Dear Hon. Kathleen H. Burgess, Administrative Law Judge Kevin Casutto, and Department of Public Service and Administrative Law Judge Maria E. Villa:

A Request for Intervenor Funds involving Case 15-F-0122, Baron Winds Wind Project has been submitted. Due to the current lack of specific project location information provided by the Baron Winds Wind Project, and the fact that the requesting party is currently being expanded to include additional stakeholders in this project, we are requesting a motion to extend the time period to apply for intervenor funds. The application has been completed to the extent possible at this time, but we sincerely hope our request for an extension will be granted.

Sincerely,

Robin A. Phenes
