3. TERMS AND CONDITIONS

Unless otherwise specified, the following Terms and Conditions apply for all business and residential services provided by the Company.

.1 Definitions

Certain terms used generally throughout this tariff for services furnished by the Company are defined below.

Affinity Member

The term "Affinity Member" denotes individual users who are members or employees of participating trade associations, professional organizations, business entities, affiliated franchises, or buying groups not organized expressly for the purpose of qualifying to receive usage discounts. Affinity Member groups that commit to specific usage levels will receive discounts off standard MTS, FONCARD Service, Dial 1 WATS, or FONLINE Toll Free rates as set forth in Section 5.4.5. (T)

Authorization Code

The term "Authorization Code" denotes code(s) given to non-Feature Group D subscribers which, when dialed in proper sequence, identifies subscriber for billing and applicable discount purposes.

Authorized User

The term "Authorized User" denotes a person, firm or corporation who is authorized by the subscriber to be connected to the service of the subscriber.

3. TERMS AND CONDITIONS (Continued)

.1 Definitions (Continued)

Service Group

.1 WATS

The term "Service Group" denotes one or more access lines leased by a subscriber that are served by a single end office.

.2 Toll Free Service

The term "Service Group" denotes a group of lines in a hunting arrangement used to terminate one or more inbound-Toll Free numbers.

(T)

(T)

Sprint Business Flex

The term "Business Flex" represents a flexible new calling platform which integrates switched and dedicated voice and data services using a volume discount structure and is designed to meet the communications needs of small business customers.

Sprint Clarity

The term "Sprint Clarity" denotes a product platform of integrated business services for inbound and outbound calling.

Sprint Premiere

The term, "Sprint Premiere," denotes a product platform of integrated business services for large volumes of inbound and outbound calling.

Subscriber

The term "Subscriber" denotes the person, firm, company, corporation, or other entity, including Casual Callers, having a communications requirement of its own which contracts for service under this tariff and is responsible for the payment of charges as well as compliance with the Carrier's regulations pursuant to this tariff.

3. TERMS AND CONDITIONS (Continued)

.10 Interruption of Service

It shall be the obligation of the subscriber to notify the Company of any interruption in service. (T)
Before giving such notice, the subscriber shall ascertain that the trouble is not being caused by (T)
any action or omission of the subscriber or is not in subscriber -provided wiring or equipment (T)
connected to the terminal of the Company.

.1 WATS, , PRIVATE LINE, Sprint Clarity, Toll Free Premiere, SDS Premiere, Sprint Real (T)
Solutions, Business Sense and Sprint Business Flex

When services are interrupted for thirty (30) continuous minutes or more, credit is (T)
allowed on demand to the Company, computed as set forth below, provided such (T)
interruption is not shown by the Company to have been caused by the negligence or
willful action of the subscribers, or any other person at a subscriber's terminal location, or
is not caused by the failure of the subscriber's equipment or power supply.

Credit is computed for an interruption of thirty (30) continuous minutes or more at the rate (T)
of 1/1440 of the monthly charge for each thirty (30) continuous minutes or major fraction (T)
thereof that the interruption continues. For PRIVATE LINE Service an interruption
period begins when the subscriber releases the circuit to Sprint for fault isolation and
testing and ends when the circuit is returned to the subscriber. For other services, an (T)
interruption is measured from the time the Company detects trouble, or when the (T)
subscriber notifies the Company of the interruption by an expeditious means, until the
trouble is cleared. No credit will be given for an interruption of service less than thirty
(30) continuous minutes. The credit for a monthly billing period shall not exceed the
monthly rate.

