Re: Case 15-M-0338: Joint Petition of Charter Communications, Inc. and Time Warner Cable Inc. for Approval of a Transfer of Control of Subsidiaries and Franchises; for Approval of a Pro Forma Reorganization; and for Approval of Certain Financing Arrangements

Confidential Treatment Request for Charter's Video Subscriber Numbers for January through April 2018

Dear Ms. Vigers:

Attached please find Charter Communications, Inc.'s ("Charter") Confidential Video Subscriber Report (the "Confidential Report") identifying Charter's total number of video subscribers for January 2018 through April 2018.

Pursuant to the Public Officers Law ("POL") §§ 87(2), 89(5) and Part 6-1.3 of the Commission's Regulations (16 N.Y.C.R.R. § 6-1.3), Charter requests confidential treatment of the attached Confidential Report, as this document contains detailed information regarding Charter's subscriber numbers, which if publicly disclosed, would cause substantial injury to Charter's competitive position. As such, the Confidential Report satisfies both the "trade secret" and the "substantial competitive injury" tests under the POL.

To protect confidentiality, this document must be maintained in the Department of Public Service's confidential files and must be provided only to interested members of the Commission and DPS Staff, and not otherwise be disclosed or made available, either through FOIL or otherwise. Please do not hesitate to call the undersigned if you have any questions regarding this matter.
