Dear Secretary Deixler:

Pursuant to a statement of Examiner Robert R. Garlin at the Issues Conference held on July 18, 2003 regarding the compilation of an Exhibit Exchange List containing no more than three persons for each party, the Owners' Committee on Electric Rates ("OCER") requests that the undersigned and the following two OCER experts be included on this list. If a separate active party service list is kept in the above-referenced proceeding from the Exhibit Exchange List, then OCER requests that the undersigned and OCER's two experts listed below also be included on such a list as well.

Finally, to the extent that parties have not done so already, OCER requests copies of all requests for and responses to discovery made in the above referenced proceeding by all parties.

Please advise if you require anything further or have any questions. Thank you for your attention to this matter. Your courtesy is appreciated.

Very truly yours,
