SUBJECT: CASE 13-E-0162 – Tariff filing by Rochester Gas and Electric Corporation, to incorporate, onto one tariff leaf, language from two previously approved filings.

CASE 13-E-0163 – Tariff filing by New York State Electric & Gas Corporation, to incorporate, onto one tariff leaf, language from two previously approved filings.

SUMMARY OF

RECOMMENDATION: Staff recommends that the tariff amendments listed in the Appendix be allowed to become effective.

Discussion

On April 8, 2013, Rochester Gas and Electric Corporation (RG&E) and New York State Electric & Gas Corporation (NYSEG) (the Companies) filed amendments to their electricity tariff schedules (see Appendix) to consolidate onto the correct amendments, tariff provisions that were previously approved by the Commission

in Case Nos. 12-E-0395, 12-E-0397 and 12-E-0043.¹ On January 28, 2013 NYSEG and RG&E made compliance filings in Case 12-E-0043 which became effective on February 1, 2013. The Companies' amendments in Case Nos. 12-E-0395 and 12-E-0397 became effective on April 1, 2013. The Companies now propose to incorporate the effective tariff language from the previously approved filings onto the respective tariff amendments. The revisions are of a "housekeeping" nature and will have no impact on customers' bills. It is recommended that the amendments listed in the Appendix be allowed to become effective and special permission be granted waiving the requirement of Section 66(12)(b) of the Public Service Law as to newspaper publication of the changes proposed by the amendments.
