Dear Secretary Brillong:

Attached for electronic filing with the Commission is the revised Gas Transportation Operating Procedure (“GTOP”) Manual for The Brooklyn Union Gas Company d/b/a National Grid NY and KeySpan Gas East Corporation d/b/a National Grid (collectively, the “Company”), effective as of this date. The Company is filing a revised version of the GTOP Manual that supersedes the version previously filed with the Commission on February 10, 2012 to correct errors contained in the earlier version, specifically:

- p.9 – removing the duplicative organization chart for the Company’s Customer Choice department; and
- renumbering the pages and the Table of Contents.

These errors have been corrected in the revised version attached. Thank you for your attention to this matter.

Very truly yours,

Michael A. Bauer
