

STATE OF NEW YORK  
PUBLIC SERVICE COMMISSION

CASE 14-M-0101 - Proceeding on Motion of the Commission in  
Regard to Reforming the Energy Vision.

NOTICE EXTENDING DEADLINE TO FILE COMMENTS ON THE  
REV TRACK 2 STAFF WHITE PAPER

(Issued September 22, 2015)

On July 28, 2015, Department of Public Service Staff (Staff) filed its Staff White Paper on Ratemaking and Utility Business Models (White Paper) in the above-referenced proceeding. Initial Comments on the White Paper are due October 5, 2015 and Reply Comments are due November 2, 2015.

By letter dated September 17, 2015, the City of New York (City) requested extensions of the deadlines to file Initial Comments on the Staff White Paper to October 26, 2015; and the deadline to file Reply Comments to November 23, 2015. The City states that the proposals in the White Paper are complex and require careful consideration and analysis; the three-week extension would allow the City a greater opportunity to provide thoughtful and well-developed comments.

Letters in support of extending the deadlines were received from Consumer Power Advocates; the Association for Energy Affordability, Inc.; Nucor Steel Auburn, Inc., Multiple Intervenors; the Alliance Counsel for Solar Choice; the Public Utility Law Project; the Natural Resources Defense Council; the Environmental Defense Fund; the Northeast Clean Heat and Power Initiative; and the Retail Energy Supply Association.

In order to ensure that the comments are provided on a timely basis for Commission consideration, this is to advise that the comment period to file initial comments on the Staff White Paper on Ratemaking and Utility Business Models is extended to October 14, 2015, and the date to file reply comments is extended to November 12, 2015. This extension is granted in order to promote the fair, orderly and efficient conduct of this proceeding.
