Re: Case 14-M-0094 – Proceeding on Motion of the Commission to Consider a Clean Energy Fund.
Case 10-M-0457 – In the Matter of the System Benefits Charge IV.
Case 07-M-0548 – Proceeding on Motion of the Commission Regarding an Energy Efficiency Portfolio Standard.
Case 03-E-0188 – Proceeding on Motion of the Commission Regarding a Retail Renewable Portfolio Standard.

Dear Ms. Milonovich:

I received your letter dated April 14, 2016 on behalf of the New York State Energy Research and Development Authority (NYSERDA) requesting an additional extension to finalize the need for reallocations in accordance with the Commission's December 11, 2015 *Order Extending Clean Energy Programs*. On March 11, 2016 an extension was granted to April 15, 2016, to NYSEERDA to file the need for cost reallocations.

You state that an extension is necessary given the receipt of a high volume of applications, the time required to review the need for reallocation, and calculation of savings targets resulting from the reallocation. An extension would provide NYSEERDA the opportunity to ensure an accurate filing.

This is to advise that an extension is granted to and including April 29, 2016, to the New York State Energy Research and Development Authority to file the need for cost reallocations in accordance with the Commission's December 11, 2015 *Order Extending Clean Energy*
