Re: Case 20-E-0489 - Notice of Intent of Asteri Ithaca, LLC to Submeter Electricity at  
118 E. Green Street, Ithaca, New York 14850, Located in the Territory of New York  
State Electric & Gas Corporation.

Dear Mr. McManus:

I received your letter dated April 30, 2024, on behalf of Asteri Ithaca, LLC (Asteri) requesting a further extension of the deadline to file an in-service meter test plan form and a certificate of compliance, as directed by the Commission in its *Order Authorizing Submetering* (Order), issued August 2, 2021, in the above proceeding. An extension to May 1, 2024, was granted on February 28, 2024.

You state that on April 30, 2024, Asteri submitted a certification that the submetering system has been installed. You however advise that since the submetering system was only recently installed, the in-service meter test plan still needs to be completed and then the required annual testing must be performed, thus necessitating another extension to file the in-service meter test plan and certificate of confirmation.

Based upon the information you have provided, an extension is granted until June 30, 2024, to Asteri Ithaca, LLC, to file an in-service meter test plan and a certificate of compliance as required by the Order. This extension is granted to promote the fair, orderly, and efficient conduct of this proceeding.

This ruling will be posted on the Department's website.

Very truly yours,

Michelle L. Phillips  
Secretary
