Re: Case 14-M-0094 – Proceeding on Motion of the Commission to Consider a Clean Energy Fund

Dear Secretary Burgess:

This letter seeks the extension to March 23, 2016 of the deadline for conducting the first meeting of the Clean Energy Advisory Council (the Council).

In its January 21, 2016 Order in Case 14-M-0094, Proceeding on Motion of the Commission to Consider a Clean Energy Fund, the Public Service Commission (the Commission) established the Council, to be co-chaired by Department of Public Service Staff (Staff) and the New York State Energy Research and Development Authority (NYSERDA). The Commission directed Staff to require participation from all utilities offering energy efficiency programs in New York State and invite participation from the New York Power Authority (NYPA) and the Long Island Power Authority (LIPA). Further, the Commission directed that the Council conduct its first meeting within 60 days of the issuance of the Order, which is March 21, 2016. Due to various scheduling conflicts, I am requesting an extension of that deadline to March 23, 2016.

Thank you for your consideration of this request.

Sincerely,

Scott Weiner

Deputy for Markets & Innovation
