Re: Case 06-M-1078 – Proceeding on Motion of
the Commission to Audit the Performance of
Consolidated Edison Company of New
York, Inc. in Response to Outage
Emergencies.

Dear Secretary Brillling:

Enclosed for filing are the original and five copies of the March 3, 2010 Quarterly Update of the *Master Implementation Plan of Consolidated Edison Company of New York, Inc. for the Final Report – Independent Audit of Consolidated Edison Company Electric Emergency Outage Response Program for the New York State Department of Public Service* (“Implementation Plan”). This quarterly update of the Implementation Plan is filed pursuant to the Commission’s *Order Directing the Submission of an Implementation Plan*, issued January 17, 2008 in the referenced proceeding.

The updates described in this filing include the expansion of a new callout system and preparations to retain a consultant for purposes of evaluating the Company’s current tree trimming program. As of today, these are the only two items remaining open. These items are on schedule for completion pursuant to the targets established in the Implementation Plan.

Very truly yours,

Anthony J. Torphy
Director
Electric Operations – Emergency Management
