Town Supervisor, Town of Bethlehem

RE: Case 17-F-0617 - Application of Hecate Energy Albany 1 LLC and Hecate Energy Albany 2 LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 of the Public Service Law for Construction of a Solar Electric Generating Facility Located in the Town of Coeymans, Albany County.

Dear Town Supervisor VanLuven:

It has come to our attention that our letter dated April 18, 2018, regarding the above referenced matter, incorrectly stated that as the Supervisor of the Town of Bethlehem, you have the duty to nominate four candidates to potentially serve as ad hoc public members of the Siting Board. You should not nominate any candidates to serve as ad hoc public members as the Town of Bethlehem is not located within the Facility Area, it is only located within the Project's Study Area.

Please disregard the April 18, 2018 letter. No action is required of you at this time. If you require further assistance, please feel free to contact the Secretary via email at Kathleen.Burgess@dps.ny.gov, or by phone at 518-474-6530.

Sincerely,

John B. Rhodes
Chair
