---

Case 06-T-0650

New York Regional Interconnect Inc.  
INTERROGATORY/DOCUMENT REQUEST

Request No.: NYRI-161  
Directed To: Staff of the Department of Public Service  
Date of Request: January 28, 2009  
Reply Date: February 7, 2009  
Witness: Quimby & Schrom

---

NYRI-161 Please identify and describe each and every adverse human health effect or environmental impact that you believe to be more likely than not to be caused by a DC electric field that would occur at a DC electric field level of 15 kV/m or 28 kV/m that would not be caused by a DC electric field of 1.6 kV/m? Please provide scientific or technical studies that provide the basis for each and every claimed effect.

**Response:**

We have not studied any of the above. The commission has issues its opinion's and we are bound by them.
