Re: Case 18-M-0084 In the Matter of a Comprehensive Energy Efficiency Initiative

Dear Secretary Burgess,

The Association for Energy Affordability, Inc. (AEA) submitted informal comments on behalf of AEA itself and the Energy Efficiency for All New York Coalition (EEFA NY) last Friday, March 23, 2018. One member of the EEFA NY coalition was inadvertently left off the document. I have attached a revised version that is identical except for the addition of the Working Families organization to the logos and list in the footnote. We apologize for any inconvenience.

Respectfully submitted,

Valerie Strauss
Director of policy & Regulatory Affairs
