NY State Public Service Commission  
Chairwoman Audrey Zibelman  
Empire State Plaza  
Agency Building 3, 20th floor  
Albany, N.Y. 12223

Dear Chairwoman Zibelman:

According to John Flannigan's February 4, letter to you, and posted on the PSC website, which stated, "Pursuant to article 10 of the Public Service Law" ,that he had appointed , me, Mary Catherine Orr to be an ad hoc member of the New York State Board on Electric Generation Siting and Environment in relation to the proposed Lighthouse LLC Wind project.

I am honored to have been chosen for this position .

I am wondering if there is a code of conduct expected of the ad hoc members. If there would be legal questions concerning process, would there be someone that I should have an e-mail or phone number for information or if I have questions on legalities and/ or responsibilities expected of Ad Hoc members. I will be looking forward to taking an active, verbal role in the discussions relating to the health, safety and welfare of the people that I have been appointed to represent in Niagara and Orleans Counties as regarding the Industrial Scale Wind Electrical project being proposed here.

I realize that this is a first time for you working with this committee also and would appreciate if you could advise me and perhaps guide me in this direction.. Also where will the meeting be taking place here in Barker? Please advise.

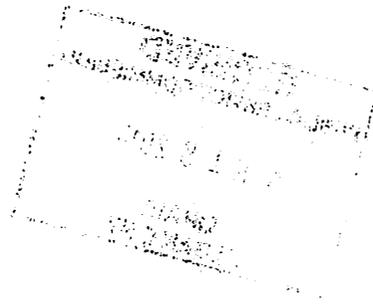

I have not received any official letter stating that I am definitely appointed, and would like to receive more information ,about what is expected of people on this committee, and if there are any activities that would be considered conflicts of interest, that would be exclusive to participating on this committee. .

Sincerely:

A handwritten signature in cursive script that reads "Cathi Orr".

Mary (Cathi ) Orr
