PUBLIC SERVICE COMMISSION

RULING ON PARTY STATUS

(Issued March 24, 2006)

ROBERT R. GARLIN, Administrative Law Judge:

The Public Service Commission's rules of procedure provide that permission to intervene in a Commission proceeding "will be granted if the intervention is likely to contribute to the development of a complete record or is otherwise fair and in the public interest."<sup>1</sup>

A request to intervene has been received from E Cubed Company, LLC (E Cubed). E Cubed states that it represents organizations that are Con Edison steam customers, including one that has been participating in this proceeding.

E Cubed has demonstrated sufficient interest in the issues in this proceeding, and its request to intervene is granted. An updated list of the parties to this proceeding will be posted shortly on the Commission's web site.
