Re: Case 12-F-0410

Dear Supervisor Hirschey:

At the request of Acting Secretary Jeffrey C. Cohen, I have reviewed your February 6, 2013 letter concerning the photographs displayed on the Cape Vincent Wind Farm web site. I am writing to let you know that Staff, pursuant to 16 NYCRR 1000.4 (c) (4), asked the developer to address any possibility of misinformation, and it is my understanding that the web site has been updated to identify the location of the wind projects represented in the photographs.

Thank you for bringing this issue to our attention.

Very truly yours,

James Denn
Public Information Coordinator
