Re: Case 15-E-0751 – In the Matter of the Value of Distributed Energy Resources.
Matter 17-01278 – In the Matter of the Value of Distributed Energy Resources Working Group
Regarding Low and Moderate Income Customers.
Case 15-E-0082 – Proceeding on Motion of the Commission as to the Policies, Requirements and
Conditions For Implementing a Community Net Metering Program.

Dear Secretary Burgess,

In its March 9, 2017 Order on Net Energy Metering Transition, Phase One of Value of Distributed Energy Resources,
and Related Matters in Case 15-M-0751, the Public Service Commission directed Staff to develop and file, by
September 1, 2017, a low-income community distributed generation proposal. By rulings issued on August 31,
2017, and November 13, 2017, the Secretary extended the due date for the proposal to November 15, 2017, and
December 15, 2017, respectively.

In compliance with this requirement, enclosed please find the “Staff Report and Low-Income Community
Distributed Generation Proposal” dated December 15, 2017, to be filed for public comment and future
Commission consideration and action. Please note, Staff intends to submit a Notice of Proposed Rulemaking
pursuant to the State Administrative Procedure Act (SAPA) §202(1) on December 19, 2017, to be published in the
State Register on January 3, 2018, and with the time for submission of comments to expire on March 5, 2018.

Sincerely,

/s/
