Re: Case 13-W-0295 – Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations for United Water New York.

Dear Mr. Michaelson:

I received your letter dated August 11, 2014, requesting an extension of time until September 12, 2014, for United Water New York to file proof that a notice to the public of the changes made by the tariff amendments has been published once a week for four successive weeks in newspapers having general circulation in the areas affected by the amendments.

You state that more time is needed to comply with the Commission's directive due to the need to clarify certain issues and figures, and the unavailability of staff, shortly after the order became effective.

This is to advise that I have granted your extension to and including September 12, 2014 to submit the filing, in order to promote the fair, orderly and efficient conduct of this proceeding.

This ruling will be posted on the Commission's Web site.

Very truly yours,

Kathleen H. Burgess
Secretary
