CASE 05-S-0074 - New Tariff Schedule, PSC No. 1, for Steam Service in Calverton Industrial Park, filed by M-GBC, LLC.

PROCEDURAL RULING ON REVISED SCHEDULE

(Issued May 11, 2005)

MICHELLE L. PHILLIPS, Administrative Law Judge

A schedule was adopted in this case in a ruling issued March 15, 2005. By letter dated May 10, 2005, M-GBC, LLC (M-GBC) requests a two-month extension of the service dates for prefiled testimony and a postponement of the evidentiary hearing date. M-GBC indicates that the requested extension will afford the parties additional time to reach a settlement that may resolve numerous issues in this proceeding. M-GBC also requests that a procedural conference be held on or before June 30, 2005, to confirm that a settlement has been reached or to make further adjustments to the filing and hearing dates, if necessary. M-GBC notes that its requests are made on consent of all parties to this proceeding.

The joint proposal on a revised schedule is generally reasonable and is hereby adopted as follows:

<u>Date</u>	<u>Action Required</u>
July 19, 2005	Petitioner prefiles direct testimony to be served via e-mail, U.S. mail and overnight delivery.
September 20, 2005	Other parties prefile responsive testimony to be served via e-mail, U.S. mail and overnight delivery.

I anticipate that a procedural conference will be held, per the parties' request, however, the precise date and time for that conference will be communicated to the active parties at a later date by electronic mail.