.1 Standard Calling Options

Sprint Clarity is an integrated business solution composed of the following standard calling options: Sprint Clarity (for outbound calling) via switched, dedicated, or travel card (Sprint Clarity FONCARD) access and Sprint Clarity Toll Free (for inbound calling) via dedicated or switched access. (T)

Sprint Clarity outbound switched calls originate in equal access areas via Feature Group D switched access connections and terminate via normal shared use facilities. Sprint Clarity outbound dedicated calls originate via dedicated facilities between the subscriber's premises and Sprint's POP in the originating city and terminate via normal shared use facilities. Sprint Clarity FONCARD users access the Sprint network by dialing 1-800-877-8000 or 1010XXX.

Sprint Clarity Toll Free service is an inbound calling service provided via switched or dedicated access. Sprint Clarity Toll Free switched service calls are originated via normal shared-use facilities and are terminated via local exchange lines at the subscriber's location without charge to the caller. Sprint Clarity Toll Free dedicated service calls are originated via normal shared use facilities and are terminated via dedicated access lines or T-1 access lines between the subscriber's premise and the Company's POP in the terminating location. (T)

Sprint Clarity is designed to satisfy subscriber's single location telecommunications needs as well as multi-location networking requirements via subscriber defined invoicing and reporting coupled with retroactive volume discounts which are based on aggregated usage (including Sprint Clarity FONCARD surcharges) from all Sprint Clarity locations within a subscriber's hierarchy. Sprint Clarity FONCARD is available on a stand-alone basis or as a feature of the Sprint Clarity outbound options. Sprint Clarity domestic calls are billed an eighteen second minimum. After the initial eighteen second minimum, calls will be billed in six second increments.

Effective September 15, 2012, Sprint Clarity Services will no longer be available to new customers. (N)

4. SERVICE AND RATE DESCRIPTION (Continued).9 Sprint Premiere # (N)

Sprint Premiere provides large volume customer with a variety of communications, invoicing, customer service and network management options. Sprint Premiere offers voice and data connectivity to Sprint's network for both outbound and inbound communications through a combination of switched and/or dedicated access options.

Sprint Premiere is composed of the following options: Toll Free Premiere, (T)
SDS (Switched Data Service) Premiere and VPN Premiere.

Toll Free Premiere services provides an inbound calling service which allows (T)
calls from normal shared use facilities in selected areas to terminate
on local exchange lines at the customer's location without charge to
the caller. Toll Free Premiere service is provided on switched or dedicated (T)
access options.

SDS Premiere provides for the transport of data either domestically or
internationally over the Sprint network via switched and/or dedicated
access.

VPN Premiere provides multi-location business customers with the features and
functions of a private network through the use of shared transmission facilities
and a customer defined database. VPN Premiere accommodates a variety of
switched and dedicated access and termination, has unique rates and discount
schedules, and may be tailored to meet the specific requirements of individual customers.

The following call types are available to VPN Premiere and SDS
Premiere:

Call Types:

- 1) On-Net to On-Net calling provides the "private network" type calls
(7-digit dialing) between locations linked by dedicated access.
- 2) On-Net to Off-Net calling provides dedicated access WATS type calls
(10-digit dialing) which terminate to off-network locations via the
public switched network.

Effective September 15, 2012, Sprint Premiere Services will no longer be available to new (N)
customers. (N)

The Most For Business customers (with the exception of The Most For Business Switched Data Service customers) may choose between the following discounts: Most Frequently Called Number or Most Frequently Called NPA (Customizer). These discounts will be calculated based on total outbound dollar usage (The Most For Business FÖNCARD included) and will be applied in addition to the retroactive volume discount.

.1 Most Frequently Called Number

A 20% discount will be applied to the most frequently called number.

.2 Most Frequently Called NPA (Customizer)

A 10% discount will be applied to the most frequently called NPA.

.6 Sprint to Sprint Discount

A 20% discount will be systematically applied to the net outbound usage (Sprint Clarity FÖNCARD usage included) made to Sprint residential and business customers having switched access (except VPN Premiere and Switched Data Services [SDS]). Sprint-to-Sprint discounts will be calculated separate from and applied in addition to the volume discounts and the Most Frequently Called Number or Most Frequently Called NPA (Customizer) discount.
