Dear Secretary Burgess:

The New York State Department of Transportation (NYSDOT) acknowledges receipt of the "Notice Cancelling Procedural Conference" that was scheduled for December 12th at the Canajoharie Town Hall. This is regarding the application of Mohawk Solar for a Certificate of Environmental Compatibility and Public Need to construct a solar facility in the towns of Canajoharie and Minden.

The NYSDOT has no comments at this time.

Sincerely,

Deborah S. Windecker
