF WORK				
1-126(a)	Failed to prevent demolition from compromising abatement on lower floors	4800	3000	9600	6000
1-126(b)	Improperly routed demolition debris through removal project work area	1200	1000	2400	1500
1-126(d)	Failed to maintain proper separation between abatement and demolition areas	1200	1000	2400	1500
1-126(e)	Failed to remove ACM from underground floors in proper sequence	1200	1000	2400	1500
1-126(f)	Failed to remove ACM from street level floor last	1200	1000	2400	1500
	CLEAN-UP PROCEDURES DURINGABATEMENT				
1-127(a)	Failure to bag/wrap/containerize waste immediately upon removal	4800	3000	9600	6000
1-127(b)	Failure to properly clean waste decon on completion of waste removal	2400	1500	4800	3000
1-127(c)	Failure to clean worker decon after shift/meal break as specified	2400	1500	4800	3000

1-127(d)	Failure to stop work and dispose of excess water in work area	1200	1000	2400	1500
	CLEAN-UP PREPARATION FOR CLEARANCEAIR MONITORING				
1-128(a)	Failure to properly remove/containerize visible accumulations of ACM	4800	3000	9600	6000
1-128(b)	Failure to remove containerized waste from work area as required	2400	1500	4800	3000
1-128(c)	Failure to properly wet-clean/HEPA vac surfaces in work area	2400	1500	4800	3000
1-128(d)	Failure to properly clean and/or encapsulate plastic on porous material	2400	1500	4800	3000
1-128(e)	Failure to properly encapsulate surfaces in work area	2400	1500	4800	3000
1-128(f)	Failure to remove and decontaminate all tools and equipment as required	1200	1000	2400	1500
1-128(g)	Removal of isolation barriers before final Air clearance	4800	3000	9600	6000
1-128(h)	Failure to submit project monitor's report within 21 days of project completion	2400	1500	4800	3000
12 NYCRR Part 56	Violation of New York State Industrial Code Rule 56-level 1(includes sections 56-4.2, 56-4.3, 56-4.9d, 56-4.10, 56-4.12c, 56-5.1a, 56-5.1f, 56-5.1h, 56-5.1j, 56-7.1d, 56-7.2n, 56-7.4a, 56-7.4b, 56-7.5a, 56-7.5b, 56-7.5c, 56-7.5d, 56-7.5e, 56-7.6, 56-7.7, 56-7.8a, 56-7.9a, 56-7.9b, 56-7.9c, 56-7.11a, 56-7.11b, 56-7.11d, 56-7.11e, 56-8.2e, 56-8.2g, 56-8.3a, 56-8.4a, 56-8.4b, 56-8.4c, 56-8.7a, 56-8.7l, 56-8.8a, 56-8.8b, 56-8.8k, 56-9.1a, 56-9.2d, 56-9.2g, 56-11.2a, 56-11.2f, 56-11.3a, 56-11.4a, 56-11.4b, 56-11.4c, 56-11.4d, 56-11.4e, 56-11.5a, 56-11.5c, 56-11.6a, 56-11.6b, 56-11.6c, 56-11.6d, 56-11.6e, 56-11.6f, 56-11.7a, 56-11.7b, 56-11.7c, 56-11.7d, 56-11.8a, 56-11.8b, 56-11.8c, 56-11.8d)	4800	3000	9600	6000
12 NYCRR Part 56	Violation of New York State Industrial Code Rule 56-level 2(includes sections 56-4.5, 56-4.6, 56-4.8a, 56-4.8c, 56-4.9b, 56-4.9c, 56-4.12a, 56-4.12b, 56-5.1e, 56-6.2a, 56-6.2b, 56-7.1b, 56-7.1c, 56-7.2a, 56-7.2d, 56-7.2e, 56-7.2f, 56-7.2g, 56-7.2h, 56-7.2i, 56-7.2j, 56-7.2k, 56-7.2l, 56-7.2m, 56-7.3, 56-7.4c, 56-7.5f, 56-7.10c, 56-7.11c, 56-7.11f, 56-8.2a, 56-8.2b, 56-8.2h, 56-8.4e, 56-8.4f, 56-8.4g, 56-8.4h, 56-8.4i, 56-8.5a, 56-8.5b, 56-8.5c, 56-8.5d, 56-8.5e, 56-8.7j, 56-8.7k, 56-8.8c, 56-8.8e, 56-8.8i, 56-8.8j, 56-8.9a, 56-8.9b, 56-9.1b, 56-9.1d, 56-9.2b, 56-9.3a, 56-9.3c, 56-9.3d, 56-11.3d, 56-11.3e)	2400	1500	4800	3000
12 NYCRR Part 56	Violation of New York State Industrial Code Rule 56-level 3(includes sections 56-3.4a, 56-3.6a, 56-3.6b, 56-3.6d, 56-3.6e, 56-4.7a, 56-4.7b, 56-4.7c, 56-4.8b, 56-4.9a, 56-5.1g, 56-7.2b, 56-7.2o, 56-7.10a, 56-7.10b, 56-7.11g, 56-8.1b, 56-8.2d, 56-8.2f, 56-8.6a, 56-8.6b, 56-8.7b, 56-8.7c, 56-8.7d, 56-8.7e, 56-8.7f, 56-8.7g, 56-8.7h, 56-8.7i, 56-8.8d, 56-8.8f, 56-8.8g, 56-8.8h, 56-8.9c, 56-8.9d, 56-8.9e, 56-8.9f, 56-8.9h, 56-8.9i, 56-9.1c, 56-9.1f, 56-9.1h, 56-9.3b, 56-10.2, 56-10.4, 56-11.3c, 56-11.5b)	1200	1000	2400	1500
	AIR CODE-STOP WORK ORDERS				
24-146.1(h)	Resumed work in violation of stop work order	4400	2750	8800	5500

