Footnotes:
 All Contracts may be terminated upon proper notice.
 Asset Management Arrangement is a citygate delivery associated with capacity release. NFGDC has monthly election right for baseload or daily delivery flexibility.
 Fixed Price includes a fixed commodity price plus/minus fixed basis.
 Index Cap indicates lesser of specified monthly index or fixed price.
 FOM w/Daily Option indicates Monthly Take or Release contract with ability to convert monthly baseload volume, priced at monthly index, to daily swing volume, priced at daily index.
 Monthly/Daily Index indicates pricing determined from published Monthly or Daily Indexes.
 Peaking Call Option indicates daily volume available during winter delivery term.
 Various Local Production purchases are not firm contract volumes and have been estimated for this report.
