Re: Appeal from RAO's determination No. 18-05

Dear Ms. Helmer:

On May 30, 2018, Charter Communications, Inc (Charter) appealed from the Records Access Officer's (RAO) May 18, 2018 Determination rejecting in part Charter's request that the agency exempt from disclosure certain Charter's submitted information. Charter's appeal "is not requesting reconsideration for each and every item that the RAO denied exemption from disclosure."¹ The appeal challenges only certain portions of the RAO's determination partially denying Charter's exemption request. As such, there is a lack of clarity as to the sections of records that Charter's appeal argues the RAO should have protected from disclosure.

To permit a fully reasoned decision on the appeal, Charter is hereby directed to submit redacted versions of the four documents that the appeal references, specifically identifying those portions of records that the appeal argues are exempted from disclosure. The 10-business-day

deadline for issuance of a decision on the appeal will begin to run after the agency receives the above-requested redacted records.

Yours very truly,

Kathleen H. Burgess
