**RE: Charter’s Response to Order To Show Cause issued in Case 18-M-0178
REVISED REDACTED DOCUMENTS**

Dear Secretary Burgess:

On May 9, 2018, Charter Communications Inc. (“Charter”) filed its Response to the Commission’s Order to Show Cause in Case 18-M-0178. After a close review of the redacted documents, Charter has noticed that in two of the documents filed under this docket, there were some additional content that was not fully redacted in the original filing. In order to correct this, Charter prepared the following revised documents (attached to this letter):

1. Charter - Final Redacted - Quigley Declaration; and
2. Response of Charter Communications, Inc. to Order to Show Cause - Redacted

Please note that the content of these documents has not been changed, and the revisions are limited to redactions. To protect the confidential information included in these documents, Charter respectfully requests that Your Honor use the attached revised versions for filing.

Thank you for your attention to this matter and if you have questions, please contact me at 518 429 4231.

Respectfully submitted,

/s/ Ekin Senlet
