Re: Case 06-M-0878 – Joint Petition of National Grid plc and KeySpan Corporation for Approval of Stock Acquisition and other Regulatory Authorizations

Dear Secretary Brillling:

Attached are the 2012 renewals (the "Service Requests") pursuant to certain service agreements previously filed¹ with the New York Public Service Commission (the "Commission") for provision of services by National Grid Corporate Services LLC (formerly KeySpan Corporate Services LLC), National Grid Engineering & Survey, Inc. (formerly KeySpan Engineering & Survey, Inc.), and National Grid Utility Services LLC (formerly KeySpan Utility Services LLC) to Niagara Mohawk Power Corporation d/b/a National Grid, National Grid Generation LLC d/b/a National Grid, The Brooklyn Union Gas Company d/b/a National Grid NY, and KeySpan Gas East Corporation d/b/a National Grid (the "Service Agreements"). The signed Service Requests cover the continued provision of services, pursuant to the filed Service Agreements, for the period January 1, 2012 through December 31, 2012.

The Service Requests are being filed pursuant to Article VI (p. 8) of the Merger & Gas Revenue Requirement Joint Proposal ("Joint Proposal") filed in Cases 06-M-0878, and pursuant to § 110(3) of the Public Service Law. In the Joint Proposal, National Grid committed to execute and file revised service agreements between National Grid USA Service Company, Inc. and the KeySpan companies and between the KeySpan service companies – KeySpan Corporate Services LLC, KeySpan Engineering & Survey Inc., and KeySpan Utility Services LLC – and the National Grid companies that would be effective during an interim period until regulatory approvals and systems were in place to implement a full consolidation of the service companies on the combined system. The enclosed Service Requests permit the existing arrangement between National Grid Corporate Services LLC, National Grid Engineering & Survey, Inc., and National Grid Utility Services LLC to continue during the interim period.

¹ The service agreements with KeySpan Corporate Services LLC and KeySpan Engineering & Survey, Inc. were filed with the Commission on October 1, 2007. The service agreement with KeySpan Utility Services LLC was filed with the Commission on March 31, 2008.

Honorable Jaclyn A. Brillling, Secretary

December 8, 2011

The enclosed Service Requests for the Service Agreements do not modify any existing allocation methodologies or principles, nor are they intended to add any new allocation methodologies. The Service Requests are made effective as of January 1, 2012.

Respectfully submitted,
