CASE 12-M-0476 - Proceeding on Motion of the Commission to Assess Certain Aspects of the Residential and Small Non-residential Retail Energy Markets in New York State.

CASE 98-M-1343 - In the Matter of Retail Access Business Rules.

Dear Administrative Law Judges Moreno and Bergin:

This letter address the September 20, 2017, request of George Pond that New York State Electric & Gas Corporation and Rochester Gas and Electric Corporation (the “Companies”) provide their requests for confidential treatment concerning the Companies’ confidential responses to Information Requests DPS-Utility 4. The Companies each submitted a single response for Information Request DPS-Utility 4, which referenced their respective confidential response to Information Request DPS-1. In assembling the copies requested by Mr. Pond, it has come to our attention that a separate letter requesting confidential treatment was inadvertently not filed based upon the Companies’ then-understanding of the Protective Order and applicable rulings and orders. Notably, however, the Companies designated the responses as confidential and provided the information pursuant to the terms of the Protective Order and applicable rulings and orders issued in the above-referenced proceedings. The Companies have certified to the undersigned as counsel, that the Companies only provided the confidential responses to those parties entitled to receive confidential information pursuant to the Protective Order and applicable rulings and orders.

In the event your honors prefer that the Companies also submit a separate confidentiality letter request, please advise me and a letter will be expeditiously filed. Please contact me if you have any questions regarding this matter.

Very truly yours,

A handwritten signature in cursive script that reads "Amy A. Davis".