HISTORICAL NOTE

Section extensively amended City Record Dec. 9, 2009 §§1-23, eff. Dec. 9, 2009 per City Record notice. [See Note 2]

Section repealed and reissued (former T15 §31-101) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. [See Chapter 3 footnote]

Section added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. [See Subchapter G footnote]

Air Code-Stop Work Orders 24-146.1(h) added City Record June 20, 2005 §1, eff. July 20, 2005.

[See Note 1]

12 NYCRR Part 56 (3 entries) amended City Record Mar. 2, 2007 §5, eff. Apr. 1, 2007. [See §3-103

Note 2]

NOTE

1. Statement of Basis and Purpose in City Record June 20, 2005:

The Environmental Control Board is making the following revisions to the ECB Penalty Schedules: (1) After considering the many public comments received in connection with the hearing held on November 18, 2004, the Board is now including within the ECB Penalty Schedules set out in Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York the penalty schedules relating to general and food vendor violations, by adding a Food Vendor Administrative Code Penalty Schedule; a General Vendor Penalty Schedule; and also adding additional food-vendor related charges to the Health Code penalty schedule, and renaming that penalty schedule the Miscellaneous Food Vendor Violations Penalty Schedule. (2) The Board is repealing the previous Sewer Control Rules Penalty Schedule, and reenacting that Penalty Schedule, as a result of the enactment of an amendment to §24-524(f) of the NYC Administrative Code, which changes the permissible minimum and maximum civil penalties for sewer code charges, and as a result of the NYC DEP Policy on Incentives for Business to Comply with Regulations Governing Discharges to Public Sewers, which encourages the voluntary disclosure of violations in exchange for a reduction or elimination of the penalty. (3) In the Air Code Penalty Schedule, the Board is revising the penalties for violation of Administrative Code §24-163 (idling of motor vehicle) and the definition of second and third offense applicable to §24-163, as a result of the enactment of an amendment to Administrative Code §24-178(b), which changes the penalty structure for such violations. (4) In the Air Code Penalty Schedule, the Board is adding a penalty for miscellaneous violations of NYC Administrative Code, Title 24, Ch. 1. (5) In the Health Code Lead Abatement Penalty Schedule, the Board is adding an explanatory note clarifying that the Penalty Schedule applies to previously-issued lead-abatement Notices of Violation, citing §173.14 of the Health Code. (6) In the Air Asbestos Penalty Schedule, the Board is adding a penalty for violation of Administrative Code §24-146(h), pertaining to air asbestos stop-work orders. (7) At the request of the Fire Department, the Board is clarifying the definition of second and subsequent violations in the Fire Penalty Schedule. (8) In the Buildings Penalty Schedule, the Board is adding a penalty for violation of Administrative Code §27-981.2 (failure to provide and install an approved operational carbon monoxide detecting device) as a result of the enactment of an amendment to the Administrative Code adding §§27-981.1 through 27-981.3 pertaining to carbon monoxide detecting devices.

