

STATE OF NEW YORK  
PUBLIC SERVICE COMMISSION

CASE 15-E-0082 - Proceeding on Motion of the Commission as to the Policies, Requirements and Conditions For Implementing a Community Net Metering Program.

NOTICE EXTENDING TIME TO FILE

(Issued October 23, 2015)

By letter dated October 22, 2015, Consolidated Edison Company of New York, Inc., Orange and Rockland Utilities, Inc., Central Hudson Gas & Electric Corporation, Niagara Mohawk Power Corporation d/b/a National Grid, New York State Electric & Gas Corporation, and Rochester Gas and Electric Corporation (collectively referred to as the "Joint Utilities") filed a request for a 14 day extension to file their Community Distributed Generation Operating Procedures (Operating Procedures) pursuant to Ordering Clause No. 5 of the Order Granting Reconsideration in Part (Order) issued October 16, 2015 in the above proceeding. The Operating Procedures are currently due October 26, 2015 and the Joint Utilities request an extension until November 9, 2015.

The Joint Utilities state that the extension is needed to give them enough time to work on the tariff amendments, which are required by the Order, that will go into effect on October 26, 2015. Thereafter, the Joint Utilities state that the Operating procedures will be completed and filed, which will assist Community DG sponsors and customers in understanding and complying with the tariffs.

This is to advise that I have granted an extension to November 9, 2015 to the Joint Utilities to provide their Operating Procedures to promote the fair, orderly and efficient conduct of this proceeding. However, I note that the

October 26, 2015 effective date of the tariff leaves commencing Phase I of the Community DG program remains unchanged. Therefore, sponsors of eligible community DG projects may elect to submit interconnection requests and other required information in compliance with the tariff leaves.
