Property Tax Impacts; Monitor Compliance with Closure Agreement —**

ALBANY — The New York State Department of Public Service (Department) today announced the third meeting of the Indian Point Closure Task Force on Tuesday, December 19, 2017 at the Cortlandt Town Hall, Cortlandt, New York at 7:00 PM. The purpose of the meeting will be to continue discussion on the goals and priorities of the Task Force and to report on its progress. The meeting will also include presentations on key issues related to the planned closure of Indian Point. Members of the public are welcome to attend.

On Feb. 28, 2017, Governor Andrew M. Cuomo announced the creation of a task force to provide guidance and support to the communities, taxing jurisdictions, and employees affected by the planned closure of Indian Point. The Task Force was charged with developing recommendations to mitigate local tax and workforce impacts, evaluating and identifying new economic opportunities and work force retraining programs and opportunities, advocating for appropriate decommissioning timelines in the best interests of local communities, and ultimately positioning the region for a prosperous and sustainable future.

At its last meeting held on September 28, 2017, the Task Force publicly discussed and identified initiatives to help the local community prepare for the facility to cease power generation operations and shut down by 2021, introduced an independent consultant to study Indian Point site reuse and reutilization options, reviewed spent fuel management practices and the decommissioning process, and continued discussions with the local labor unions on employee support services.