2. Statement of Basis and Purpose in City Record Dec. 9, 2009: The Environmental Control Board (ECB) held a Public Hearing on various amendments to the Air Asbestos Penalty Schedule found in §3-101 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor oral testimony were presented. In the fall of 2007, Mayor Bloomberg convened the Construction, Demolition and Abatement Working Group, consisting of the Department of Environmental Protection, the Department of Buildings, the Fire Department, the Mayor's Office of Operations, and the Law Department. The Working Group was created in the aftermath of the August 18, 2007 fire at the Deutsche Bank building in lower Manhattan, which killed two New York City firefighters. The building, which had been damaged on 9/11, was undergoing asbestos abatement at the time of the fire, and the containment structures erected as part of the abatement, combined with the smoky conditions caused by the fire, caused the firefighters to become disoriented and interfered with rescue efforts. In light of these events, the Working Group was assigned to make recommendations to improve the safety of construction, demolition and abatement operations for workers, first responders and the general public. The Working Group identified 28 issues and developed 33

recommendations which were summarized in a July 2008 report to the Mayor entitled "Strengthening the Safety, Oversight and Coordination of Construction, Demolition and Abatement Operations". As a result of the Report, new provisions were added to the Air Pollution Control Code, requiring changes to the existing DEP Asbestos Rules found in Title 15, Chapter 1 of the Rules of the City of New York and the Environmental Control Board (ECB) Penalty Schedule found in §3-101, Subchapter G of Title 48 of the Rules of the City of New York entitled Air Asbestos Penalty Schedule. In addition, numerous changes were needed in order to conform the Rules and this Penalty Schedule to the New York State Department of Labor rules (Industrial Code Rule 56), which were extensively revised in 2006. The updates to the DEP rules were initially published in the City Record on July 30, 2009. After the required public hearing, final publication took place on September 11, 2009. The revised DEP Rules will become effective on November 13, 2009. In light of the new emphasis on building, fire and life-safety issues, the amount of the penalty for each charge was based on a determination as to the severity of an infraction in its effect on either (1) risk of exposure of any person to asbestos fibers or (2) risk of creation of building, fire or life-safety hazards. The most significant changes to the penalty schedule track the changes in the Air Asbestos rules. These changes are: **Permitting Requirements and Recordkeeping**: Subchapter C, which governs asbestos-related notifications, has been extensively revised. Asbestos projects which pose the greatest public-safety risks will now require an asbestos abatement permit, to be issued by DEP after approval of a Work Place Safety Plan, prepared by an engineer or architect, which addresses building and fire safety issues. Section 1-26 is the new permitting section. The penalties for failing to obtain a permit when required (§ 1-26(a)) and failing to terminate a permit within one year of issuance (§ 1-26(e)) are set at $4800, as these sections constitute the basic requirements of the new permitting scheme. The penalties for these changes appear in §4 of the proposed rule set forth above. Section 1-29 has been added to conform to NYS Department of Labor rules. This section requires the long-term maintenance of records related to the project. The penalties for these charges appear in §5 of the proposed rule and are set at the lowest level. **Egress**: The Rules contain new provisions requiring that egress be maintained during abatement work. The penalties for these changes appear in §10 of the proposed rule. The rules also require daily checks and the recording of egress conditions in the project log book. The penalties for these changes appear in §5 of the proposed rule. **Fire Safety**: The new penalty schedule encompasses changes to rules that strengthen the prohibition on smoking at abatement sites, require the use of fire-retardant plastic and fire-rated wood in the construction of containment structures, require the posting of a floor plan in the lobby and no smoking signs in the work place, and require that on certain projects a central cut-off switch be installed so that first responders can shut down negative air pressure units. New subsections of §1-61, sub-section (j), related to the use of carcinogenic or toxic substances, and (k), related to the use of fire-safe materials, are assigned high-level penalties due to the hazards presented by these infractions. Section 1-81 now contains several new work place preparation requirements related to fire-safety and egress issues. High-level penalties are proposed for §§ 1-81(o)(4-5) and 1-81(t), which relate to the maintenance of unobstructed means of egress. A high-level penalty is proposed for new § 1-91(f), which requires installation of a central cutoff switch for negative air machines on some projects; this was an important recommendation of the Working Group. The penalties for these changes appear in §§9, 10 and 13 of the proposed rule. **Air Monitoring**: Requirements relating to air monitoring have been changed to conform to New York State provisions. The penalties for these changes appear in §§2, 6, 7, and 8 of the proposed rule. **Small Projects**: All rules related to work place preparation and decontamination units now apply to all asbestos projects, not just large projects as under the existing Rules. The penalties for these changes appear in §11 of the proposed rule. **Special Procedures**: Four new sections have been added establishing special procedures for the removal of asbestos-containing roofing, flooring, and siding, as well as for controlled demolition of buildings with asbestos in place. In the past, these types of abatements were usually performed pursuant to standardized variances, and the new Rules for these procedures are based on the variance conditions which have been developed over the years. Most infractions under these new sections are assigned low-level penalties, as the asbestos materials involved are less likely to emit fibers when disturbed. The penalties for these changes appear in §17 of the proposed rule. There are few significant deletions from the existing penalty schedule. A few subsections and one entire section (1-127) have been deleted as part of the Rules revision, in order to conform to the NYS Department of Labor Rules. Finding of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of a Final Environmental Control Board rule that makes numerous amendments to the Air Asbestos Penalty Schedule, including penalties for the new Rules

