

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 14-M-0094 - Proceeding on Motion of the Commission to
Consider a Clean Energy Fund.

NOTICE CONCERNING A NEW MATTER NUMBER FOR THE
CLEAN ENERGY FUND INVESTMENT PLAN AND
QUARTER ONE REPORTING DEADLINE

(Issued May 6, 2016)

In its January 21, 2016 Order Authorizing the Clean Energy Fund Framework in Case 14-M-0094 (CEF Order), the Public Service Commission (Commission) directed the New York State Energy Research & Development Authority (NYSERDA) to file the CEF Investment Plan as a series of Chapters. To facilitate transparent and orderly tracking of these ongoing filings, a designated matter number related to Case 14-M-0094 will be created for Investment Plan Chapters and related filings.

PLEASE TAKE NOTICE that all filings related to the Clean Energy Fund Investment Plan shall be filed in Matter Number 16-00681, In the Matter of the Clean Energy Fund Investment Plan, established here, including all NYSERDA-filed Chapters and letters from Staff regarding compliance. Individuals wishing to receive notice of such filings should monitor that matter number as such filings will not appear in the main docket for Case 14-M-0094.

The CEF order also directed NYSERDA to complete Quarterly Progress Reports for the CEF's Market Development and Innovation and Research portfolios, within 45 days of each quarter's end. NYSERDA filed its revised Resource Acquisition and Transition Chapter under its Market Development portfolio on February 22, 2016. Staff confirmed its compliance on February 29, 2016. Due to the fact that activity within the

Market Development portfolio did not begin until March 1, 2016, there will be less than a full quarter of activity to report on between March 1, 2016 and the Quarter 1 end date of March 31, 2016. There was no activity within the Innovation and Research portfolio within Quarter 1, 2016. Therefore, this Notice serves to extend the deadline for Quarter 1 reporting of the Market Development and Innovation and Research portfolios until August 15, 2016, to coincide with the filing deadline for the Quarter 2 Market Development and Innovation and Research Report.

Information and instructions related to becoming a party, subscribing to the service list, or otherwise monitoring the status of this matter can be found on the Commission's website.¹
