

The Wavecrest Management Team Ltd. Wavecrest Management Group LLC

Dear Resident,

We are pleased to inform you that we are going to be using an electric submetering system at **Greater Centennial Homes**, to save costs and promote energy conservation. This notice provides general information about electric submetering, how you can submit comments to the New York State Public Service Commission, and how the submetering system will affect you.

Greater Centennial Homes, submitted a petition regarding submetering to the Public Service Commission. The petition received case number 12-E-0409. You, as a resident, have an opportunity to provide comments. You may send written comments by e-mail to secretary@dps.ny.gov or by letter to Mr. Jeffrey Cohen, Acting Secretary to the Public Service Commission, New York State Public Service Commission, 3 Empire State Plaza, Albany, NY 12223, also by mail to the Public Service Commission, 90 Church Street, New York, NY 10007. The toll free PSC helpline is 800-342-2377. The PSC website is www.dps.ny.gov Don't forget to include the building's address and case number.

What are some of the benefits of submetering?

Saves energy. Submetering promotes conservation because residents pay only for the electricity that they use.

Saves money. Lower energy consumption will mean lower energy bills for the residents and for the building owners. In addition, a monthly statement showing electric usage serves as a reminder that residents have control over their energy usage.

Enhances safety. The submetering system is remotely read. No meter readers are required to be on the property to read the meters.

How does submetering work?

A submeter is installed for each unit and measures each unit's electric consumption. The consumption information is sent to a billing services provider's computer system over the building's electric system, where it is processed and converted to individual charges. With a submetering system, each unit only pays for the electricity that it consumes.

Who will provide electricity for the building?

Consolidated Edison will provide electricity to **Greater Centennial Homes**. This electricity is subject to the building's master meter, and the building's owner or management's company will pay Con Edison directly for all electricity used in the building.

Who will provide my electric bills?

An independent electric billing services company will generate your electric bills. We will give you the name of the billing services company when one is selected.

What rate will I be charged for my electricity?

Under New York State Public Service Law 16 NYCRR Part 96 Residential Submetering and the Home Energy Fair Practices Act (HEFPA), you can not be charged more than your utility's tariffed residential rate for direct metered service.

Will submetering affect my rent payments?

Once the submetering system is approved, an electric bill will be attached to your monthly rent bill or maintenance bill, or you receive a separate electric bill for your apartment. Bear in mind, the charge for electricity will <u>not</u> be part of your rent.

What if I have questions regarding the electric bills I receive?

When a tenant has a question about electric bill or believes the electric bill is inaccurate, the following protocol will be followed:

Tenant should submit the complaint to the property manager of the Building, including the action or relief requested and/or the reason for a complaint about a submetering charge. The property manager shall investigate and respond to the complaint in writing within 15 days of the receipt of the complaint. The Management Agent can be contacted at #718-412-3710. If the tenant and the property manager cannot reach an equitable agreement and tenant continues to believe the complaint has not been adequately addressed, then the tenant may file a complaint with the Public Service Commission through the Department of Public Service. Alternatively, tenants may contact the Department of Public Service at any time concerning submetered service in writing at New York State Department of Public Service, 3 Empire State Plaza, Albany, New York 12223, by telephone at 1-800-342-3377, in person at the nearest office at 90 Church Street, New York, New York 10007, or via the Internet at www.dps.ny.gov

What can I do to save on my electric costs?

The Con Edison website (www.coned.com) offers energy saving tips and other helpful information. Some of the tips are simple and relatively inexpensive to implement:

- · Replace incandescent bulbs with new compact fluorescent ones
- Turn your air conditioner off when no one is home
- Choose EnergyStar appliances for maximum efficiency
- Replace ordinary light switches with dimmers

Where can I get more information?

For general questions regarding the submetering plan or electric billing, you should contact **The Management Agent at #718-412-3710.** For more information about energy savings visit www.coned.com or
www.dps.ny.gov. For more information about submetering laws and regulations visit www.dps.ny.gov.

Thank You,

Charles Lyons Manager
