

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 14-M-0101 - Proceeding on Motion of the Commission in
Regard to Reforming the Energy Vision.

NOTICE OF SYMPOSIUM ON REFORMING THE ENERGY VISION

(Issued April 25, 2014)

TAKE NOTICE that a public symposium concerning issues in this New York State Public Service Commission proceeding will be held on May 22, 2014, commencing at 9:00 a.m. at Albany Law School, 80 New Scotland Avenue, Albany, New York 12208, in the Dean Alexander Moot Court Room.

The purpose of the symposium is to hear distinguished speakers address the topics posed in the Commission order instituting this proceeding. At issue is aligning electric utility practices and the regulatory paradigm with technological advances in information management and power generation and distribution to achieve system efficiency, greater customer choice, and greater penetration of clean generation and energy efficiency technologies.

The speakers will present a global and national, as well as local, perspective. The program and further details will be posted prior to the Symposium. If you plan to attend, please RSVP to 14M0101@dps.ny.gov.

Members of the public are welcome.