which have been promulgated to enhance the safety of asbestos abatement projects for workers, first responders, and the general public. The Air Asbestos Penalty Schedule is found at §3-101 of Title 48 of the Rules of the City of New York. After the fire at the Deutsche Bank building that killed two firefighters in August 2007, Deputy Mayor Edward Skyler convened a Construction, Demolition & Abatement Working Group to recommend changes to strengthen the City's oversight and coordinated regulation of asbestos abatement operations. In July 2008 the Working Group recommended numerous changes to the DEP Asbestos Rules, 15 RCNY Chapter 1. As a result, extensive revisions to the DEP Asbestos Rules were promulgated and became effective on November 13, 2009. These revisions include a permitting requirement for many asbestos projects, the use of fire-retardant materials in the construction of enclosures, and the maintenance of proper egress at abatement sites. It is critical that DEP be able to fully enforce these new Rules as soon as possible. Since the new Rules are already in effect, it is important that the penalty schedule for these Rules be implemented upon publication of the Final Rule in the City Record, instead of waiting for the 30-day publication period to elapse. This will speed the Environmental Control Board's ability to adjudicate Notices of Violations issued under the Department of Environmental Protection's new Rules.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is

November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a

civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

RULES OF THE CITY OF NEW YORK

Title 48 Office of Administrative Trials and Hearings (OATH)

CHAPTER 3*6 ENFORCEMENT PROCEDURES BEFORE THE ENVIRONMENTAL CONTROL BOARD

SUBCHAPTER G*7 PENALTIES

§3-102 Air Code Penalty Schedule.

AIR CODE

PENALTY SCHEDULE

Unless otherwise indicated all citations are to the NYC Administrative Code.

* Civil penalty if facility in compliance and not in default at time of hearing and facility is eligible for registration under 24-109(b) or 24-109(b)(4).

"Offense" is abbreviated "OFF." "Stipulation" is abbreviated "STIP." "Default" is abbreviated "DEF."

Except in connection with violations of §24-163, a second offense is a violation by the same respondent within two years of the prior violation, at the same premises (if premises-related), and involving the same equipment. The prior violation may have been for any section of the Air Code. In connection with violations of §24-163, a second or third or subsequent offense is a violation by the same respondent within two years of the prior violation(s) and involving the same equipment, where the prior violation(s) were for a violation of §24-163.

Schedules E , F and G are set forth as tables at the end of this section.

NOTE

1. Statement of Basis and Purpose in City Record Aug. 17, 2009:

The Environmental Control Board (ECB) held a Public Hearing on August 6, 2009 on various amendments to the Air Code Penalty Schedule found in §3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor oral testimony were presented.

In sections 1 and 2 of the rule, the Board has revised the Air Code Penalty Schedule found in §3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to add two new charges for violations of §24-163(f), Idling of Motor Vehicle engine over one minute while adjacent to school (Diesel) and Idling of Motor Vehicle over one minute while adjacent to school (Non-diesel). These charges were added to that Penalty Schedule in light of the enactment of Local Law 5 of 2009. This new law amends §24-163 of the New York City Administrative Code in relation to engine idling by adding new subdivisions (f) and (g).

