

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 14-M-0101 - Proceeding on Motion of the Commission in
Regard to Reforming the Energy Vision.

RULING REVISING TRACK 2 SCHEDULE

(Issued July 25, 2014)

ELEANOR STEIN and JULIA SMEAD BIELAWSKI,
Administrative Law Judges:

As anticipated by our previous ruling on schedule,¹ we hereby revise the Track 2 schedule for this proceeding, supplanting the original Track 2 dates set forth in our May 1, 2014 Ruling Establishing Collaborative Agenda and Working Schedule. Among other considerations, extending the Track 2 milestone deadlines will give parties more time to prepare comments on Staff's Track 1 straw proposal (comments are due September 22, 2014) prior to the commencement of further and more active work on Track 2 issues. The revised Track 2 schedule is as follows:

October 3, 2014	Staff options paper
October 20, 2014 - December 15, 2014	Roundtable meetings with stakeholders to gain feedback on specific topic areas identified in Staff options paper.
January 30, 2015	Staff straw proposal
March 20, 2015	Party Comments due on Staff straw proposal
