**Citizens' Environmental Coalition's Second Set of Information Requests  
directed to Department of Public Service**

2. This request is not directed at settlement negotiations. It relates to a NYTimes article referenced below.
  - a. Please name the staff members at DPS that have been involved in the development of a policy to support the continued use of nuclear energy as a preferred energy alternative in NYS, because of its lower carbon emissions.
  - b. Please indicate when these policy negotiations began and how many meetings have occurred since.
  - c. Please provide all notes of those meetings including any and all discussions of the R.E. Ginna nuclear power plant.
