RE: Case 15-F-0327 - Application of Galloo Island Wind LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 to Construct a Wind Energy Project.

Dear Mr. Muscato:

I am writing in response to your July 18, 2016 letter on behalf of Galloo Island Wind, LLC, seeking an extension of the deadline from today to July 22, 2016 in order to file and serve Galloo Island Wind, LLC's summary of and replies to the material comments submitted on the Preliminary Scoping Statement (PSS) in the above-referenced proceeding.

Your letter requests this extension to prepare complete responses to the comments that have been filed, including some comments that were submitted after the period for comment had expired.

This is to advise that I have granted an extension to Galloo Island Wind, LLC to file its summary and replies to material comments on the PSS, pursuant to 16 NYCRR §1000.5(g), by the close of business, this Friday, July 22, 2016. This extension is granted in order to promote the fair, orderly and efficient conduct of this proceeding.

This ruling will be posted on the Department's website.

Very truly yours,

Kathleen H. Burgess  
Secretary
