RE: Case 06-M-1078 – Vantage Management  
Audit of Con Edison's Electric Emergency  
Outage Response Program

Dear Mr. Tai:

This will confirm completion of the Department of Public Service's oversight of Case 06-M-1078 - Vantage Management Audit of Con Edison's Electric Emergency Outage Response Program. Your last Implementation Update, dated December 10, 2010, contained sufficient detail about the completion of all recommendations from this audit to satisfy Staff that the recommendations have been implemented satisfactorily. As part of its normal oversight duties, Staff will continue to monitor Consolidated Edison's restoration efforts during any future events, to ensure continued compliance with the corrective actions taken as a result of this audit.

Thank you for your oversight of this important project.

Sincerely yours,

*Doris D Stout*