Section 24-163(f) provides that the allowable idling time is reduced from three minutes to one minute if the motor vehicle in question is "adjacent" to a school. "Adjacent" is defined in Chapter 39 of the rules of the City of New York, §39-02 entitled "Engine idling adjacent to any public or non-public school: "Adjacent shall mean on each and every street on which a school is located and has entrances/exits to such street. School shall include any building or structure, playground, athletic field or other property that is part of the school."

An exception is made for school buses to allow idling for mechanical work, to maintain a comfortable temperature for passengers or to operate wheel chair lifts. A defense is provided where the school was not readily identifiable as such. The penalties set forth are the same as those for the existing three-minute prohibition set forth in §24-163(a) of the New York City Administrative Code.

In §3, the Board has revised the Air Code Penalty Schedule found in §3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York by adding two new charges in light of the enactment of Local Law 16 of 2009 that amends the Administrative Code of the City of New York to add a new §24-163.8, in relation to the use of ultra low sulfur diesel fuel in diesel-powered generators used in the production of films, television programs and advertisements, and at street fairs in New York City. The first charge is for a violation of §24-163.8(b)(1), "Failed to use ultra low sulfur diesel fuel in generator for Film/TV/Ad/Street Fair." The second charge is for a violation of 24-163.8(c) "Made false claim regarding use of ultra low sulfur diesel fuel in generator." These charges have been added to that Penalty Schedule.

Section 24-163.8 provides that diesel-powered generators used to provide electricity for film, television or advertising productions or at street fairs must use ultra low sulfur diesel fuel. The provision applies to all productions or street fairs that require a permit from a city agency. For Film, TV and advertising productions, the Mayor's Office of Film, Theater and Broadcasting is required to issue a notice to the production company advising it of the new requirement. For street fairs, the Street Activity Permit Office is required to notify all applicants for street fair permits of the new requirement. The charging subdivision is (b)(1). In addition, under subdivision (c), the making of a false claim to a city agency "with respect to the provision of this section" is a violation. Subdivision (c) provides for a $500 penalty for violating the section or for making a false claim to a city agency with respect to the section.

In §4, the Board has revised the Air Code Penalty Schedule found in §3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York by adding twenty-nine new charges in response to the Department of Environmental Protection's (DEP) promulgation of Chapter 13 of Title 15 of the Rules of the City of New York (RCNY) pertaining to the prevention of the emission of dust from construction related activities.

Section 24-146 of the Air Pollution Control Code ("Preventing particulate matter from becoming airborne . . .")

authorizes the DEP Commissioner to promulgate rules regarding dust control during construction-related activities. Specifically, §24-146(c) states: "No person shall cause or permit a building or its appurtenances or a road to be constructed, altered or repaired without taking such precautions as may be ordered by the commissioner to prevent particulate matter from becoming airborne." Subdivision (f) further provides that dust control measures are to be taken during demolition, and specifies that walls are not to be toppled without DEP approval.

In response to numerous requests for more specific guidance regarding compliance with §24-146, DEP has promulgated "Rules pertaining to the prevention of the emission of dust from construction related activities", 15 RCNY Chapter 13. Section 24-178 of the Air Pollution Control Code sets forth a minimum penalty of $440 and a maximum penalty of $1750 for violations of §24-146(c), and a minimum penalty of $750 and a maximum penalty of $3000 for violations of §24-146(f). The penalty schedule for the Construction Dust Rules is based on a range of $440 to $1750 with the exception of violations issued under §13-07 of Title 15 of the RCNY ("Demolition"). Penalties for those violations range from $750 to $3000.

The penalty schedule for the Construction Dust Rules includes four penalty levels:

For violations of §§13-01(d) and 13-01(e), which deal with access to the site and interference with an inspector, the penalties are $700 for a first offense and $1085 for a second offense, to conform to the penalties set forth for analogous sections of the Air Code.

For §13-09, which deals with registration, the penalty is $875 for a first offense and $1315 for a second offense, to conform to the penalties set forth in the Air Code for failure to register.

For those infractions deemed to present the greatest impact on public health and comfort, a first offense penalty of $1000 and a second offense penalty of $1500 are established.

For those infractions deemed to pose a lesser hazard, a first offense penalty of $800 and a second offense penalty of $1200 are established.

