

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 14-M-0101- Proceeding on Motion of the Commission in Regard
to Reforming the Energy Vision.

NOTICE CONFIRMING EXTENSION OF DEADLINE FOR PUBLIC COMMENT ON
STAFF WHITE PAPER ON BENEFIT-COST ANALYSIS

(Issued August 11, 2015)

PLEASE TAKE NOTICE that, in response to the July 24, 2015 request of the Advanced Energy Economy Institute (AEEI), the deadline to file initial comments on the Staff White Paper on Benefit-Cost Analysis in the Reforming the Energy Vision (BCA White Paper) was extended from August 14, 2015 to August 21, 2015.¹ On August 5, 2015, the Citizens' Environmental Coalition filed a request for an extension of the deadline to September 1, 2015. By letter dated August 6, 2015, Dominion Voltage, Inc. expressed support of that extension.

The extension granted to AEEI applies to all parties. Citizens' Environmental Coalition's request for an additional extension to September 1, 2015 is denied in order to promote the fair, orderly and efficient conduct of the case.

Accordingly, the deadline for filing initial comments on the BCA White Paper is August 21, 2015 and the deadline for filing reply comments is September 10, 2015.
