Secretary to the Commission  
NYS Department of Public Service  
Three Empire State Plaza  
Albany, NY 12223

We are requesting that a 30-day extension of time be granted Charter Communications to file the 2016 AFR-1 report (from March 30, 2017 to April 29, 2017). This request covers the Charter Communications legal entities within the state of New York.

This extension of time is necessary due to the fact that in order to complete the AFR-1, a large amount of data has to be accumulated due to the acquisition of the Time Warner Cable entities and that data has to come from our Regional Accounting Group, Fixed asset Accounting Group and our Corporate Accounting Group and not all of that data has been accumulated yet.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Lawrence", written over a light blue horizontal line.

**REASON FOR REQUEST**

In order to complete the AFR-1 for all of Charter Communications, data must be gathered from our Regional Accounting Team, Fixed Asset Accounting Team and the Consolidated Accounting team. We recently acquired Time Warner Cable and all data must then be compiled, reported and analyzed prior to submission. Not all of that data has been gathered and analyzed.
