RE: Case 15-F-0122 – Application of Baron Winds, LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 to Construct a 300 MW Wind Energy Project.

Dear Supervisor Johnson:

It has just come to our attention that you have replaced Mr. Zigenfus as the Supervisor of the Town of Cohocton. Please see the attached letter from the Chair of the Siting Board regarding your obligations under Article 10 of the Public Service Law to nominate candidates for consideration as ad hoc members of the Siting Board. A similar letter was sent to Mr. Zigenfus on August 12, 2016, and was recently returned as undeliverable. We apologize for this error. Mr. Zigenfus is listed as the Town Supervisor on the Service List the Applicant provided along with the filing of its Preliminary Scoping Statement on August 10, 2016, and is listed on the service list on the Department of Public Service website for the above-referenced case matter.

If you would like to monitor developments in this case, we suggest that you go to the following link to the Siting Board website to learn about the ways you can stay informed:
