Hon. Kathleen H. Burgess  
Secretary to the Siting Board  
NYS Public Service Commission  
3 Empire State Plaza  
Albany, NY 12223

**RE: Case 17-F-0182: Application of Mohawk Solar LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 of the Public Service Law for Construction of a Solar Electric Generating Facility in the Towns of Canajoharie and Minden, Montgomery County.**

Dear Secretary Burgess:

Mohawk Solar LLC ("Mohawk Solar"), a subsidiary of Avangrid Renewables LLC, is seeking authority from the New York State Board on Electric Generation Siting and the Environment (the "Siting Board") to construct a 90 megawatt ("MW") solar photovoltaic electric generating facility (the "Project") in the Towns of Canajoharie and Minden, located in Montgomery County, New York, pursuant to Article 10 of the New York State Public Service Law ("PSL").

Mohawk Solar filed its Preliminary Scoping Statement ("PSS") on October 18, 2017. Comments on the PSS were due November 8, 2017. Pursuant to Section 1000.5 of the Siting Board's rules (16 NYCRR § 1000.5), Mohawk Solar hereby timely files its response to comments received on the PSS.<sup>1</sup> This response is being served on the individuals listed in Section 1000.5 (c) of the Siting Board's rules in the same manner prescribed for service of the PSS (*see* Attachment 1 to Mohawk Solar's reply comments). In addition, Mohawk Solar is providing a copy of its reply comments by email to the active party list in the above-referenced proceeding.

In their comments on the PSS, Department of Public Service Staff ("Staff") requested that Mohawk Solar attach an updated copy of the Public Involvement Program ("PIP") meeting log to its reply comments. In satisfaction of that request, a copy of the updated PIP meeting log is attached as Attachment 2 to Mohawk Solar's reply comments. In addition, Staff requested that

---

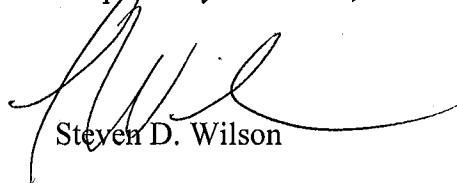

<sup>1</sup> On November 22, 2017, the Secretary granted a one week extension for Mohawk Solar to file responses to comments on the PSS.

Mohawk Solar provide a copy of the Towns of Canajoharie's and Minden's local laws. Given that the local laws total approximately 800 pages, Mohawk Solar respectfully requests that the Secretary waive any requirement for hard copy submissions and allow Mohawk Solar to provide the requested information to the parties listed in Attachment 1 on a compact disc. In furtherance of this request, a compact disc containing the local laws is being served on each party included in Attachment 1 in the same manner prescribed for service of the PSS. In addition, Mohawk Solar is providing a copy of the local laws by email to the active party list in the above-referenced proceeding.

Mohawk Solar looks forward to continuing to work with interested parties and stakeholders during the pre-application phase of this proceeding.

Please contact me with any questions.

Respectfully submitted,

Steven D. Wilson

STATE OF NEW YORK  
BOARD ON ELECTRIC GENERATION SITING AND THE ENVIRONMENT

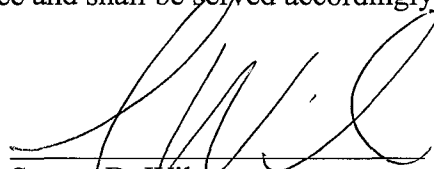

Application of Mohawk Solar LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 of the Public Service Law for Construction of a Solar Electric Generating Facility in the Towns of Canajoharie and Minden, Montgomery County

Case 17-F-0182

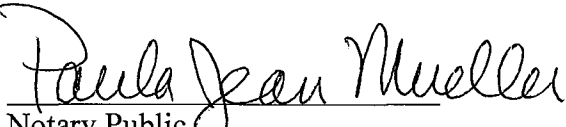

**CERTIFICATE OF SERVICE**

STATE OF NEW YORK )  
 ) ss.:  
COUNTY OF ALBANY )

Steven D. Wilson, a partner with Harris Beach PLLC, attorneys for Mohawk Solar LLC, being duly sworn, deposes and says that on December 6, 2017, he served a copy of Mohawk Solar LLC's responses to comments on its Preliminary Scoping Statement, filed in association with Mohawk Solar's proposed 90 megawatt (MW) Solar Photovoltaic Electric Generating Facility in the Towns of Canajoharie and Minden, Montgomery County, New York, by mailing a true hard copy, or copies, thereof via FedEx, upon the recipients identified in the attached list. Those persons included in the Party List have consented to Electronic Service and shall be served accordingly.

  
Steven D. Wilson

Sworn to before me this  
6<sup>th</sup> day of December, 2017.
