Re: Case 06-M-1078 – Proceeding on Motion of the
Commission to Audit the Performance of
Consolidated Edison Company of New York, Inc.
in Response to Outage Emergencies.

Dear Secretary Brillling:

Enclosed for electronic filing is the June 3, 2010 Quarterly Update of the *Master Implementation Plan of Consolidated Edison Company of New York, Inc. for the Final Report – Independent Audit of Consolidated Edison Company Electric Emergency Outage Response Program for the New York State Department of Public Service* (“Implementation Plan”). This quarterly update of the Implementation Plan is filed pursuant to the Commission’s *Order Directing the Submission of an Implementation Plan*, issued January 17, 2008 in the referenced proceeding.

The updates described in this filing include the continued expansion of a new callout system and the retention of a consultant for purposes of evaluating the Company’s current tree trimming program. As of today, only two items remain open. These items are on schedule for completion pursuant to the targets established in the Implementation Plan.

Very truly yours,

/s/ Anthony J. Torphy
