Dear Secretary Burgess:

Enclosed for filing, pursuant to the agreement of the parties at the August 15, 2016 Procedural Conference held in this proceeding, please find the proposed evidence of Corning Natural Gas Corporation (“Corning” or the “Company”) for the purpose of updating and correcting (collectively, “updating”) the Company’s original filing of June 17, 2016. This proposed evidence consists of the Additional Direct Testimony of Firouzeh Sarhangi and L. Mario DiValentino (the Company’s Accounting and Policy Panel), together with five exhibits: Exhibit CNG-3A, providing an updated Summary and Schedules 1 through 5 of Exhibit CNG-3; Exhibit CNG-4A, providing an updated Summary and Schedules 1, 4-7 and 9 of Exhibit CNG-4; Exhibit CNG-5A, providing an updated Summary and Schedules 3-7, 9-12 and 14 of Exhibit CNG-5; Exhibit CNG-8A, providing an updated Schedule 2 of Exhibit CNG-8; and Exhibit CNG-14, which summarizes the various required changes to the original filing that have been identified through the discovery process to date and that are reflected in the aforementioned updated exhibits. To make it easier to follow the changes reflected in these exhibits, changes have been highlighted in red.

Copies of this update filing are being served electronically on Administrative Law Judges Mullany and Wiles, as well as on the Department of Public Service Staff, the Utility Intervention Unit of the Department of State’s Division of Consumer Protection, and Multiple Intervenors.