2. Statement of Basis and Purpose in City Record Dec. 24, 2009: The Environmental Control Board (ECB) held a Public Hearing on November 19, 2009 on amendments to the Air Code Penalty Schedule found in §3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor oral testimony were presented. In §§1 and 2 of this final rule, the Board has revised the Air Code Penalty Schedule found in §3-102 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York (RCNY) by adding two new charges for violations of §15 RCNY 12-04 and one new charge for a violation of §15 RCNY 12-14(e) respectively. These charges are being added to ECB's Air Code Penalty Schedule in light of recently promulgated amendments to 15 RCNY Chapter 12, Rules Governing and Restricting the Use of Percholoroethylene (perc) at Dry Cleaning Facilities in the City of New York. Those amendments were promulgated by the Department of Environmental Protection (DEP) to reflect changes in the national emissions standards for perc. 15 RCNY 12-04(a) prohibits the installation of perc dry cleaning machinery in a residential building after July 13, 2006. 15 RCNY 12-04(b) requires that by July 13, 2009, the use of perc be eliminated from dry cleaning machinery that was installed in residential buildings between December 21, 2005 and July 13, 2006. 15 RCNY 12-14(e) requires dry cleaning owners and/or managers and all machine operators of perc dry cleaning machines to attend sixteen hours of training, to pass a state-administered test and to hold valid DEC Owner/Manager Certifications and/or Operator Certificates. The penalties for these new sections are in line with those currently in effect for most violations of the Perc Dry Cleaner Rules. In §3, the Board has revised the description of 15 RCNY 12 for violations of perc dry cleaner rules not specifically set out in this penalty schedule.

FOOTNOTES

6

[Footnote 6]: ** Chapter 3 and §§3-11-3-126 repealed and reissued (former T15 Chapter 31 §§31-11-31-126) City Record Nov. 24, 2008 §1, eff. Nov. 24, 2008 per City Record notice. Note further provisions of City Record Nov. 24, 2008:

Statement of Basis and Purpose. The Environmental Control Board (ECB) has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and the penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York. Such Chapter 3 of Title 48 shall contain all subchapters previously contained in Chapter 31 of Title 15, and the prefix "3" shall replace the prefix "31" in the rule numbers of all rules contained in such Chapter 3 of Title 48.

No public hearing was held on this rule in light of the fact that, pursuant to §1043(d)(ii) of the NYC Charter, ECB determined that a public hearing would serve no public purpose. ECB made this determination because the proposed repeal of ECB's rules as found in Title 15 of the RCNY, and the proposed reissuance and re-numbering of ECB's rules in Title 48 of the RCNY, merely reflects a ministerial implementation of the statutory mandate of Local Law Number 35 that ECB and OATH be consolidated. No written comments were received regarding this rule.

ECB proposed this repeal and reissuance in view of the fact that as of November 23, 2008, ECB was consolidated with the Office of Administrative Trials and Hearings (OATH) by virtue of the enactment of Local Law Number 35 of 2008. Title 48 of the RCNY includes OATH's rules. In view of the fact that ECB is consolidated with OATH, ECB's rules are being reissued as a part of OATH's rules within Title 48.

ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a.

Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB became effective on November 23, 2008.

The reason for the reissuance of ECB's rules in Chapter 3, in particular, of Title 48, is because OATH, by a rule simultaneously promulgated with this rule, is re-numbering what was previously numbered Chapter 3 of Title 48 ("Fitness and Discipline Hearings for OATH Employees") as Chapter 4 of Title 48. This re-numbering is being done so that ECB's rules can be placed within Chapter 3, in order to ensure a logical ordering of rules within Title 48.

ECB is also simultaneously promulgating a separate rule to re-number various internal references within ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board." For example, internal references to §1404 of the City Charter will be re-numbered as §1049-a, in order to reflect the re-numbering of the City Charter provision effectuated by Local Law Number 35 of 2008.

ECB will also in the near future be proposing additional rules to implement substantive mandates of Local Law Number 35, including mandates pertaining to the provision of language assistance services to respondents, and to adjournments.

Finding of Substantial Need for Earlier Implementation

I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the City Charter, and represent to the

Mayor, that there is a substantial need for the implementation, immediately upon its final publication in the City Record, of the new Environmental Control Board rule that has (i) repealed Chapter 31 of Title 15 of the Rules of the City of New York, relating to the rules of procedure and penalty schedules of the Environmental Control Board, entitled "Enforcement Procedures Before the Environmental Control Board," and (ii) reissued all rules contained in such chapter as Chapter 3 of Title 48 of the Rules of the City of New York, which includes the rules of the Office of Administrative Trials and Hearings (OATH).

