Mr. Michael Worden  
Deputy Director of Electric  
State of New York  
Department of Public Service  
Three Empire State Plaza  
Albany, New York 12223

RE: Case 14-M-0101 - Proceeding on Motion of the Commission in Regard to  
Reforming the Energy Vision.

Dear Mr. Worden:

I received your letter dated March 26, 2015, on behalf of the Market Design and Platform Technology (MDPT) group, requesting an extension from March 26, 2015 to March 31, 2015 to file its work plan pursuant to the Commission's *Order Adopting Regulatory Policy Framework and Implementation Plan*, issued February 26, 2015, in the above-referenced proceeding.

You state that the extension is necessary to enable the group to finalize the work plan and provide sufficient detail to comply with the Commission's directive. You further state that the short extension will not have a negative impact on the ongoing work of the group.

This is to advise that I have granted an extension to and including March 31, 2015 to the Market Design and Platform Technology Group to file its work plan with the Commission. This extension is granted in order to promote the fair, orderly and efficient conduct of this proceeding.

This ruling will be posted on the Department's website.

Sincerely,

Kathleen H. Burgess

Secretary
