

NEW YORK STATE BOARD ON ELECTRIC
GENERATION SITING AND THE ENVIRONMENT

CASE 17-F-0619 - Application of Hecate Energy Greene 1 LLC, Hecate Energy Greene 2 LLC, and Hecate Energy Greene County 3 LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 of the Public Service Law for Construction of a Solar Electric Generating Facility Located in the Town of Coxsackie, Greene County.

NOTICE EXTENDING DEADLINE FOR SUBMISSION OF COMMENTS

(Issued June 6, 2018)

On June 4, 2018, Audrey Friedrichsen, Esq., on behalf of Scenic Hudson, Inc. (Scenic Hudson) requested an extension to July 6, 2018 to file comments on the Preliminary Scoping Statement (PSS) filed on May 29, 2018 by Hecate Energy Greene 1 LLC, Hecate Energy Greene 2 LLC, and Hecate Energy Greene County 3 LLC (collectively, Hecate Greene), all wholly-owned subsidiaries of Hecate Energy, LLC. The comment deadline is June 19, 2018.

Scenic Hudson states the PSS contains nearly 300 pages of technical information and preliminary descriptions of the proposed 50 MW solar PV facility. Scenic Hudson notes that a PSS was filed in Case 17-F-0617, Hecate Energy Albany LLC - Article 10 Application, which contains over 200 pages of technical information and has a comment deadline of June 15, 2018. Scenic Hudson states that there is insufficient time to provide detailed responses to the PSS in each proceeding with close comment deadlines. Scenic Hudson avers that an extension of time in this proceeding will allow commenters to provide more robust comments and will better contribute to the development of the record.

PLEASE TAKE NOTICE that, in response to Scenic Hudson's request for additional time to file comments on the

PSS, comments from any person, agency or municipality will be accepted until **4:30 P.M. on Friday, July 6, 2018.**

Within 21 days of the close of the public comment period, the project developer is required to file a summary of and reply to all timely-filed comments on the PSS. 16 NYCRR 1000.5(g). In this case, Hecate Greene's deadline to summarize and respond to all comments is correspondingly extended to **4:30 P.M. on July 27, 2018.**

Public comments may be filed electronically by visiting the Department of Public Service website at www.dps.ny.gov. Use the "Search by Case Number" function and enter Case 17-F-0619. Burgess, Secretary to the Siting Board, at secretary@dps.ny.gov, or by mail or delivery to Secretary Burgess at New York State Board on Electric Generation Siting and the Environment, Three Empire State Plaza, Albany, New York 12223-1350. PLEASE TAKE FURTHER NOTICE that any person, agency or municipality may submit comments on the Preliminary Scoping Statement by filing those comments with the Siting Board and serving them on Hecate Greene's designated representative, Gabriel Wapner, Hecate Energy, LLC, 621 W Randolph St., Chicago, IL 60661; E-mail: contact@greencountysolar.info.
