Dear Secretary Burgess:

Charter Communications, Inc., (“Charter”) is pleased to inform you that, as detailed below, Charter has satisfied its obligation under Section I.B.2 of Appendix A of the Merger Order¹ to offer, and if accepted provide, broadband service free of charge to 50 community anchor institutions located in low-income or underserved areas.²

In developing the list of Anchor Institutions, Charter performed an assessment of the libraries, schools, and other types of similarly situated community centers located in its footprint to determine potential eligibility for this Condition based on an examination of the economic and geographic characteristics of the institutions. Throughout this process, Charter met regularly with Staff and the Broadband Program Office and other stakeholders known to Charter to seek their input in order to facilitate geographic and demographic diversity of the list.

The attached list (Attachment A) provides the results of Charter's evaluation of these institutions. This program will enable these institutions to receive valuable broadband services, and will provide immeasurable and significant long-term value to the communities within which they reside.

Respectfully submitted,
