2. Has a final decision been made to retire Ginna or otherwise cease operating Ginna if an RSSA is not granted? If so, when was this decision made and who made it? Provide any documents, internal or external, that relate to this decision and the discussions that led to it.

Response:

GNPP objects to this interrogatory because it requests information that is irrelevant and outside the scope of the current phase of this proceeding. (*see* 16 NYCRR §§ 5.1 and 5.8)

GNPP also objects to this information request because it seeks information relating to a time period prior to the commencement of this phase of the proceeding.

GNPP also objects to this interrogatory to the extent that it seeks information that is protected by attorney-client privilege.

Subject to and without waiving these objections, GNPP provides the following response:

No. CENG's Board will act on CENG management's recommendation if an acceptable agreement is not ultimately approved.