This immediate implementation is essential in view of the fact that ECB is being consolidated into OATH pursuant to the provisions of Local Law Number 35 of 2008, which provides that "[t]here shall be in the office of administrative trials and hearings an environmental control board." To effect this consolidation, Local Law Number 35 amends City Charter §1404, which currently governs ECB, and re-numbers that Charter section as Charter §1049-a. Local Law Number 35 takes effect thirty days after its becoming law, or "as soon as practicable thereafter as a transfer of functions may be effectuated pursuant to subdivision 2 of §70 of the civil service law." The law was signed on August 12, 2008. The date on which a "transfer of functions" will have been effectuated is November 23, 2008. Accordingly, the consolidation of OATH and ECB becomes effective on November 23, 2008.

In view of the fact that the consolidation of ECB and OATH becomes effective on Sunday, November 23, 2008, the implementation of this rule upon publication is necessary to ensure that ECB's rules of procedure and penalty schedules, entitled "Enforcement Procedures Before the Environmental Control Board," are included within OATH's rules in Title 48 of the RCNY on November 24th, 2008, the date of final publication in the City Record.

Note: References to NYC Charter §1404 have been changes to §1049-a in all Statements of Basis and Purpose.

Chapter 3 subchapter headings amended City Record Mar. 2, 2007 §8, eff. Apr. 1, 2007. [See §3-103 Note 2] Chapter amended City Record Sept. 5, 1997 eff. Oct. 5, 1997. Note further provisions of City Record Sept. 5, 1997:

Statement of Basis and Purpose of Proposed Regulations: The Environmental Control Board (ECB), is a civil administrative tribunal charged with adjudicating many of the City's quality of life violations. ECB has the authority from time to time to make, amend and rescind such rules and regulations as may be necessary to carry out its duties under Chapter 45-A, §1049-a of the New York City Charter. The chief purpose of the proposed regulations is to ensure the Enforcement Procedures before the Board are clear and concise to the majority of users. Since the adoption of the existing enforcement procedures many additional areas of jurisdiction have been delegated to the Board resulting in the issuance of thousands of additional violations returnable to ECB for the hearing. The Board's intention for those who utilize the tribunal is that any rules they may be required to follow be easily understood. It is anticipated the proposed revisions will guide the user from pre-hearing matters through adjudication to the appellate process in a simple, unambiguous fashion.
7

[Footnote 7]: * Subchapter G schedule of sections amended City Record Jan. 26, 2006 §1, eff. Feb. 25, 2006. Subchapter G added City Record Dec. 23, 2004 §1, eff. Dec. 23, 2004. Note: Statement of Basis and Purpose of Final Rule. The New York City Charter and Administrative Code and other applicable provisions of law provide a range of possible penalties for the offenses adjudicated by the Environmental Control Board. The Board has determined, however, that the penalties it imposes should be uniform for comparably situated respondents. To achieve this purpose, the Board has developed a penalty schedule for its Hearing Officers ("administrative law judges") of its Tribunal. The Board has further concluded that this penalty schedule should be promulgated as a rule in accordance with the provisions of Charter Chapter 45, the City Administrative Procedure Act. Due to extensive comments and proposed revisions relating to penalties for general and food

vendors, the Board has determined that it will briefly defer rulemaking action on these penalties.

Statement of Substantial Need for Earlier Implementation I hereby find, pursuant to §1043, subdivision e, paragraph 1(c) of the New York City Charter, and represent to the Mayor, that there is a substantial need for implementation immediately upon its final publication in the City Record, of the rule setting forth penalties for offenses adjudicated by the Environmental Control Board. The rule amends Chapter 31 of Title 15 of the Rules of the City of New York, by adding a new Subchapter G, including Sections 31-100 through and including 31-126.

Immediate implementation of such rule is necessary because the Board has determined that in order to ensure compliance with City Administrative Procedure Act, it is advisable to publish penalty tables for offenses adjudicated by the Environmental Control Board pursuant to City Administrative Procedure Act rule making requirements. The Board must be in a position as soon as possible to impose on violators the penalties specified in said tables.

Mark D. Hoffer

Acting Chairperson

Environmental Control Board

Approved: Michael R. Bloomberg, Mayor

Date: December 21, 2004
