SUMMARY OF

Discussion

The Village of Holley (the Company) made a tariff filing to revise its returned check charge and reconnection fees contained in its Tariff Schedule, P.S.C. No. 1 - Electricity. The proposed filing has an effective date of July 1, 2013. The Company has agreed to a postponement of the effective date to September 1, 2013 to allow Staff additional time to complete its review.

On May 10, 2013, the Company filed a supplement to implement the postponement and requests a waiver of the requirement of newspaper publication of the change proposed by the supplement.

It is recommended that:

1. Village of Holley be allowed to put Supplement No. 3 to its tariff schedule P.S.C. No. 1 - Electricity into effect on June 10, 2013; and
2. special permission be granted waiving the requirement of Section §66(12)(b) of the Public Service Law and 16 NYCRR Section 720-8.1 as to newspaper publication of the change proposed by the supplement.
