A conference was held on August 15, 2016, at which several procedural matters were discussed, including a schedule for these proceedings. A recess was called, and the Parties discussed a proposed schedule. Those discussions led to a consensus proposed schedule supported by Department of Public Service trial staff (Staff), Corning Natural Gas Corporation (Corning), the New York Department of State, Utility Intervention Unit, Division of Consumer Protection (UIU), and Multiple Intervenors (Party Consensus Schedule).

Having considered the matter, I am adopting the proposed schedule as follows:

November 15, 2016	Rebuttal Testimony
December 5, 2016	Start of Evidentiary Hearings

Dates for the post-hearing submission by the parties of Initial and Reply Briefs will be fixed at the conclusion of the evidentiary hearing. The parties should anticipate that all post-hearing briefing will be concluded by January 17, 2017.
