Dear Ms. Milonovich:

I have received your letter dated March 9, 2016 on behalf of the New York State Energy Research and Development Authority (NYSERDA). The letter requests an extension of time for NYSERDA to make a filing documenting reallocations of funds pursuant to Ordering Clause 6 of the Order Extending Clean Energy Programs, issued December 11, 2015. The Order required that such a filing be made within five days of projected need.

The letter explains that an extension is needed based on a high volume of applications. In recognition of the fact that it may take NYSERDA more than the five days provided in that Order to determine the precise need for reallocation and to avoid requiring multiple, duplicative filings, an extension of time to make a filing documenting all reallocations to April 15, 2016 is granted in order to promote the fair, orderly and efficient conduct of this proceeding.

This ruling will be posted on the Department's website.

Sincerely,

Kathleen H. Burgess

Secretary
