Application of Champlain Hudson Power Express, Inc. for a Certificate of Environmental Compatibility and Public Need Pursuant to Article VII of the Public Service Law for the Construction, Operation and Maintenance of a 1,000 MW High Voltage Direct Current Circuits from the Canadian Border to New York City  
Case 10-T-0139

Re: Revised Certificate Conditions (Appendix C to Joint Proposal)

Dear Mr. Cohen,

In an e-mail dated January 11, 2013, Administrative Law Judge Michelle Phillips requested that Champlain Hudson Power Express, Inc. and CHPE Properties, Inc. (“Applicants”) submit the final version of the Proposed Certificate Conditions in the above referenced case. On February 24, 2012, the Joint Proposal (JP) and its Appendices were filed in this Case 10-T-0139. Since February 24, 2012, the following changes were made to the Certificate Conditions (Appendix C).

1. Revised Condition 15 (filed on June 4, 2012)
2. Revised Condition 133 (filed on June 26, 2012)
3. Removed footnote 1 (filed on July 11, 2012)
4. Revised Condition 21 (filed on July 11, 2012)
5. Revised Condition 22(f) (filed on July 11, 2012)
6. Revised Condition 165(a) (filed on October 19, 2012)

As requested by ALJ Phillips, the Applicants have enclosed the final version of the Proposed Certificate Conditions incorporating the revisions listed above.

Thank you for your attention to this matter.
